## About Karpagam

Karpagam Academy of Higher Education was founded with the mission to impart value based and holistic education that enriches the knowledge and skills of students. The institution strongly believes in empowering lives by means of education. Our curriculum and teaching-learning methods impart knowledge and transcend all the six levels of the modified Bloom's Taxonomy.

## Unique in Architectural Pedagogy

- Students have multi modal learning settings
- Allow Budding Architectural students to move around the International University for summer Classes / Internships
- Taking students to international Architectural places to explore and create confidence in their Ideas.
- Promoting individualized learning, creating settings for innovative teaching by incorporating new technology

## Architecture, Design and Planning.

- "Our goal is to change the world through education. It may sound idealistic, but this is precisely our mission". This underlying philosophy motivates the Faculty of Architecture Design and planning at KAHE.
- It inspires our teaching and our research.
- It kindles our dedication towards education and enhances our work with teachers and leaders, across the globe.
- Our learning extends beyond conventional classroom instruction, preparing our students to engage with their fields and the larger world. Great emphasis is laid on rigor and self-reflexivity within the programme curricula. Students are allowed to choose their own unique pathways through the programme, thereby (re)creating and (re)producing themselves as professionals with multiple expertise.
