**Report on Orientation Programme for the Faculty Members
on Quality Issues**

The Internal Quality Assurance Cell (IQAC) has organized an Orientation Programme for the Faculty Members on Quality Issues on 19-02-2020 at 3pm at MBA Seminar Hall. 142 Faculty Members have attended the programme. Dr.K.Sivakamasundari, Former Director,IQAC, Avinashilingam Institute for Home Science and Higher Education for Women was the Resource Person.

The Programme was begun with the invocation. The Director, IQAC welcomed and introduced the Resource Person to the participants. She briefed the need for orienting the Faculty Members to the quality issues being faced on regular basis.

Chief Guest **Dr.K.Sivakamasundari** delivers the Programme

The Resource Person started her presentation with an emphasis on the responsibilities of the Faculty Members in addition to the Teaching Learning and Evaluation related activities. The Faculty Members are burdened with activities such as organising conferences, publications, extension activities, placement etc., The need for documenting the activities on regular basis is an another difficulty faced by them.

Documentary evidence is the major and mandatory requirement for any assessment or accreditation process. No institution can get away with that and the responsibility ultimately lies on the Faculty Members only.

The IQAC of any Higher Education Institution is expected to act as the nodal point for collection of data and submission to Regulatory and Assessment Agencies time to time. The resource person stressed the need for supporting IQAC by providing reliable and accurate data in time to facilitate timely submission as and when called for by the various agencies.

She outlined the Revised Assessment Framework by NAAC and highlighted the salient features of various metrics. She also emphasised the need for timely submission of Annual Quality Assurance Report to NAAC by IQAC.

Participants of the Programme

The programme was very much useful to the Faculty Members to realise the importance of various requirements in addition to the Teaching Learning and evaluation Process and their responsibility to rise to the occasion and support the institution in the journey of excellence in Quality.

The programme came to an end with the Vote of Thanks by Mr.T.Shanmugavel, Coordinator ,IQAC.
