### REPORT

#### **Report on Special Lecture on Enhancing Quality of Higher Education held on 29<sup>th</sup> January 2020**

#### **Think-Equip-Reflect – Dr. Gopal Reddy, Member UGC**

Think, Equip and Reflect on the quality initiatives of NAAC, Quality Mandate of UGC and New Education Policy 2019 exhorted Dr. Gopal Reddy, Member, UGC in his keynote address delivered in a function on Enhancing Quality of Higher Education organized by Karpagam Academy of Higher Education. He expressed his concern that only 10% of the institutions have undergone NAAC assessment and emphasised that all higher educational institution should go for NAAC accreditation as it forms basis for getting financial grants and other privileges from Government. Similarly, he emphasised that Higher Education Institutions should implement 'Quality Mandates' issued by the UGC with letter and spirit. The New education Policy 2019 goes extra mile in enhancing the quality of Higher education he added.

Dr. S. Subbiah, Professor of Surgical Oncology, Kilpauk Medical College who delivered special address during the occasion emphasised that all education including professional education to be offered in mother tongue.

Dr. R. Vasanthakumar, President, KAHE during his inaugural address said the KAHE is implementing all the quality initiatives recommended by the statutory bodies with letter and spirit and is keen to imbibe quality culture among the teaching faculty.

Earlier Dr. M.Palaniswamy, Registrar delivered welcome address and Dr.S.Sudalaimuthu, Vice-Chancellor delivered presidential address and the meeting concluded with vote of thanks.
