Report on Student Satisfaction Survey 2019 - 2020

A survey was initiated in the month November, 2019 to find out the satisfaction level of students on Teaching Learning Process. A total of 535 responses were received. From the Pie-Chart, the level of satisfaction below "Poor" were identified and the following 5 parameters are at the top level.

1. Teachers are able to identify your weaknesses and help you to overcome them. (14% of the respondents).
2. The institute takes active interest in promoting internship, student exchange, field visit opportunities for students (12% of the respondents).
3. Teachers encourage you to participate in extracurricular activities. (11% of the respondents).
4. Efforts are made by the institute/ teachers to inculcate soft skills, life skills and employability skills to make you ready for the world of work. (11%).
5. The teaching and mentoring process in your institution facilitates you in cognitive, social and emotional growth (10%).

In all the above five parameters the percentage of dissatisfaction (below Poor) is less than 15% means more than 85% of the students are responded above satisfactory level.
