KARPAGAM ACADEMY OF HIGHER EDUCATION

Karpagam Academy of Higher Education was founded with the mission to impart value based and holistic education that enriches the knowledge and skills of the students. The Institution strongly believes in empowering lives by means of education. Our curriculum and teaching-learning methods ensure knowledge transfer transcending all the six levels of modified Bloom's Taxonomy.

Contemporary infrastructure, modern teaching methodologies, career oriented training, excellent placements and the finest faculty have always been Karpagam's hallmark. Today, with a strength of 8000+ students and over 750 teaching & non-teaching staff members, Karpagam Academy of Higher Education is setting a new benchmark in the educational sphere.

Few among the myriad reasons to choose **Karpagam**

FACULTY OF ARTS, SCIENCE, COMMERCE AND MANAGEMENT

Faculty of Arts, Science, Commerce and Management becomes an important supporting pillar for Karpagam Academy of Higher Education. It provides sixteen undergraduate and eleven post graduate programmes. All the programmes strengthen the vision and mission of the university. State of the Art infrastructure and laboratories help the students to have a harmonious environment. All the faculty members are well experienced in academic and research and always have the thought of creating a responsible citizen.

Commerce and Management @ Karpagam

The department of Commerce focuses on holistic development perspective. The teaching pedagogy focuses to enrich learners to develop competency demanded by the corporates. We help the students to inculcate analytical, complex problem solving, critical thinking, managing people and emotions, skills to face agile environment. We follow activity & research based learning which is fortified by realtime business case analysis and simulation labs.

RESEARCH

Ph.D. in Computer Science

The Department focuses on

- Providing path for students to steadily increase their knowledge in programming skills.
- Equip students to face the challenges of the global IT industry in the field of Software Development, Networking, Web Development, Business Accounting and Desktop Publishing.
- Strengthening the personal skills, English communication, creative and technical ability of the students.
- Enriching the knowledge and understanding of computing careers through Field Trips, Mentor Programs and Internships.

Value Added Courses

Artificial Intelligence | Network Programming with CISCO Packet Tracer Tool | Data Analytics | Android Application Development | Database Design and Administration | Multimedia & Gaming - Design & Development | Internet of Things | NodeJS | Kotlin

LIFE SCIENCES

A few reasons why you would prefer

One of the oldest streams of Science and fast growing domains of science - Life sciences. With the advent and proliferation of pharmaceutical innovations, manufacturing and research in India, the Life Sciences stream today offers lucrative career options to the students. The Faculty of Life Sciences is one of the well established and most resourceful departments at Karpagam Academy of Higher Education and offers free coaching for CSIR- NET examinations. All life science department students undergo training at clinical laboratory of Karpagam Hospital.

For a Ph.D. or higher qualification / experience, career option include:

- Industrial researcher
- Independent researcher
- College / University Faculty
- Chemist
- Clinical Chemist
- Research Chemist Marine Biologist
- Pharmacologist
- Pharmaceutical researcher
- Scientific Writing and Publishing
- Food Chemist

PROGRAMMES OFFERED

UG B.Sc. Biotechnology
B.Sc. Microbiology

PG M.Sc. Biochemistry
M.Sc. Biotechnology
M.Sc. Microbiology

RESEARCH

Ph.D. in all Life Science disciplines

Contemporary Lab Facility

The departments have meticulously planned and housed most advanced and modern equipments that aid the students to understand theory and experiment practically. Laboratory being the window to practical learning, care is taken that they are made available with the equipments, consumables, reagents and other requisite materials. Karpagam Academy of Higher Education central Instrumentation Facility (CIF) conducts regular training programmes for in house and other Institute Research Scholars / Students on analytical instruments regularly

Well Equipped Animal Cell Culture and Plant Tissue Culture Laboratories

Moving a step forward Karpagam Academy of Higher Education has a modern Animal Cell Culture and Plant Tissue Culture lab that actively support the study and research endeavors of the students.

Intellectual Capital

An experienced team of faculty members. Most of them being doctorates, rich set of visiting faculty from premier Institutions.

The University has a CPCSEA Approved Animal House Facility

**COMMITTED TO
EXCELLENCE**

FACULTY OF ENGINEERING

ELECTRICAL & ELECTRONICS ENGINEERING

Electrical and Electronics Engineering has well equipped laboratories and a team of dedicated faculty members who have experience in the Industry as well as Academics.

State-of-Art Labs : Electrical Machines Lab | PLC Lab | Control Systems Lab | Microprocessor and Micro - controllers Lab | Power Systems Simulation Lab | Power Electronics Lab | Power and Hybrid Renewable Energy Resources Research Lab

Awards : “Best Young Faculty Award” from International Research Foundation, Sir C V Raman “Life Time Achievement National Award” from Innovative research developers and publishers.

Centre of Excellence : Electrical Design and Modelling in Association with M/s. Swifterz Creative Services (LLP)

MoUs: M/s. Triox Technologies | M/s. Vei Technologies | E-Trainers

ELECTRONICS & COMMUNICATION ENGINEERING

Electronics & Communication Engineering has very good infrastructure for the students in the areas of Embedded System Design, VLSI Design using Cadence, Bio Signal & Image processing.

State-of-Art Labs:

Texas Instruments Lab | Cadence Software Lab | Micro Processor Lab | Digital Signal Processor Lab | ED and Circuits Lab | Communications System Lab

Centre of Excellence:

Dell EMC & Data Science and Big Data Analytics

MoUs:

STEPS Knowledge Services, Hexbedded Technologies

CIVIL ENGINEERING

Civil Engineering has well-established laboratory facilities, collaborative projects with academic and industries. We develop professionally competent Civil Engineers through dedicated team effort, academic collaborations and industrial exposure.

State-of-Art Labs:

Environmental Engineering Lab | Structural Engineering Lab | Concrete & Highway Lab | Construction Materials Lab | Soil Engineering Lab | Strength of Materials Lab

Achievements:

For the past three years, department of Civil Engineering has done many successful consultancy works.

MECHANICAL ENGINEERING

Mechanical Engineering department has grown from strength to strength right from its inception with well qualified, experienced and dedicated faculty members. The department provides a stimulating environment for research activities under the supervision of Professors who are Ph.D. holders. The department has established facilities to propagate emerging technologies by incorporating software for cutting-edge technologies.

State-of-Art Labs: Strength of Materials Lab | Thermal Engineering Lab | Engineering Practice Lab | Fluid Mechanics Lab | Manufacturing Process Lab | Heat and Mass Transfer lab | IC Engine Lab | Metrology Lab | Dynamic and Kinematics Lab | Machining Research Lab | Material Testing Research Lab | Corrosion Testing Research Lab | Non-Ferrous Research Lab | CNCLab

MoUs: Sun V Technology | Balaji Machine Tools Pvt. Ltd. | Aquasab Engineering | Bala Enterprises

Centre of Excellence: Centre for Material Science

COMPUTER SCIENCE & ENGINEERING | CYBER SECURITY | ARTIFICIAL INTELLIGENCE & DATA SCIENCE

Computer Science & Engineering Strives to make the students to reach the mark of excellence in IT arena. Eminent personalities from the industry are invited to address the students which in turn upgrade the level of confidence among students.

State-of-Art Labs:

Big Data Lab | CISCO Lab | Case Tools Lab | OSLab

Awards: Faculty of our department have received "Silver Award" and "Bronze Award" from Infosys Pvt. Ltd. for Active Faculty member in Campus Connect Program 2019

MoUs : Infosys, Celestial Technology, Accent Technosoft, Prompt Info Tech, Pantech E Learning, Ready Tech Solutions, Scopik Edutech Pvt. Limited, Kyungpook National University, Newareeliya Soft Tech Pvt. Ltd.

BIOMEDICAL ENGINEERING

Biomedical Engineering that combines Biology and Engineering, applying engineering principles and materials to medicine and healthcare. The demand of engineers with the background of biology and medicine is highly increasing.

State-of-Art Labs: Bio Sensors and Transducers Lab | Bio-Medical Signal Processing Lab | Bio-Medical Instrumentation Lab | Bio-Informatics Lab | Image Processing Lab | Virtual Instrumentation for Medical Systems Lab.

MoU: Prasanth Technologies, BRJ Ortho Hospital

Centre of Excellence:
Assistive Technology Lab, Centre for Bio-Photonics & Technology

BIOTECHNOLOGY

BioTechnology is booming with all the essential facilities and infrastructure to cater the needs of the society. The department has well qualified and experienced faculty.

State-of-Art Labs:

Microbiology Lab | Protein Engineering Lab | Bioprocess Lab | Immunology Lab | Molecular Biology Lab | Biochemistry Lab | Bioinformatics Lab

MoUs: Bioline Laboratory | SunGlow Biotech | Biozone Research Technologies Pvt Ltd. | Orbito Asia Diagnostics Laboratory.

Centre of Excellence: Drug Discovery Lab

FOOD TECHNOLOGY

Food Technology Department has a strong academic background with highly qualified faculty to provide excellent teaching, practical training and to inculcate research in the frontier areas of Food Technology.

State-of-Art Labs: Food Technology Laboratory | Food Chemistry Laboratory | Protein Engineering Lab | Immunology Lab | Molecular Biology Lab

MoUs: Benny Foods | Institute of Advanced Materials & IAAM

FACULTY OF ARCHITECTURE, DESIGN AND PLANNING

The Faculty of Architecture at Karpagam Academy of Higher Education will be known as a world-class centre for research, innovation, learning, capacity building and more by the year 2025. Our motto is to build and grow as a system that educates and trains students to global standards, raising the bar in each academic year. In 2009, school of Architecture was established with B.Arch. programme with 40 students. Since then, the department has raised the bar and grown ten times, adding branches like design and planning, which offer Bachelors in design, Masters in architecture. The department is intending to launch Bachelors in Planning programme in the forth coming year

Faculty of Architecture, Design and Planning (FADP) have efficient and eminent team of Architects, Planners and Engineers with strong student base as the backbone of our growth in academics, research and consultancy wing. The manifestation of FADP at KAHE shines because of its flamboyant works of future fraternities and mentors by the best in the industry. Apart from the academic schedule the department engages expertise in multiple collaborative research, industry programmers, entrepreneurship, etc.,

ARCHITECTURE

FACULTY OF PHARMACY

PROGRAMMES OFFERED

UG

B.Pharm.

PG

M.Pharm. Pharmaceutical Analysis
M.Pharm. Pharmaceutical Chemistry
M.Pharm. Pharmaceutics
Pharm.D.

RESEARCH

Ph.D. in Pharmacy

INFRASTRUCTURE

Well equipped laboratories for various disciplines like Pharmaceutics, Pharmaceutical Biotechnology, Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmacology, Pharmacy Practice and Drug Information Center. Attached with Karpagam Faculty of Medical Sciences & Research to provide training in the field of Clinical Pharmacy.

The vision of Faculty of Pharmacy is to provide quality education on par with International standards in the Pharmacy domain. The Faculty is endowed with excellent infrastructure, State-of-the-Art laboratories and a team of dedicated faculty members to train students to meet the growing needs in the field of Pharmacy.

DRUG TESTING LABORATORY

Drug Testing Laboratory is a speciality centre for research which is approved by director of Drugs Control, Government of Tamil Nadu. This Centre carry out tests on Drugs and Pharmaceuticals, APIs, Intermediates and Finished products. Also involved in method development and validation of drugs

INTERNATIONAL RELATIONS

The Office of International Relations (OIR) facilitates collaboration with international Institutions and Organizations for various academic activities. KAHE partnered with foreign universities through MoUs for Students Exchange, Faculty Exchange, Joint research, and allied activities for the Faculties of Arts, Science, Commerce & Management, Engineering, Pharmacy and Architecture.

INTERNATIONAL OPPORTUNITIES

- Project/ Internship/ Course Abroad from our partner universities
- Twinning Programme / Joint Degree / Dual Degree with Foreign Universities
- Virtual Research Exchange Program
- Cross-Cultural Exchange Programs
- Credit Transfer Facility

GLANCE 2022 - 2023

- 434 students were under Exchange Programme with partner universities to pursue Course Work, Project, Internship
- Faculty Exchange Programme involving 76 Faculty members from Partner Universities
- Paid internship of 900 C\$ with 300 C\$ for tuition fee through MITACS for our students to pursue in Canadian universities such as University of Regina, Thompson Rivers University, University of Calgary, University of Saskatchewan, University of Northern British Columbia-Prince George, University of Manitoba – Winnipeg.
- Six students got Taiwan Government scholarship (TEEP) of 14000 NTD per month to study in Taiwan.
- 28 Students got the opportunity to do project work in the universities like University Malaya and Universiti Teknologi MARA, UNIMAP Malaysia.
- 4 Students did internship on Block Chain Technology in Connected Computing and Media Processing Lab (CCMP Lab), at Kyungpook National University (KNU), South Korea.

OTHER ACTIVITIES

Karpagam Academy of Higher Education has adopted five villages under Unnat Bharat Abhiyan Scheme under the Ministry of Human Resource Development, Govt. of India to Uplift Rural India.

NSS volunteers undertake various activities in the villages and slums adopted for community service

An active boys and girls NCC wing

A host of extra-curricular activities for students to pursue their passion through various clubs.

Banking Academy - to train the students aspiring career opportunities in the banking sector

Department of Commerce in association with "The Institute of Cost Accountants of India" offers "Cost & Management Accountancy course" for Commerce and Management students.

CELLS

- Consultancy Cell
- Curriculum Development Cell
- Equal Opportunity Cell
- Gender Sensitization Cell
- Institutional Innovation Cell
- Intellectual Property Rights Cell
- Internal Quality Assurance Cell
- International Student Relationship Cell
- Personal Counseling Cell
- Rural Entrepreneurship Development Cell
- Training & Placement Cell
- Women Empowerment Cell

CENTRE OF EXCELLENCE

- Centre for Plant Tissue Culture and Central Instrumentation
- Centre for Cancer Research and Animal Cell Culture
- Centre for Drug Testing
- Centre for Material Science
- Centre for Material Chemistry
- Centre for Inter Disciplinary Research
- Centre for Architecture and Heritage
- Centre for Drug Discovery
- Centre for Food Nano Technology
- Centre for Advanced Battery Research
- Centre for Bio-Photonics and Technology

RESEARCH

- More than 50% of faculty members with Ph.D. qualifications engaged in research and consultancy assignments.
- Centre of excellence established with sophisticated instruments such as NETZSCH Simultaneous thermal analyzer (STA), ultra-HPLC, Differential scanning calorimetry (DSC), Particle and zeta sizer from MALVERN, Raman spectroscopy, Bruker FTIR, and JASCO DRS UV visible spectrophotometer, ALTEM's Handheld and FARO focus Long range 3D Scanners.
- 3 faculties of KAHE were listed among the Top 2% of world Scientists in their research fields, as per Stanford University, USA survey.

Library

A modern state-of-the-art library complex of 70,000 Sq. ft. with 1,20,280 volumes of books under 53,796 titles, 68,262 E-journals and the library has 34 International Journals and 162 National Journals

A host of co-curricular programmes viz - Industrial visits, in-plant training and training programmes by professional agencies.

University Industry Interaction Cell (UIIC) collaborates with the Industries and creating mutual benefits, by offering consultancy services, assisting their R&D activities etc., Participation of Industries for internship to enhance the skill development and employability of our students

- An excellent environment and guidance for research with Rs. 9.19 Crore worth Government funded (DBT/DST/ICMR) projects for proven research.
- Faculty of Architecture, Design and Planning has research grants close to Rs. 1.06 Crores funded by ERASMUS an European Union agency.

Bank

Transport

ALUMNI ASSOCIATION

The Association has **40,800+** active members

Scholarships for the Economically backward students from the Alumni Corpus Fund are awarded

HIGHLIGHTS

- Choosing specialised programme from the basket based on interest of the students according to industry needs
- Experiential learning environment
- Future focused industry ready CBCS curriculum
- Intellectual and industry experienced faculty members
- Developing professional skills as per industry needs
- Industry interface with Auditors, Cost Accountants and Financial Experts
- Practical workshops on Financial Analysis and Reporting
- Facilitating the thirst of CA, CMA, ICWA certification courses through free coaching.
- Developing the confidence and English speaking ability
- MOU with ACCA, UK, London & ISDC, Bangalore.
- Facilitating the dream job in financial institutions through free coaching in Banking and National Institute of Securities Markets (NISM)
- Internship, Industry and Field Visits

PHYSICAL EDUCATION

Physical Education and sports activities in our campus help the students to maintain physical fitness and develop a competitive spirit. Our Silambam team has participated in International championships held in Malaysia and have won many laurels. Students who excel in sports are given better opportunities to develop their caliber.

Fee concession for sports quota students.

Our student Mr.T.Sakthi Vel of II B.COM represented Tamil Nadu in 6th Junior National Federation Cup Kabaddi Tournament from 01.01.2023 to 03.01.2023.

2 Handball Players G.Kiruthika of II M.Sc. CS & M.Sowmiya of II M.Sc. MATHS from KAHE represented Tamil Nadu in 51st Senior Women National Handball Championship from 26.11.2022 to 30.11.2022 at Andhra Pradesh.

Our KAHE Rollball player Mr.N.Deepak Raja of II MBA has selected for the Indian camp to represent India in 6th Roll Ball World Cup Championship held at Shri Shiv Chattrapathi Sports, Maharashtra from 21st to 26th March 2023.

GOVERNMENT APPOINTMENTS

2015 - 2016
4
Police Dept.

2018 - 2019
10
Police & Fire Service Departments.

2020 - 2021
43
Police & Fire Service Departments.

2017 - 2018
10
Police Dept.

2019 - 2020
14
Police & Fire Service Departments.

2021 - 2022
3
Police Dept.

In the Current Academic Year (2022 - 2023), 25 students cleared the Tamil Nadu Police and Fire Service Examination

CHAMPIONSHIPS

ARE WON WITH

Practice

Our KAHE A team is the Winner, C team is the Runner in the Tamil Nadu **Chief Trophy Kabaddi tournament** - Coimbatore Zone .

Our KAHE handball team represented Tamil Nadu in 1st All India Inter Collegiate Handball Tournament and secured **FIRST** place from 21.01.2023 to 23.01.2023 at Manarcadu, Kottayam, Kerala organised by SMC, Kerala.

Karpagam Academy of Higher Education Volleyball Men team Participated in State level volleyball Tournament organized by American College "29th N.Muthiah Ambalam Memorial Championship" at American College, Madurai.

Our NCC cadet, Sgt. Sanjay received Appreciation Certificate from Commodore Atul Kumar Rastogi, Deputy Director General of the National Cadet Corps (DDGNCC) for being part of the Chief Minister's Rally at Marina RD Parade during MRDC-2023

PRANAYA 2023

JOY OF
MEMORIES

PLACEMENT 2022-23

A dedicated Training and Placement cell with experienced faculty, rich in domain expertise strive to instill skills expected by the companies. The Training and Placement Cell makes an imperative move to nurture the students and make them employable. Various training programs are offered which includes English Language Enhancement with a dedicated State-of-the-art language lab, Soft Skills and Technical Skills. The team envisages to develop leadership qualities among students. Eminent personalities from the industry and alumni are invited to interact with the students and share their experience and expertise in a wide spectrum of domains.
