KARPAGAM
ACADEMY OF HIGHER EDUCATION

(Deemed to be University)

(Established Under Section 3 of UGC Act, 1956)

NEWS LETTER

Volume No.14 / Issue No.01
January - March - 2024

Enable

Enlighten

Enrich

From the President's desk

Dear Readers,

Greetings!

It is with great pleasure that I extend my congratulations to everyone at Karpagam Academy of Higher Education for their unwavering efforts and outstanding accomplishments. The dedicated commitment of each member has been instrumental in significantly contributing to society. I sincerely appreciate everyone who has helped elevate our institution and acknowledge the diligent efforts behind these successes. I am thrilled by the extraordinary achievements our institution has reached in various activities. Your dedication is what distinguishes our institution among higher education establishments. I am profoundly grateful for your commitment to enhancing society and nurturing young minds in partnership with Karpagam Academy of Higher Education. With deep appreciation, I offer my heartfelt thanks and wish you all great success in your personal and professional pursuits.

From the CEO desk

Dear Readers,

Greetings!

I am elated and gratified to observe the dedication of our Deans, Heads, faculty members, and students in their diverse professional activities. This dedication profoundly contributes to the comprehensive advancement of our institution from various perspectives, underscoring the abundant opportunities our organization provides. I encourage everyone to persist in giving their utmost effort to attain exceptional success in all their efforts for the days to come.

I wish you all success.

From the Vice Chancellor's desk

Dear Readers,

Greetings!

Karpagam Academy of Higher Education always works for the betterment of the society. I am overwhelmed to present the University's outstanding achievements in this newsletter. The stringent dedication of our faculty members in pursuing research goals is truly remarkable, and I wholeheartedly encourage their efforts. Our university has successfully established numerous Memoranda of Understanding (MOUs) with industries and foreign universities. I congratulate all the faculty members and students for their collaborative efforts to the success of the institution. Understanding (MOUs) with industries and foreign universities. I extend my gratitude to all the faculty and students for their collaborative efforts to the overall success of the institution.

All the best to achieve great things in life.

From the Editor's desk

Dear Readers,

Greetings!

I am delighted to express my deepest gratitude to all the professors for their steadfast commitment to providing innovative insights that inspire our students. In today's highly competitive landscape, it is crucial for all programs to cultivate a culture of perpetual learning among both educators and students to achieve success. It is my responsibility to encourage everyone to maintain their enthusiasm for learning and advancing in their chosen areas of interest. I extend my best wishes for your continued success and growth in the future.

National and International Days

Pranaya

The grand Intercollegiate cultural fest **Pranaya** was celebrated on 22nd and 23rd February, 2024 at Karpagam Academy of Higher Education. More than thousand participants participated in the various competitions conducted on that day.

DAY II

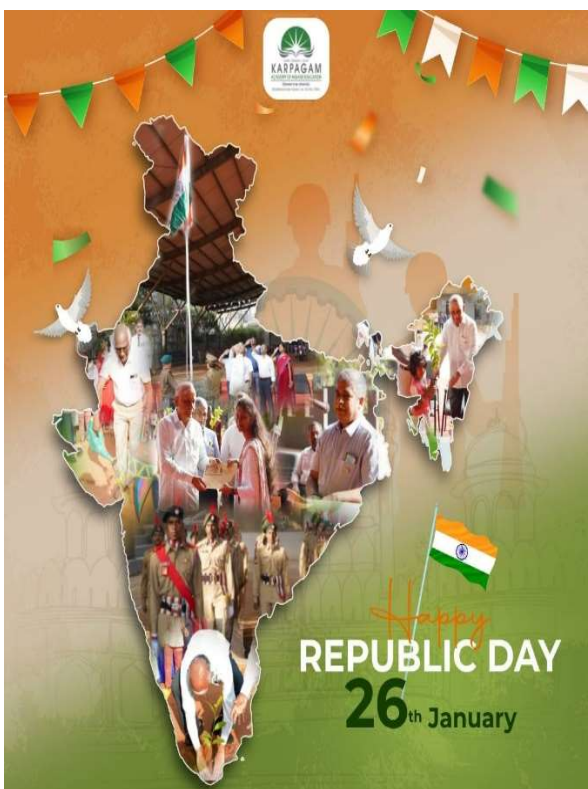

Republic Day

Karpagam Academy of Higher Education celebrated the *75th Republic Day* on 26th January, 2024. **Dr. R. Vasanthkumar**, President, Karpagam Institutions opened the Republic Day parade and hoisted the national flag. **Dr. S. Ravi**, Registrar gave the Republic day Address and stressed the importance of technological growth and individual's responsibility for the growth of the nation. To make the environment green, saplings were given to public.

பொங்கல் விழா

கோவை ஈச்சனாரியில் உள்ள கற்பகம் நிகர்நிலைப் பல்கலைக்கழகத்தில் **பொங்கல் விழா**வானது 12.01.2024, வெள்ளிக்கிழமை அன்று நடைபெற்றது. காளை மாடுகள், குதிரைகள், ஆட்டுக்கிடாய்களின் வரிசையுடன் நடைபெற்ற விழாவினை **துணைவேந்தர் முனைவர் ப.வெங்கடாசலபதி** அவர்கள் தொடங்கிவைத்தார். விழாவினை யொட்டி மாணவர்களின் வள்ளிக்கும்மி நிகழ்ச்சி அரங்கேற்றப்பட்டது. தமிழர்களின் வீர விளையாட்டாகிய சிலம்பம் மற்றும் ஒற்றைக்கம்பு வீச்சுப் போட்டிகளில் மாணவர்கள் ஆர்வமுடன் பங்கேற்றனர். அத்துடன் பொங்கல் வைத்தல், கோலமிடுதல், நாட்டுப்புற நடனமாடல் போட்டிகளும், உரியடித்தல், கயிறிழுத்தல் ஆகிய விளையாட்டுப் போட்டிகளும் சிறப்புற நடைபெற்றன. நாட்டுப்புறக் கலைஞர்களின் கரகம், பொய்க்கால் குதிரை ஆட்டம், பறையாட்டம் முதலான நிகழ்வுகளும் விழாவுக்கு மேலும் சிறப்பு சேர்த்தன.

International Women's Day

The *International Women's Day* was celebrated on 08th March, 2024 at Karpagam Academy of Higher Education which was a comprehensive and enlightening event that focused on various aspects of women's empowerment, well-being, and social issues. It brought together renowned speakers, experts, and dignitaries who shared their insights and experiences with the audience. **Mrs. Kirthika**, Director of The Chennai Silks, was the invited guest of the day. She spoke about the significance of education and raising awareness among women. Her session highlighted the role of education in empowering women and enabling them to overcome societal barriers. **Pradeepa R**, an alumna of KAHE and a consultant at the Directorate of Social Défense, TNSDC, shared valuable insights on women's mental health. Her session shed light on the importance of mental well-being, addressing common challenges faced by women and providing strategies for coping and seeking support. **Dr. Swathanthira Devi**, a respected doctor from Sri Hari Hospital & Wellness Centre in Coimbatore, discussed women's welfare. Her session covered various aspects of women's health and well-being, including preventive measures, healthcare access, and the importance of self-care. The session on *Yoga & Meditation* conducted by **Prof. Parameswari** and **Prof. Saranya** from Gajaananda Trust highlighted the benefits of holistic practices for women's physical and mental well-being. The session provided practical tips and techniques for incorporating yoga and meditation into daily routines. **Mr. Chinnaraja** from Alpha Behaviors conducted an engaging session titled *Let the Minds Blossom*. This session focused on personal growth, self-improvement, and unleashing one's potential. The session aimed to motivate and empower women to pursue their dreams and aspirations. Throughout the event, distinguished guests including. Adding a touch of cultural celebration, Naveen Kumar's performance of the traditional folk dance *Kummi* added color and vibrancy to the event. The dance showcased the rich cultural heritage of the region, celebrating the spirit and resilience of women.

Overall, the International Women's Day Celebration at Karpagam Academy of Higher Education successfully highlighted the importance of women's empowerment, well-being, and social progress. The event provided a platform for knowledge-sharing, inspiration, and networking, fostering a supportive and inclusive environment for women to thrive and contribute to society.

International Relations

International University Meeting

The Office of International Relations conducted a meeting with the *Universiti Teknologi MARA, (UiTM), Malaysi* on 10th January, 2024. The objective of the meeting was to discuss about the project work to be carried out by KAHE students physically in Malaysia for one month.

Course – Inbound and Outbound

Mobility Program: Outbound

Dharshana V, a student from the Biotechnology Department in the Faculty of Engineering (FoE), has secured a three-month internship at **National Sun Yat-sen University (NSYSU), Taiwan**. Under the supervision of **Prof. Po-Chang Shih** from the Institute of Bio Pharmaceutical Sciences at NSYSU, she will receive a monthly stipend of 30,000 NTD.

A **Furmanullah**, a student from the Physics department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a five-month internship at **Providence University (PU), Taiwan**. Under the supervision of **Dr. Hsien-Hsin Chou** from the Department of Applied Chemistry PU, he will receive a monthly stipend of 10,000 NTD.

Niran S, a student from the Computer Science and Engineering department in the Faculty of Engineering (FoE), has secured a three-month internship at **Southern Taiwan University of Science and Technology (STUST), Taiwan**. Under the supervision of **Prof. Dr. Shu-cheng cheng** at STUST, he will receive a monthly stipend of 15,000 NTD during the internship period.

Nishanth M, a student from the Artificial Intelligence and Data science department in the Faculty of Engineering (FoE), has secured a three-month internship at ***Southern Taiwan University of Science and Technology (STUST), Taiwan***. Under the supervision of **Prof. Dr. Shu-chen cheng** at STUST, he will receive a monthly stipend of 15,000 NTD during the internship period.

Vignesh E, a student from the Artificial Intelligence and Data Science department in the Faculty of Engineering (FoE), has secured a three-month internship at ***Southern Taiwan University of Science and Technology (STUST), Taiwan***. Under the supervision of **Prof. Dr. Shu-chen cheng** at STUST, he will receive a monthly stipend of 15,000 NTD during the internship period.

Karthick S, a student from the Computer Science and Design department in the Faculty of Engineering (FoE), has secured a three-month internship at ***Southern Taiwan University of Science and Technology (STUST), Taiwan***. Under the supervision of **Prof. Dr. Shu-chen cheng** at STUST, he will receive a monthly stipend of 15,000 NTD during the internship period.

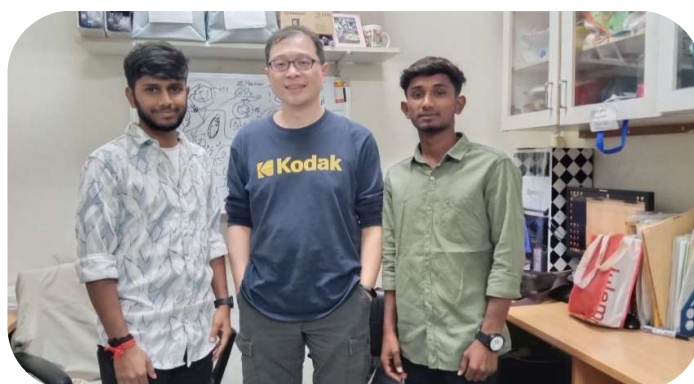

Milan Mathew S, a student from the Chemistry department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a three-month internship at **Providence University (PU), Taiwan**. Under the supervision of **Prof. Po-Chang Shih** at PU, he will receive a monthly stipend of 10,000 NTD during the internship period.

Dhivya M, a student from the Chemistry department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month internship at **Kaohsiung Medical University (KMU), Taiwan**. Under the supervision of **Prof. Michal Korinek** at KMU, she will receive a monthly stipend of 15,000 NTD during the internship period.

Sanjay G and **Hariharan G** are the students from the Chemistry department in the Faculty of Arts, Science, Commerce, and Management (FASCM), have secured a six-month internship at **National Changhua University of Education (NCUE), Taiwan**. Under the supervision of **Prof. Ming-Hua Hsu** at NCUE, they will receive a monthly stipend of 15,000 NTD each during their internship period.

Course work in Malaysia: Outbound

Dhanush M, a student from the Management department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Nazeem Begum S, a student from the Management department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Praveen D, a student from the Management department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Sankari B, a student from the Management department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Shivasuriya R, a student from the Management department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Suresh S, a student from the Management department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Keerthan M, a student from the Electrical and Electronics Engineering department in the Faculty of Engineering (FoE), has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Tharventhiran K, a student from the Electrical and Electronics Engineering department in the Faculty of Engineering (FoE) has secured a six-month Course work at *Universiti Malaya (UM), Malaysia*.

Mithuna S, a student from the Biotechnology department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a four-month Course work at *Asia University (AU), Taiwan*.

Aiswarya G, a student from the Biotechnology department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a four-month Course work at *Asia University (AU), Taiwan*.

Chandru R, a student from the Computer Technology department in the Faculty of Arts, Science, Commerce, and Management (FASCM), has secured a four-month Course work at *Asia University (AU), Taiwan*.

Faculty Exchange Program

A workshop has been conducted to the Architecture department, from FADP for 60 students by foreign faculty, **Dr. Lee Po Ming** from *Sothern Taiwan University of Science and Technology, Taiwan* under faculty exchange program.

Event Participated: Outbound

54 Students from Computer Science and Design, Computer Science and Engineering from FoE and Computer Science from FASCM participated in the webinar conducted by *Industrial University of Tyumen, Russia* on Neural Network Technologies in Transport.

Rotaract Club

The Rotaract club of Karpagam Academy of Higher Education successfully released the flex of **NOT OUT** an intra college cricket tournament on 01st and 2nd February, 2024. The event is been organized to raise the fund for a good cause. **Dr. P. Thamilarasi**, Club advisor and **Mrs. K. Sundareswari**, Faculty Coordinator released the flex along with the club members.

The Rotaract club of KAHE successfully organized the **NOT OUT** fundraiser an intra college cricket tournament on 27th February, 2024. **Dr. B. Venkatachalapathy**, Vice Chancellor, Karpagam Academy of Higher Education was the chief guest for the valedictory function and distribution of prizes. Totally 18 teams have registered in this tournament. The teams were separated into 4 polls based on knock out. **Dr. Manimaran. P**, Prinicipal, KIT was invited as special invitee. **Dr. P. Thamilarasi**, Dean - student affairs, **Mr. K. M. G. Athipandiyan**, PRO, Karpagam institutions, **Dr. S. Suthakar**, Director - Physical Education, KAHE and **Dr. P. Selvapandian**, Director-Physical Education - KIT and **Mrs. K. Sundareswari**, faculty incharge felicitated the event.

National Education Policy 2020

NEP *SAARTHIs* (Student Ambassadors of National Education Policy – 2020) of KAHE, conducted the *NEP Quiz* to create awareness on NEP 2020. The event started on 12th February, 2024. **Dr. S. Ravi**, Registrar gave the inaugural address to the students. Felicitation was given by **Dr. P. Thamilrasi**, Dean Student Affairs and **Mr. T. Shanmugavel**, IQAC. 50 students from different streams like Arts and Science, Pharmacy and Engineering participated in the quiz. Three rounds of quiz were conducted. The students actively participated and it has created awareness on NEP 2020. The prize distribution function for NEP Quiz Competition was held on 20th February, 2024.

Webinar / Conferences / Seminars / Workshop

Department of Computer Science conducted a Seminar on *Entrepreneurship as a Career Choice* on 03rd January, 2024. The special Chief Guest of the day was **Mr. S. Prabakaran**, Entrepreneurship Cell Head and Assistant Professor, Department of ECE, CMS College of Engineering and Technology, Coimbatore. The speaker demonstrated his vast knowledge of the latest developments on Entrepreneurship Skills. He shared his real-time experience with Startup, Business and Entrepreneurship and also explained how to initiate the Schemes, Scholarships, Fundings available for nurturing the Entrepreneurship. The seminar was well received with enthusiasm and admiration by the students.

*Resource Person addresses the students in the topic
“Entrepreneuership” on 03-01-2024*

KAHE-IIC, in association with the Department of Electrical and Electronics Engineering, hosted a seminar titled *Recent Trends and Innovations in Electric Vehicles* on 5th January, 2024, the event aimed to shed light on the latest developments in the electric vehicle (EV) industry. **Dr. K. Ramash Kumar**, an esteemed Professor of Electrical and Electronics Engineering at Dr. N.G.P. Institute of Technology, Coimbatore, was the keynote speaker for the seminar. With 18.8 years of experience and significant contributions to the field, Dr. Ramash Kumar brought invaluable expertise to the conversation.

Resource Person's Insights on Electric vehicle

KAHE-IIC, Department of Electrical and Electronics Engineering and the E-Nexa Association conducted a seminar centered around ***Design Thinking on a Roadmap to Problem Solving*** on 06th January, 2024. The session was handled by **Dr. Rathi M A**, Assistant Professor, and IIC Innovation Ambassador at the Department of Biochemistry, FASCM, Karpagam Academy of Higher Education. She gave an extensive expertise in the subject matter brought unparalleled value to the seminar.

Dr. Rathi M A leading with expertise

KAHE-IIC and Department of Bio Medical Engineering organized a seminar on ***Pros and Cons of Incubation for Startups*** on 11th January, 2024. The objective of this seminar is to give awareness about Incubation for startups. **Mrs. Sathya Raja**, Founder & CEO, Protowiz Private Limited, Coimbatore was the resource person. During the session the resource person discussed about various ideas for startups and startup opportunities for students. 56 Students and 2 faculty took active participation.

Mrs.Sathya Raja, providing outline about Incubation for Startups

Expert interacting with the students regarding their ideas on Startups

Department of Electronics and Communication Engineering conducted a seminar on ***How to become a Successful Entrepreneur*** on 20th January, 2024. **Mr. Karthik Rengarajan**, Entrepreneur and freelancer, Coimbatore was the resource person. He shared his own life experience which involves exploring the significance of Entrepreneur, discussing strategies to cultivate it and providing tips for individuals to enhance the Entrepreneur ship.

Seminar on “How to become a Successful Entrepreneur”

KAHE-IIC, in collaboration with the Department of Electrical and Electronics Engineering organized a seminar titled ***Start-up Planning and Ethical Practices in Electrical Engineering*** on 24th January, 2024. **Dr. G. Emayavaramban**, Assistant Professor, Department of Electrical and Electronics Engineering at KAHE, Coimbatore, was the keynote speaker. He provided valuable expertise to the discourse.

Discussion of Innovative electrical aspects on 24th January, 2024

Department of Management organised a national level student seminar on ***Contemporary Development in Entrepreneurship, Business and Management Digitized Era–Towards Industry 5.0*** on 24th January, 2024. The chief guest of the event was **Mr. K. Annamalai**, Founder and Proprietor, Annamalai Capital Service Pvt., Ltd. He shared his experience in research and explore the innovation in research, students enthusiastically participated in the programme and presented the paper in the topic.

Department of Computer Technology conducted a One Day Seminar on ***Nurturing Startup Culture and Entrepreneurship Among Students*** on 24th January, 2024. The invited speaker was **Mr. Karthik Rengarajan**, Institutional Head and Entrepreneur, Study Abroad for Students, Coimbatore. The speaker demonstrated his knowledge on how to become entrepreneur after completing their B.Sc IT Degree. He shared his vast knowledge on career opportunities available in IT. He also gave idea to students how to open startups based on students' innovative ideas. The seminar was well received with admiration by the students.

Department of Electronics and Communication Engineering conducted a seminar on *Designing Microprocessor and Microcontroller for IOT Applications* on 29th January, 2024. Ms. S. Srinitha, Senior Software Developer 3Q technologies, Coimbatore was the resource person. She outlined the Basics of Microprocessor and Microcontroller. She also explained the various IOT applications. This seminar paved way for gaining some additional information about IOT.

Seminar on “Designing Microprocessor and Microcontroller for IOT Applications”

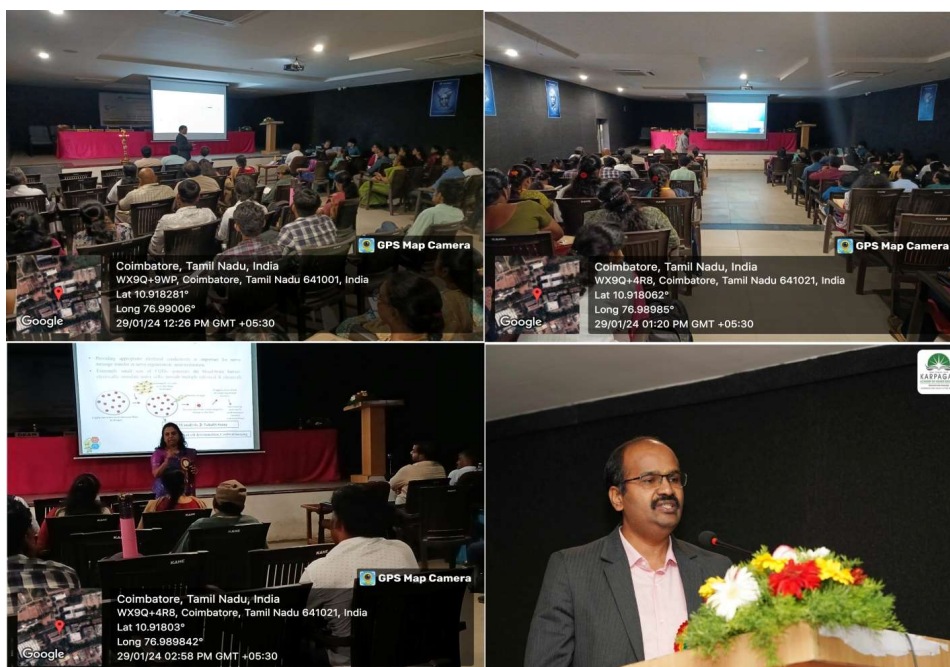

The Faculty of Architecture, Design, and Planning hosted a workshop with an emphasis on *Space Elements and Design* on 29th January, 2024, specifically for the third year B.Arch students of batch 2021. The special address was given by Ar. Harshitha Adoni to help students to gain a deeper knowledge of spatial concepts and how they are used in journalism and design.

The Science and Engineering Research Board (SERB, Govt. of India) sponsored a two-day International conference on *Recent Advancements in Materials Science and Technology* held at Karpagam Academy of Higher Education (KAHE), Coimbatore, Tamil Nadu, on 29th and 30th January, 2024. The Chief guest of the day **Prof. Mangalaraja Ramalinga Viswanathan**, Universidad Adolfo Ibanez, Santiago, Chile, delivered a special lecture in the conference. The Chief guest and keynote speakers were honored with a memento. **Dr. R. Suresh**, Assistant Professor - Chemistry, KAHE, proposed vote of thanks for the Inaugural session. More than 400 participants were participated from various institutions across the country.

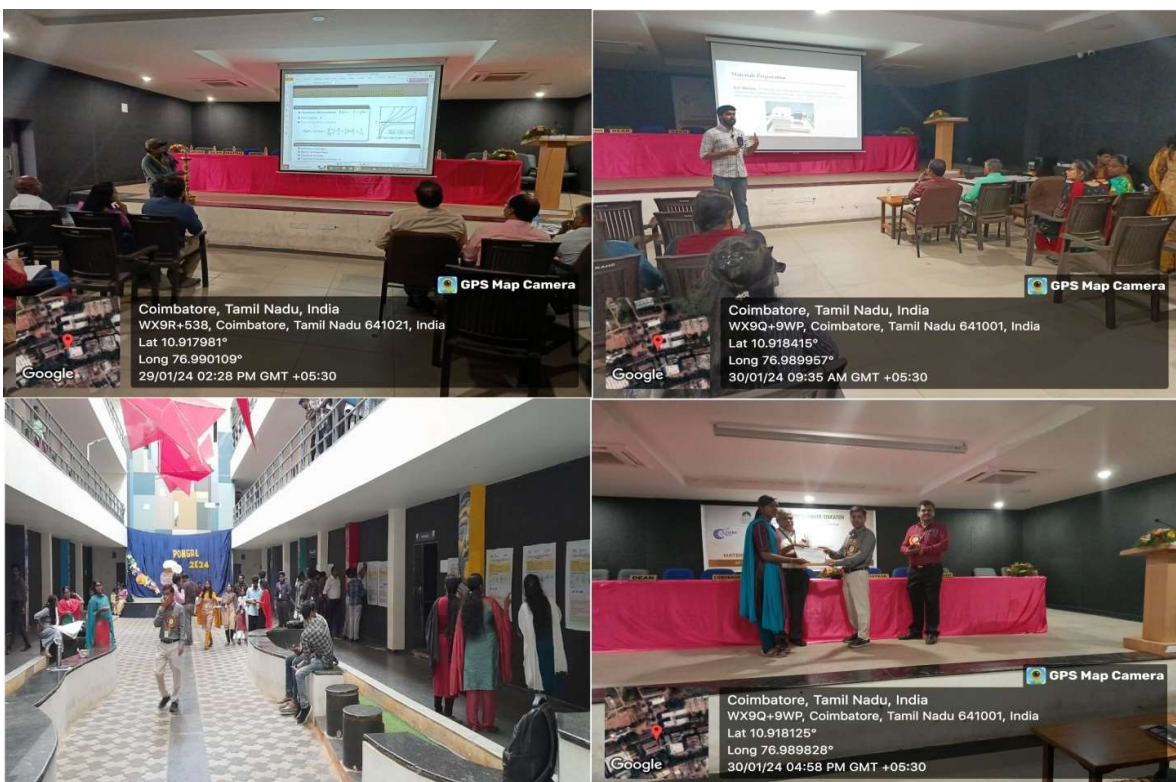

Inaugural Ceremony (ICRAMST'24)

Keynote sessions – Day 1(ICRAMST'24)

Keynote Sessions- Day 2 (ICRAMST'24)

Oral/Poster Presentations & Certificate Distributions (ICRAMST'24)

Department of Electronics and Communication Engineering conducted a seminar on ***Embedded Programming in C, C++*** on 30th January, 2024. **Mr. S. Ganesh Prabhu**, Engineer–Embedded Division Caliber Interconnects, Coimbatore was the resource person. Nearly 70 students and 2 faculty members participated and benefited by the seminar.

Seminar on “Embedded Programming in C, C++”

Department of Biotechnology, FASCM organized a One-day seminar on ***Design Thinking*** on 31st January, 2024. The Resource Persons of the day was **Capt. Dr. K. P. Sridhar** and **Dr. S. Basker**. **Capt. Dr. K. P. Sridhar** delivered the lecture on ***Idea to Design thinking for new product development*** and **Dr. S. Basker**, delivered a lecture on ***A Novelty of Design Thinking***. Overall, 40 students (UG & PG) participated in the event and got benefitted by the lecture. The main theme of the lecture was to gain insights into the design thinking in novel product development in Biotech sector. The resource persons briefly explained the prospective features of design thinking in Biotech sectors and its application process. At the end of the lecture program, students got familiarized in the concepts of novel product development and design thinking. The students raised various queries to the resource person regarding the patenting and finally got clarified with their queries.

Capt. Dr. K. P. Sridhar delivered a lecture on Idea to Design thinking for new product development

Department of Computer Science conducted a Workshop on ***Android Programming*** on 31st January, 2024 and 01 February, 2024. **Mr. A. Srinivasan** the Founder and CEO of Training Train Software Technologies and Domain was the resource person. He provided insights into design elements, colour schemes, typography, and user experience. Participants engaged in hands-on activities to apply design principles. A practical session on HTML tags and structure was done and participants created simple web pages using HTML and CSS. Participants interactively clarified their doubts in web designing tools.

Mr. A. Srinivasan handled his session on Web Designing and Hosting

Department of Electronics and Communication Engineering conducted a one-day seminar on *Trends and Innovation in CIENA 6500 using DWDM* on 31st January, 2024. The invited alumnus was **Mr. Varun Kumar R** (2013 – 2017 Batch), Commissioning Engineer at Oman International Telecommunication LLC Seeb, Muscat, Oman. He shared his experience in Optical fiber multiplexing technology using DWDM. The participants gained the knowledge about DWDM.

Alumni talk on “Trends and Innovation in CIENA 6500 using DWDM”

A one-day seminar on *Nanotechnology in Semiconductor Manufacturing: Current Trends and Future Prospects* was organized by the Department of Electronics and Communication Engineering, for the research scholars, faculty and students on 1st February, 2024. **Prof. Po-Ming Lee**, Professor, Department of Electronic Engineering, Southern Taiwan University of Science and Technology, Taiwan was invited as delegates to deliver lectures. Nearly 85 students from ECE and EEE participated and gained valuable information on IC package design tools, fabrication steps and circuit design using MOSFETS.

Seminar on “Nanotechnology in Semiconductor Manufacturing: Current Trends and Future Prospects”

Department of Electrical and Electronics Engineering hosted a seminar titled ***Recent Trends and Innovation in Power Converters*** on 02nd February, 2024. **Dr. S. Selvaperumal**, Professor and Dean, Mohamed Sathak Engineering College, delivered the special address on this day. He emphasized the advantages of the program in terms of placement opportunities within the field of Power Converters.

***Dr. S. Selvaperumal, Professor, Dean,
Research_Mohamed Sathak Engineering College delivered his lecture***

KAHE-IIC organized a national conference on ***Intelligent Biosystems for Healthcare Analytics (IBHA'24)*** on 02nd February, 2024. The objective of the conference was to provide platform for researchers, scholars, academicians and students to communicate and exchange ideas and research findings in biomedical engineering. **Dr. Sathish Muthu** MBBS, MS, FISS, FEIORA, FIRM, Ph.D, Orthopedic Surgeon, Assistant Professor, Government Medical College & Hospital, Karur was the invited expert of the day. A total of 54 peer reviewed papers have been published in the conference proceedings (IBHA'24).

Releasing of Conference proceedings

***Dr. Sathish Muthu, Orthopedic Surgeon, GMC
& Hospital, Karur delivered keynote address***

Department of Computer Science conducted a workshop on ***Web Designing and Maintenance*** from 05th to 07th February, 2024. They started the session by giving the introduction about the basics of web designing and hosting. They gave a brief discussion about the AI, Data Science Skills, Big Data, Software Programming, and discussed about the testing tools. The workshop was organized well received with enthusiasm and admiration by the students.

Resource Person addresses the students on 05.02.2024 his knowledge in the topic “Web Designing and Maintenance”

Third National Conference was conducted by the Department of Computer Science and Engineering on **Technical Innovation and Advancement in Computational Science (NCTIACS -24)** on 09th February, 2024. The keynote address was delivered by **Dr. D. Sudharson** Program Manager-Forge Innovations & Ventures, Coimbatore. This conference served as a platform for interesting opportunities to present and discuss the latest theoretical advances and real world applications in the multidisciplinary research field of Computing and Security.

Release of Proceedings

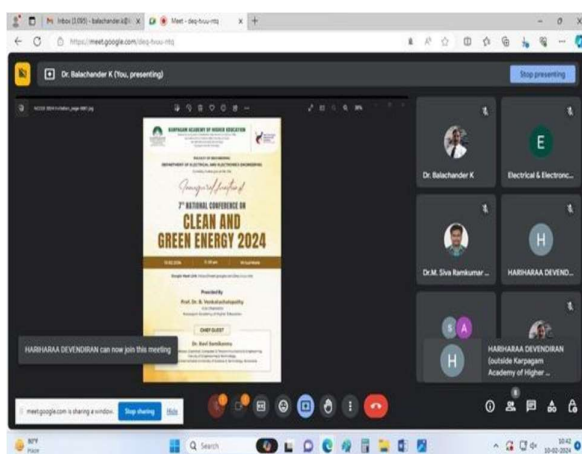

Student honoured with Best Paper Award

Department of Science and Humanities organized the National Conference on the **Role of Technology in Environmental Sustainability 2024 (RTES'24)** on 09th February, 2024. **Dr. S. Ravi**, Registrar, provided an overview of RTES'24. The inaugural address was given by **Dr. A. Amudha**, Dean of FOE, KAHE. The keynote address was delivered by **Dr. R. Jayaprakash**, Associate Professor and Research Coordinator in the Department of Chemistry at AVIT Campus, Chennai.

The conference proceedings released by the dignitaries

Department of Electrical and Electronics Engineering successfully hosted the 7th National Conference of *Clean and Green Energy* '2024 (NCCGE'2024) on 10th February, 2024, employing virtual technology to facilitate broad participation. **Dr. Ravi Samikannu**, an esteemed Associate Professor from the Faculty of Engineering and Technology at the Botswana International University of Science and Technology, Botswana, delivered the keynote session on *Smart Grid Technologies and Challenges*, offering a thorough exploration of the field's latest developments and potential obstacles. The conference attracted significant interest, with a total of 80 attendees representing diverse academic and professional backgrounds, enriching the depth of discussions. A total of 40 research papers were presented, covering an extensive range of topics related to clean and green energy. These presentations showcased cutting-edge research findings and innovative solutions in the field.

*Inaugural session of NCCGE 2024
on 19th February 2024*

*Keynote session of NCCGE 2024
by Dr. Ravi Samikannu*

A one-day *National Level Symposium (TECHFEST TRONIX 2K24)* was conducted by the Department of Electronics and Communication Engineering on 08th February, 2024. Paper presentation, Workshop, Quiz and Photography events has conducted.

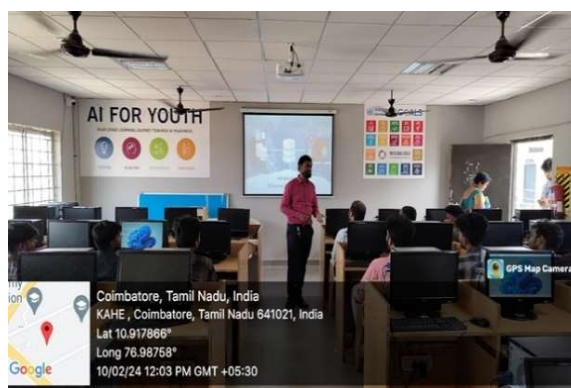

Events Registration

Valedictory photograph

Department of Computer Science and Engineering (Cyber Security) conducted a One-day workshop on 10th February, 2024. The speaker of the day was **Mr. V. Nagakarthish**, Senior Manager–Data Quality and ETL Projects.

***Conducting Workshop on “Oracle SQL” by Mr. V. Nagakarthik,
Senior Manager – Data Quality and ETL Projects to III CSD students***

Department of Computer Science and Engineering conducted a seminar on ***Capacity Building Program on Data Analyst*** on 13th February, 2024. The speaker of the day was **Mr. Maheswar Narayanan**, Senior Manager, Imarticus Learning Private Limited, Coimbatore.

Delivering the Industrial Seminar Capacity Building Program on Data Analyst by Mr. Maheswar Narayanan, Senior Manager, Imarticus Learning Private Limited Coimbatore

Department of Mathematics conducted a seminar on research methodology for faculty members and students, focusing on the topic of ***Interdependence of Multidisciplinary Research for Innovative Solutions*** on 14th February, 2024. The main objective of the seminar was to emphasize the critical need for collaboration among researchers from different disciplines, recognizing that innovative solutions often emerge at the intersection of various fields. A total of 76 students and 12 faculty members were participated and benefited from the session, gaining valuable insights into the interdependence of multidisciplinary research for innovative solutions.

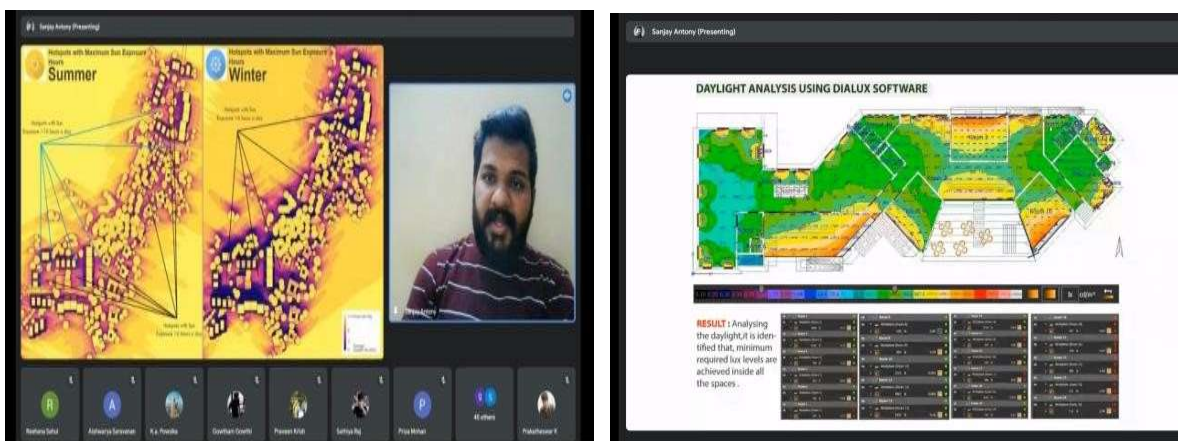

***Session Handled by Dr. M. Sridhar Muthusami, Associate Professor
in the Department of Biochemistry at KAHE***

Department of Biochemistry organized a Two-Day National Conference on ***Lifestyle Diseases and Management*** on 19th and 20th February, 2024. **Dr. Mukil Maruthamuthu**, Managing Director and Chief Executive Officer, Gut I Care, Coimbatore was the chief guest and inaugurated the conference and explained the dietary food changes needed for the healthy lifestyle. In the second session **Dr. Jancy Rani P. R.**, Associate Professor, Department of Sciences, Amrita Vishwa Vidyapeetham, Coimbatore was the resource person. She explained her keen research knowledge in 1000 daycare in prevention of lifestyle diseases. She described about the importance of folate and iron for the healthy wellbeing. **Dr. Sulaiman C. T.**, SR Scientist, Phytochemistry, Centre for Medicinal plants Research, Arya Vaidya Sala, Kottakkal was the resource person for the third session. In his lecture he explained the phytochemical screening methods and authentication of raw and final herbal medicines. A total of 200 members attended the conference and presented research and review articles and best papers were awarded.

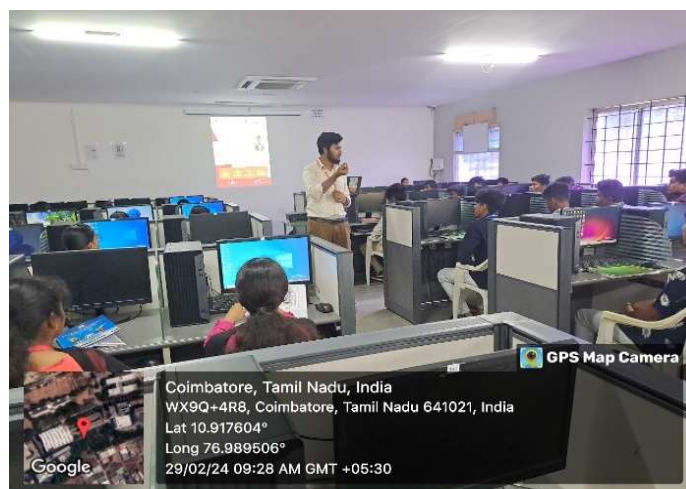

The Faculty of Architecture Design and Planning organized an informative webinar titled ***Building Performance Analysis*** with the alumni on 24th February, 2024. **Ar. Sanjay Antony** (2017 B.Arch graduate) a M.Arch, SPA, Vijayawada, was the speaker for the session.

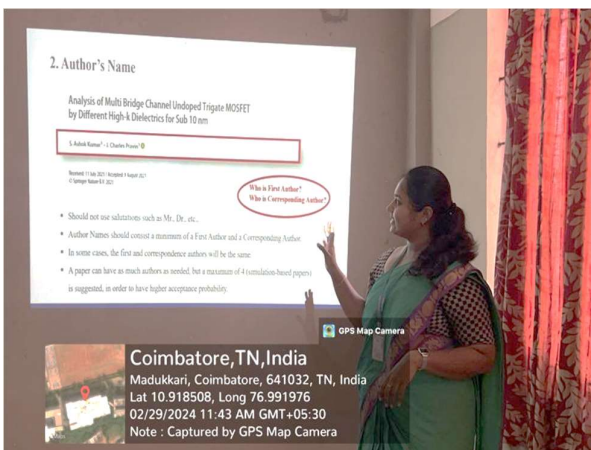

Department of Computer Technology conducted a One Day Seminar on ***Latest Innovations in Blockchain and Cryptocurrency*** on 29th February, 2024. The invited expert was **Mr. Mohamed Ibrahim. J.**, Software Engineer, Accent Techno Soft, Coimbatore. The speaker demonstrated his knowledge on how Blockchain the technology enables the existence of

cryptocurrency. He shared his vast knowledge on deeper dive into cryptocurrencies, overview of blockchain in financial services for Students. He also gave idea to students how to open startups based on students' innovative ideas. The Seminar was well received with admiration by the students.

Expert was Mr. Mohamed Ibrahim. J, Software Engineer, Accent Techno Soft, Coimbatore

Department of Electronics and Communication Engineering in association with IIC organized a One Day Workshop on *Art of Writing* on 29th February, 2024. **Dr. S. Ashok Kumar, Dr. T. Sivaprakasam** and **Ms. E. J. Priyadharsini**, Assistant Professors, Department of ECE, Karpagam Academy of Higher Education, Coimbatore the resource persons. Nearly 68 students participated in the workshop. The resource persons gave detailed explanation on writing journal paper.

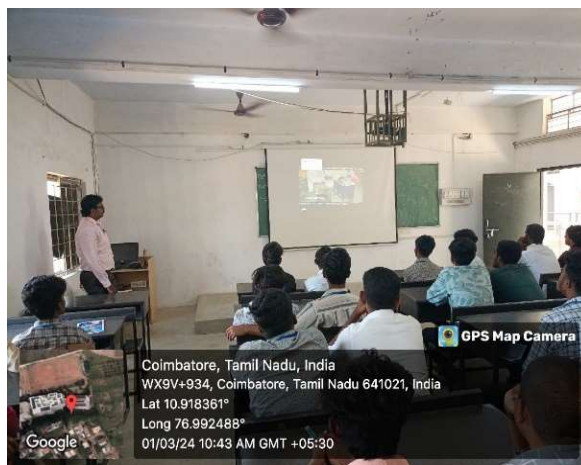

Workshop on "Art of Writing"

A one-day seminar was conducted by the Department of Mechanical Engineering titled *Performance Testing and Reconditioning of IC Engines* on 01st March, 2024. The resource person of the day was **Mr. A. Keeran**, B.E. Alumni (2015-2018), Senior Manager, Super Speeds Private Limited, Uppilipalayam, Coimbatore. He shared about finding the performance characteristics of an engine like indicated power, brake power, brake specific fuel consumption, exhaust emissions, cooling of the engine, maintenance-free operation, etc. Nearly fifty students got benefited.

The resource person was honored with a Memento

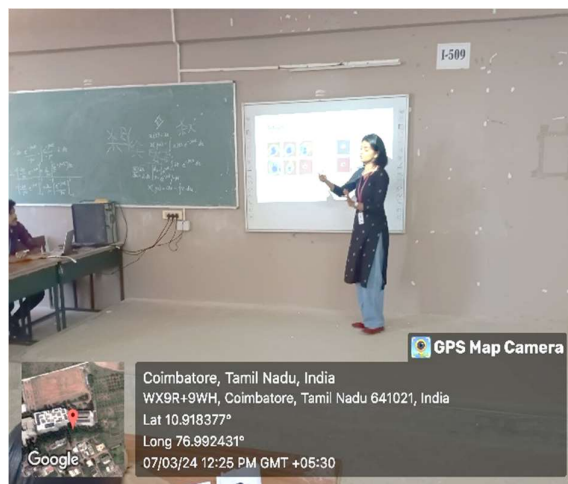

Session on "Performance Testing and Reconditioning of IC Engines"

An International Conference on *Challenges and Scopes in Information and Communication Engineering* in hybrid mode was organized by the Department of Electronics and Communication Engineering on 07th & 08th March, 2024. The Chief Guest of the day was **Mr. Harigokul Shanmugam**, Specialist at Bosch Global Software Solutions, Coimbatore. He inaugurated and delivered the keynote address. He shared his experience and challenges faced in communication engineering. 120 participants attended the event and presented the papers in conference.

Guests releasing souvenir of International Conference at ICCSICE

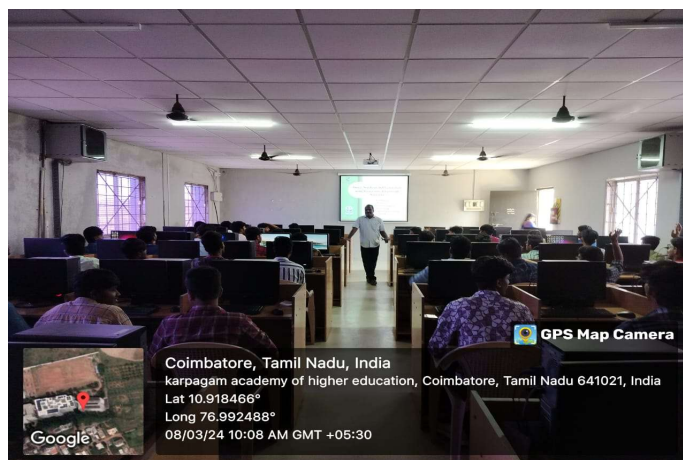

Participants actively presenting the paper

Department of Computer Science conducted the Seminar on *Achieving Problem Solution Fit and Problem Market Fit* on 08th March, 2024. The seminar was started with the awareness about the startups and recent technologies necessary for the upcoming years. They gave brief description about the application, market size, Growth of the population, Virtual Reality, Target Segmentation of the people, Marketing Strategies, growth of the technology in future as the market necessary needs towards the organization. Market Share towards the upcoming developed area in IT Industries as well as other organization sector.

Resource Person Sharing his knowledge in the topic “Achieving Problem Solution fit and Problem Market fit” on 08-03-2024

Department of Computer Science and Engineering conducted a Workshop on ***Image Synthesis and Generation using Generative Adversarial Networks with Hands-on training*** on 08th March, 2024. The speaker of the day was **Dr. P. Natesan**, Professor, Department of Information Technology, Kongu Engineering College, Perundurai. The session aimed to provide a comprehensive understanding in the field of Artificial Intelligence, not just for their innovative methods in generating and enhancing data.

Introduction of Chief Guest Dr.P.Natesan, Professor, Department of Information Technology, Kongu Engineering College, Perundurai by Dr.K. Vanitha, Associate Professor, CSE

Department of Mechanical Engineering conducted a Conference on 11th March, 2024. The invited expert for the day was by **Mr. N. Sampathkumar**, B.E. Deputy Manager-Design, Oriental Plants & Equipment's Limited (OPEL), Uppilpalayam, Coimbatore. The special address for the first day was given by **Mr. J. Abdullah**, CAE Specialist & Chief Technical Officer, Coimbatore CAD Solutions Pvt. Ltd, Coimbatore on ***Beyond Basics: Advanced Techniques in Solid Works Modeling***, He covered the various advanced techniques that are used in Solid Works for 3D modelling. The second session for the first day was handled by **Mr. S. Aravind**, Assistant Professor, Department of Mechanical Engineering, Karpagam Academy of Higher Education on ***Product Design using SolidWorks***. He covered how Solid Works is employed in the product design field with a suitable case study.

Forenoon Session on "Beyond Basics: Advanced Techniques in SolidWorks Modeling" presented by Mr. J. Abudullah

Conference was inaugurated by Prof. Dr. S. Ravi Registrar by lighting the lamp

A webinar entitled ***Entrepreneurial Ventures in Structural Engineering*** was jointly organized by Karpagam Academy of Higher Education Alumni Association (KAHEEA) and the Department of Civil Engineering on 14th March, 2024.

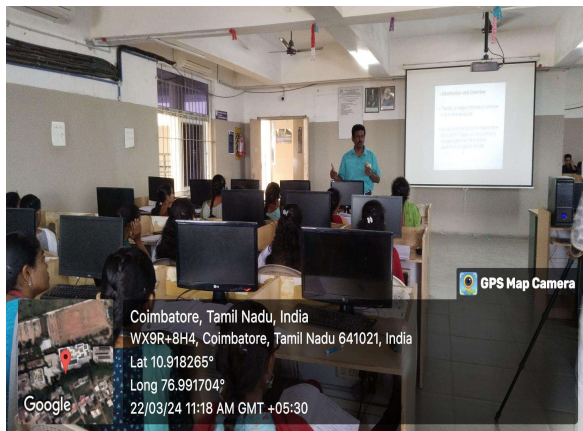

The Resource Person Mr. K. Angu Senthil presented various software used in Civil Engineering for Structural Analysis

Department of Electrical and Electronics Engineering organized a 3 days' workshop on ***Arduino and its IoT Applications*** from 20th to 22nd March, 2024. **Er. T. Ramesh** and **Mr. A. Prasath** from Triox Technology were invited as delegates to conduct the training program. The primary objective of this training program was to develop hardware models using IoT and Arduino technologies.

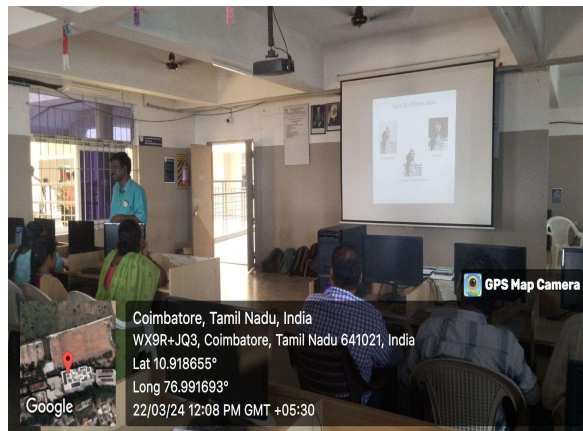

Three days' workshop on "Arduino and its IoT Applications"

Department of Biomedical Engineering organised a Seminar on *Application of Image Compression in Telemedicine* on 22nd March, 2024. The objective of this guest lecture was to educate students about the application of image compression and its usefulness in telemedicine. **Dr. P. Sivakumar**, Professor, Department of Electronics and Communication Engineering, Dr. N.G.P Institute of Technology, Coimbatore was the resource person. During the session, the resource person discussed about the methods used for image compression and its effects on preserving the image properties. He also discussed the principles of telemedicine and the effect of image compression in the area of telemedicine.

Expert providing insights to the students about the need of image compression for telemedicine

The subject expert discusses on the effect of image compression methods in preserving the properties of images and its impact on telemedicine

The Indian Institute of Interior Design (IIID) and the Faculty of Architecture, Design, and Planning jointly conducted a seminar on *Concept Design in Architecture* on 23rd to 26th March, 2024. The event's goal was to give students a better grasp of the conceptualization process for architectural projects. Architect Nalla Krishna was the invited speaker of the day, and he provided a wealth of expertise and experience. He talked about his well-known designs and provided a perceptive summary of the challenges involved in architectural conceptual design.

Guest Lectures

Department of Electronics and Communication Engineering organized a Guest Lecture on ***Emerging Trends in VLSI Technology*** on 24th January, 2024. The resource person for the day was **Dr. N. Vijayalakshmi**, Associate Professor, Sri Krishna College of Engineering, Coimbatore. The objective of the lecture was to enhance the student's knowledge in the field of VLSI technology. She delivered the lecture about concepts of trends in VLSI technology with associated applications.

Snapshots of Guest Lecture on “Emerging Trends in VLSI Technology”

Department of Computer Science and Engineering conducted a workshop for the students on 30th January, 2024 under the title of ***Exploring Deep Neural Network Applications with Hands-on Training***. The speaker for the session was **Dr. K. Veningston**, Assistant Professor, Department of Computer Science and Engineering, National Institute of Technology, Srinagar, Jammu & Kashmir.

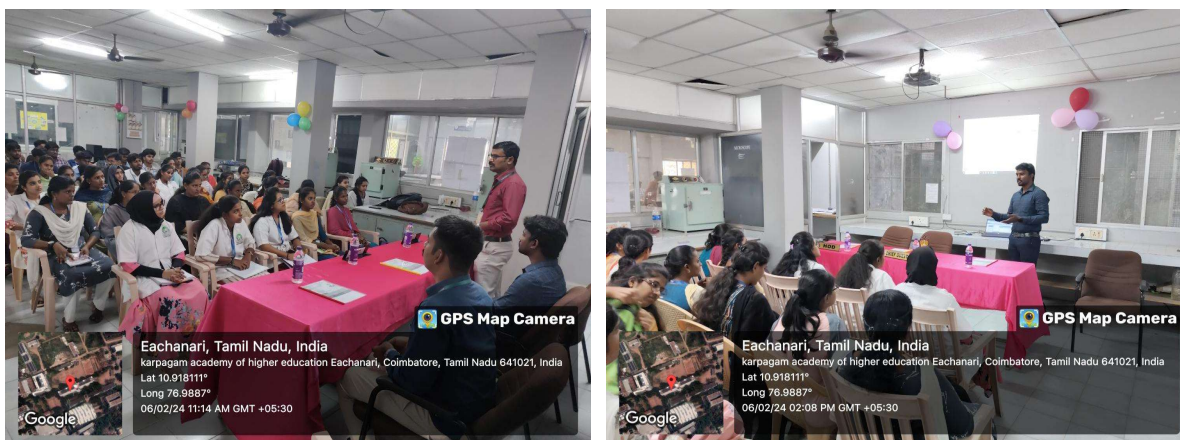

Department of Computer Science and Engineering conducted a Guest Lecture on ***CPU Scheduling and Deadlocks*** on 31st January, 2024. The invited speaker was **Dr. C. N. Vanitha**, Associate Professor, Department of CSE, Kongu Engineering College, Erode.

Introduction of Chief Guest Dr. C. N. Vanitha, Associate Professor, Department of CSE, Kongu Engineering College, Erode by Dr. K. Vanitha, Associate Professor, CSE

Department of Biotechnology, FASCM organized a One-day Guest Lecture cum Hands on training on ***Entrepreneurial Opportunity in Medical Coding Sector*** on 06th February, 2024. The Resource Person for the day was **Mr. A. Arulmanojpradeep**, Access Healthcare, Coimbatore. Overall, 42 students (UG) were participated in the training program and got benefitted through the hands-on training. The main theme of the lecture is to gain insights into the Entrepreneurial Opportunity in Medical Coding sector. The resource persons briefly explained the prospective features of medical coding and its application process. At the end of the lecture program, students get familiarity in the concepts of Medical Coding. The students raised various queries to the resource person regarding the Codes used in the medical Coding sector and finally get clarified with their queries.

Mr. A. Arulmanojpradeep delivered a lecture on Entrepreneurial Opportunity in Medical Coding Sector

Department of management conducted a special talk on ***Portfolio Management*** on 12th February, 2024. The chief guest of the event was **Dr. Sadhanandhan H. D**, Assistant Professor, Department of Commerce, PSG College of Arts and Science, Coimbatore. The resource person explained about the creating awareness of financial literacy, investing in financial products and managing personal finance, a detailed explanation was given about developing a sound portfolio by picking out the right and diversified blend of stocks, insurance, bonds and mutual funds. Method of selecting financial products based on risk categories were also discussed with students.

Department of Biotechnology, FASCM organized a one-day Guest Lecture on ***Entrepreneurial Opportunity in Biotechnology Sectors*** on 12th February, 2024. The Resource Persons were **Dr. R. Rajesh** and **Dr. R. Ranjith Kumar** delivered the lecture on “Entrepreneurial Opportunity in Biotechnology Sectors”. Overall, 45 students participated in the event and got benefited through this lecture. The main aim of the lecture is to gain insights into the Entrepreneurial Opportunity in Biotech sector. The resource persons briefly explained the prospective features of capacity building and Entrepreneurial Opportunity in Biotech sectors and its application process. At the end of the lecture program, students get familiarize in the concepts of Entrepreneurship. The students raised various queries to the resource person regarding the Entrepreneurship and finally get clarified with their queries.

***Dr. R. Ranjith Kumar delivered a lecture on
Entrepreneurial Opportunity in Biotechnology Sectors***

Department of Management conducted Industry Expert Talk on ***Production and Marketing Secrets for Organic Farming*** on 13th February, 2024. The guest speaker of the event was **Dr. N. Rajesh Kumar**, Motivational Speaker, Entrepreneur, Dindigul.

Department of Mechanical Engineering and KAHEAA jointly organized an Alumni Guest Lecture on ***Entrepreneurship Development in the Field of Design*** on 26th February, 2024. **Mr. P. Karthikeyan**, (2008 – 2011) passed out, BE – Mechanical Engineering and (2012 – 15) ME – Manufacturing Engineering, Proprietor, FE & TECH (Explore the Identity), Coimbatore was the Alumni Resource Person. In his talk, he shared information on entrepreneurship, startups, industrial development, and the importance of design.

Resource person, Mr. P. Karthikeyan interacted with students

Department of Computer Science and Engineering conducted a Guest Lecture on ***UML Test Cases*** on 26th February, 2024. The speaker of the day was **Dr. V. Praveena**, Professor, Department of CSE, Dr.N.G.P. Institute of Technology, Coimbatore.

*Delivering the Guest Lecture on “UML Test Cases” by Dr. V. Praveena,
Professor, Dr.N.G.P. Institute of Technology, Coimbatore*

An Guest Lecture was organized to ***celebrate National Science Day*** by the Department of Science and Humanities in association with Karpagam Innovation and Incubation Council (KIIC)-KAHE on 28th February, 2024. The Resource Person of the day was **Dr. A. Balasubramanian** Ph.D., Dean of Forestry at Forest College and Research Institute, Mettupalayam, Coimbatore. He delivered a keynote address on “Journey Towards Optimal Innovation in Science.”

*Dr. A. Balasubramanian, Dean of Forestry at Forest College and Research Institute,
Mettupalayam, Coimbatore, will be delivering a lecture*

Department of Computer Science and Engineering conducted a Guest Lecture on *Modernizing Collaboration: Exploring the Intersection of Databases, Cloud Computing and Virtualization* on 1st March, 2024. The invited speaker was **Dr. Padma Selvaraj**, Professor, Department of CST, Madanapalle Institute of Technology & Science, Andhra Pradesh. The session aimed to provide a comprehensive understanding of the critical concepts related to Modernizing Collaboration: Exploring the Intersection of Databases, Cloud Computing and Virtualization in Cloud Computing.

Department of Computer Science and Engineering conducted a Guest Lecture on *Exploring Transaction Management and Concurrency Control in Database Systems* on 20th March, 2024. The speaker of the day was **Dr. R. Manjula Devi**, Professor, Department of Computer Science and Engineering, KPR Institute of Engineering and Technology, Coimbatore. The session aimed to provide a comprehensive understanding of transaction management and concurrency control in database systems. The lecture covered fundamental concepts, advanced techniques, real-world applications, and future trends in this domain.

Internal Quality Assurance Cell

Research Day Celebration

In an effort to enhance the scientific temper and innovative outlook of the faculty of KAHE, the Internal Quality Assurance Cell took an initiative to reward the faculty members who have contributed to the publication of research articles in Scopus and Web of Science indexed journals, books, book chapters, patents, consultancy and funded projects in *Research Day*.

In the year 2024, Research Day was celebrated on 1st March, 2024, at 3 p.m. at Thirumanthiram Hall. The program was started with an invocation to the Almighty. **Dr. S. Ravi**, Registrar, welcomed the dignitaries and the gathering. He shared his thoughts on research, saying that Higher Education Institutions (HEIs) are now focusing on both qualitative and quantitative research and that it must solve the existing problems in society. He also added that the establishment of Centres of Excellence in KAHE is paving the way for researchers.

Following the welcome address, **Dr. V. Parthasarathy**, Dean of R&D and Industrial Relations read the Research Activity Report for 2023. He shared the details of the seed money sanctioned, the establishment of research centres and the procurement of software exclusively for research. He thanked the management for sanctioning ₹ 1.26 Crores as a token of appreciation for the contributions made by the faculty members in research.

In his presidential address, the Chancellor, **Prof. K. Ramasamy**, welcomed the chief guest, **Mr. S. R. Dhinesh Khanna**, Global Head - Customer Success, Zoho Corporation, Chennai, and other revered audience members. He highlighted that Research Day is an excellent opportunity for the scientific community to showcase their accomplishments and impactful research.

Dr. R. Vasanthakumar, President of KAHE delivered the inaugural address. He insisted that the faculty members should view teaching and research as their two eyes for progressing in their careers. He appreciated the efforts taken by the faculty members towards their contribution to the research and encouraged them to carry out extensive research to resolve societal problems. He further stated that KAHE has made significant progress in its research and has emerged as the leading university in the region.

The Chief Guest, **Mr. S. R. Dhinesh Khanna**, Global Head-Customer Success, Zoho Corporation, Chennai, in his Research Day Address dealt with the changing horizons of the education industry because of emerging technologies such as online teaching aids, artificial intelligence, etc. In addition, he addressed the importance of research and commented that it is time to showcase research using technologies and to make innovation a way of life.

During the felicitation, **Dr. B. Venkatachalapathy**, Vice-Chancellor, KAHE pointed out that the Science and Technology are the driving forces for the economic development of India and we need to encourage young scholars by providing a vibrant and conducive research environment. He added that expanding the frontiers of knowledge by triggering interest among students must be the priority of the institutions and focus should be on translational research with societal applications through collaborative research to make our nation a global leader. He also stated that the demand and scope for start-ups is high in India.

After the felicitation, the awards were distributed to the eligible faculty members. In total, 265 faculty members were rewarded. The program came to an end with a vote of thanks by **Dr. N. V. Balaji**, Dean, Faculty of Arts, Science, Commerce and Management followed by the National Anthem.

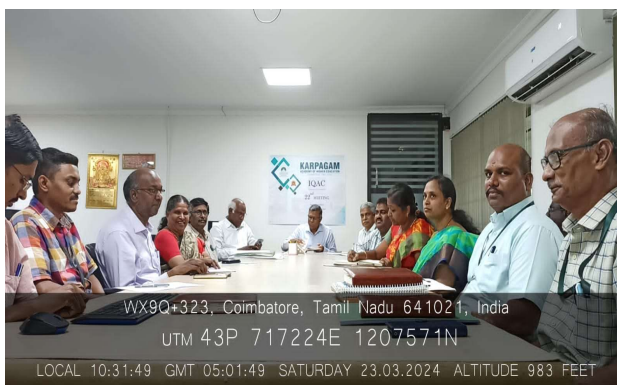

Participants of the Research Day function

IQAC Meeting

The Twenty Second Meeting of IQAC was held on 23rd March, 2024 at Vice - Chancellor's Chamber at 10:30 am.

The Participants of 22nd Meeting of IQAC (23-03-2024)

Memorandum of Understanding

From January to March, 2024, 14 Nos. of Memorandum of Understanding (MoU) were signed.

SI No.	Name of the Company /Institution	Date of signing MoU
1.	XLscout Xlpat Pvt Ltd, Chandigarh	02.01.2024
2.	Surrya Builders, Salem	10.01.2024
3.	National Institute of Disaster Management, New Delhi	10.01.2024
4.	Foxconn Hon Hai Technology India Mega Development Private Limited, Chennai	11.01.2024
5.	Yardstick Digital Solutions, Coimbatore	11.01.2024
6.	Centre for Research on Molecular & Applied Science P Ltd, Kerala	12.01.2024
7.	Central Reserve Police Force (Represented by the Deputy inspector general, GC CRPF, AVADI)	18.01.2024
8.	R.R Industries, Karnataka	29.01.2024
9.	Robomatiic, Coimbatore	06.02.2024
10.	New Technology Institutions, Coimbatore	06.02.2024
11.	Welding Research Institute, Tiruchirappalli	14.02.2024
12.	iDigiSoft Technologies Pvt Ltd, Coimbatore	16.02.2024
13.	Keimyung University, South Korea	04.03.2024
14.	Tamilnad Constructions, Karur	18.03.2024

Alumni Association (KAHEAA)

Alumni Interaction

Department of Computer Technology organized an Alumni Interaction Session on **Innovation in DevOps Applications** on 31st January, 2024. The Alumnus, **Mr. M. Karthick** (BSc IT 2017), DevOps Engineer, Pinnacle Seven, Coimbatore was the Alumni Resource Person. 77 students attended the session. The alumnus provided awareness regarding the latest innovations in DevOps Applications. He also motivated the students to learn about DevOps and shared placement opportunities, roles, and responsibilities of DevOps experts. The session helped students to gather new ideas about the recent trends and technologies in the IT field.

Felicitating our Alumni with a Memento

Alumni Interacting with our students

Department of Computer Science and Engineering organized an Alumni Interaction Session on **AI in Software Testing** on 31st January, 2024. **Mrs. Infanta Abinaya K**, batch (2011 – 2015), Software Testing Engineer, Park Global HR Services Private Ltd, Coimbatore, was the Alumni Resource Person. She discussed how Software Testing was being revolutionized with the application of Artificial Intelligence (AI). The efficiency, accuracy, and speed of Software Testing have improved by leaps and bounds as a result. The Alumni Resource Person also shared the challenges faced by traditional Software Testing methods in keeping pace with rapidly evolving software applications. The students were given awareness about how Artificial Intelligence (AI) revolutionized Software Testing in this Alumni Talk session. Total beneficiaries of the program- 62 - B.E. (II-CSD).

Infanta in her interaction

Department of Computer Science and Engineering organized an Alumni Interaction Session on ***Scope of Data Analytics*** on 01st February, 2024. **Mr. Ashik D**, batch 2017 – 2020, Technology Process Executive (Data Analyst), Silicon India, Bangalore was the Alumni Resource Person.

Mr. Ashik D, batch (2017 – 2020), delivering Alumni Interaction Session on “Scope of Data Analytics”

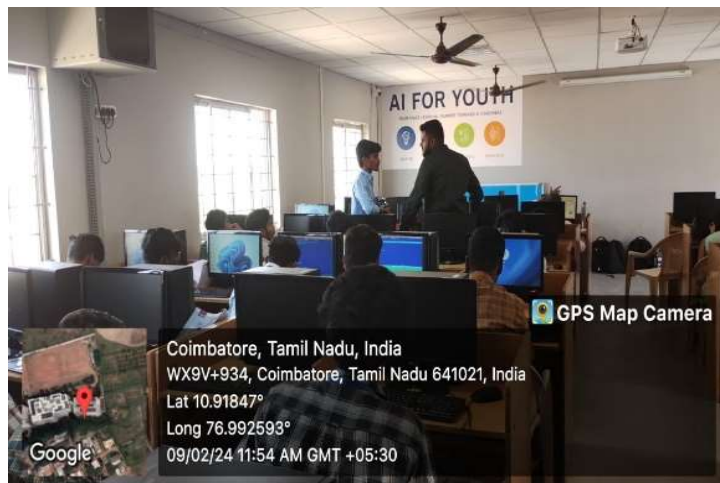

Department of Computer Science and Engineering organized an Alumni Interaction Session on ***Scope of Data Analytics*** on 01st February, 2024. **Mr. Ashik D**, CSE batch 2017–2020, Technology Process Executive (Data Analyst), Silicon India, Bangalore was the Alumni Resource Person. He discussed how Data analytics empowered businesses to gain a deeper understanding of their customers' preferences, behaviors, and needs. By analyzing customer data, companies can personalize their offerings, improve customer experiences, and enhance customer satisfaction, ultimately leading to increase loyalty and retention. Total beneficiaries of the program was 47 - B.E. (II-CSE ‘B’).

Alumni Interaction with the Students

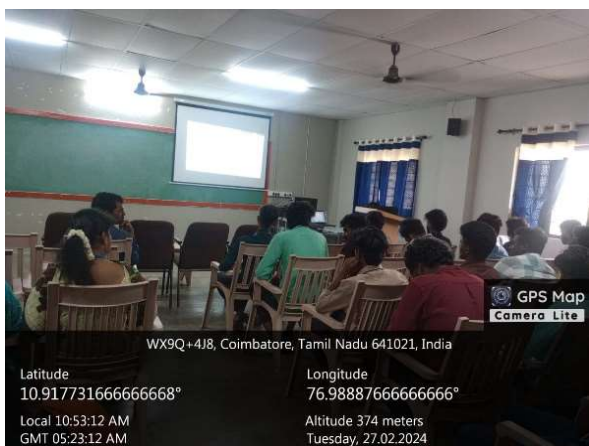

Department of Computer Science and Engineering organized an Alumni Interaction Session on ***Building Resilience*** on 09th February, 2024. **Mr. J. Godwin**, batch (2017 – 2021), Ship Operations Coordinator, Sharaf Shipping LLC, Dubai was the Alumni Resource Person. His talk provided an overview on building resilience and emphasized promoting psychological and

emotional well-being among individuals and communities. He stressed that building resilience at the individual level could enhance overall community resilience by strengthening the capacity of people to cope with stress and adversity. Total beneficiaries of the program were 58-BE (II-CSD).

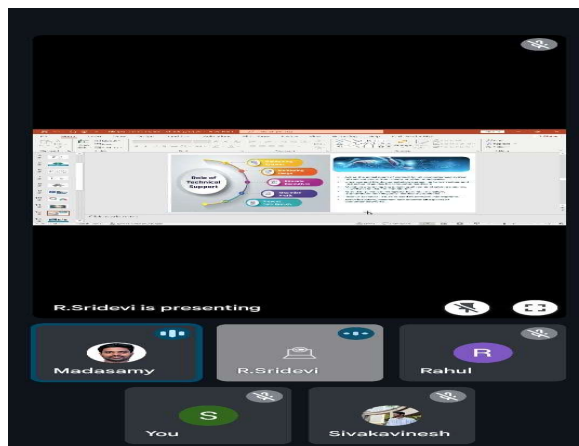

Students having an Interactive Session with the Alumnus

Department of Computer Science organized an Alumni Interaction on *Glimpses on Information Security* on 27th February, 2024. **Mr. Madasamy Chinnakutty** (BSc ECS, 2012) Assistant Manager, SBI, Navi Mumbai, Maharashtra, India was the Alumni Resource Person. In his talk, the students came to know about advanced technologies, Software Development Platforms, Testing, Infrastructure Support, and Communication Systems opportunities in the IT sector. 53 students attended the program.

Students actively participated

Resource person delivering his speech

Department of Computer Applications organized an Alumni Interaction Session on *Innovation in GIT OPS: Revolutionizing Deployment Workflows* on 16 March, 2024. **Ms. S. R. Abinaya**, 2020 passed out BCA, shared her campus interview experience—gave tips to students on how to become efficient through learning the basics of corporate communication, managing time, and the mind-set shift that is required, and how to prepare for Aptitude Test, Group Discussion, Technical Round, and HR Round in Campus Interviews. Students gained knowledge about preparation for on-campus placement drives. She also gave tips for getting placement in top MNCs like TCS, Infosys, Wipro and CTS.

Alumni Talk

Department of Mathematics conducted an alumni talk on *Global Math Opportunities for Graduates* in association with the Karpagam Academy of Higher Education Alumni Association (KAHEAA) on 14th March, 2024. The major goals of this session were to inspire students to apply for higher studies abroad and to improve job opportunities. The speaker gave clear instructions on how to apply for higher studies and how to get employed while studying abroad. The students were able to learn about job opportunities in foreign countries. **Mr. S. Dharun** B.Sc., M.S, a former student and currently employed with R & A Inventive Limited, Barnsley, United Kingdom was the Alumni Resource Person. Thirty-five students and Thirteen faculty members benefited from this talk.

The Alumni Resource Person delivering his talk through online

An Alumni Talk entitled *Practical Utilization of Strength of Materials in Real World Situations* was jointly organized by the Karpagam Academy of Higher Education Alumni Association (KAHEAA) and the Department of Civil Engineering on 18th March, 2024. This session emphasised the importance of strength analyzation of structural member to succeed in the field of Structural Engineering.

Dr. M. Natarajan, Professor/Civil, presented memento to the resource person

The Resource Person Dr. P. Sivakumar, explains the practical behavior of structural member

Alumni Guest Lecture

Department of Mechanical Engineering and KAHEAA jointly organized an Alumni Guest Lecture on ***Entrepreneurship Development*** in the Field of Design on 26th February, 2024. **Mr. P. Karthikeyan**, (2008 – 2011) passed out, BE – Mechanical Engineering and (2012 – 15) ME – Manufacturing Engineering, Proprietor, FE & TECH (Explore the Identity), Coimbatore was the Alumni Resource Person. In his talk, he shared information on entrepreneurship, startups, industrial development, and the importance of design.

Resource person introduced by organising Secretary

Resource person, Mr. P. Karthikeyan interacted with students

A Guest Lecture was organized by the Department of Mechanical Engineering Department on ***Quality Control and Reliability Engineering – Industrial Engineering*** on 11th March, 2024. The invited guest was **Ajay S**, (BE Mechanical Engineering (PT) 2023), Manufacturing Engineer, Alstom Transport India Limited, SH 163, S. N. Palayam, Coimbatore. He covered the various kinds of Industrial Engineering concepts. All the students were benefitted by the programme.

The Alumni Resource Person being honored with a memento

Session on "Industrial Engineering" Presented by Mr. S. Ajay

Department of Electrical and Electronics Engineering, in partnership with the Karpagam Academy of Higher Education Alumni Association (KAHEAA) conducted an **alumni motivational talk** on 28th March, 2024. The speech was delivered by **Mr. Naveen J. P** (Batch 2016) software testing engineer, Jasmin Infotech, Chennai.

Alumni Inaugural Function

Department of Mechanical Engineering organized a **National-Level Technical Fest.** by the Chief Guest **Mr. P. Vivek**, (BE Mechanical Engineering (PT) 2023), Head – Supply Chain, G&C Valves India Pvt Ltd., Coimbatore on 09th February, 2024. The Chief guest of the day was **Mr. P. Vivek** shared information on the importance of industrial internships, extra-curricular activities, co-curricular activities, and final project work during the four-year study period.

The lighting of Kuthuvizhalakku by Chief Guest, Mr. P. Vivek

KAHE Chennai Chapter Meet Report

The Chennai Chapter of the KAHE Alumni Association met at 10 am, on Saturday, 23rd March, 2024.

Centre for Career Counselling and Competitive Examinations

Centre for Career Counselling and Competitive Examinations in collaboration with JV Associates and Academy jointly organized **Training Programme for Banking Examination** on 08th January, 2024. Totally 445 students actively participated in this inauguration of Banking Examination Training programme. **Dr. J. Vanangamudi**, Managing Partner and CEO of JV Associates and Academy was the chief guest for the programme. The Chief Guest discussed on the Introduction about quantitative aptitude topics and explained about how to approach Competitive exams in the easiest way and also gave tips for time management for Competitive Exam. **Dr. E. Sivasenthil**, Head, Centre for Career Counselling and Competitive Examinations proposed the vote of thanks. The session successfully came to an end with National Anthem.

Mr. R. Essakimuthu, welcomed the gathering

Aspirants listening to the session

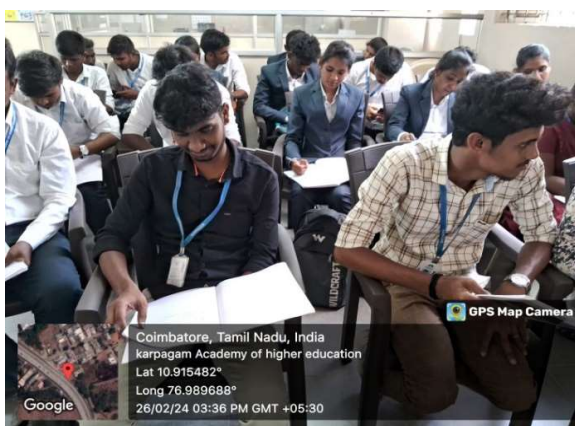

Dr. J. Vanangamudi, inspiring the gathering

Ms. Sharmila explained the time and management

Department of Electrical and Electronics Engineering, in partnership with the Karpagam Academy of Higher Education Alumni Association (KAHEAA) and the Center for Career Counseling and Competitive Examinations, hosted an alumni discussion on **Exploring Career Paths for Electrical Engineers** on 10th January, 2024. The session was led by **Er. G. Balachander** (Batch- 2019), a Product cum Testing Engineer at Piaggio Vehicles Pvt. Ltd. in Chennai.

Centre for Career Counselling and Competitive Examinations organized a **4th Phase TNPSC Group Exams Training Programme** from 29th January, 2024 to 26th February, 2024. Totally 83 students registered and actively participated in this programme.

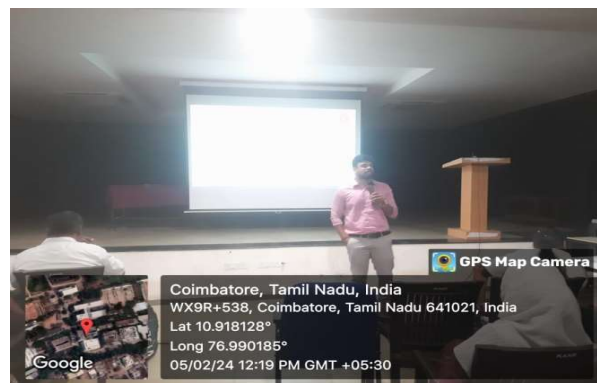

4th Phase TNPSC Group Exams Training Programme

Centre for Career Counseling and Competitive Examination in association with Faculty of Arts, Science, Commerce and Management and Faculty of Engineering organized a guest lecture **Civil Service as a Career Option** on 05th February, 2024. Totally 365 students participated in this civil service as a career option Session. **Mr. A. Ramesh Aditaya**, Head-Strategy, Shankar IAS Academy, Chennai and **Mr. M. Gangatharan**, M.Tech, Coordinator-SSC & Banking, Coimbatore were the chief guest of the programme. The entire session was about the overall glance on UPSC, TNPSC, SSC and Banking.

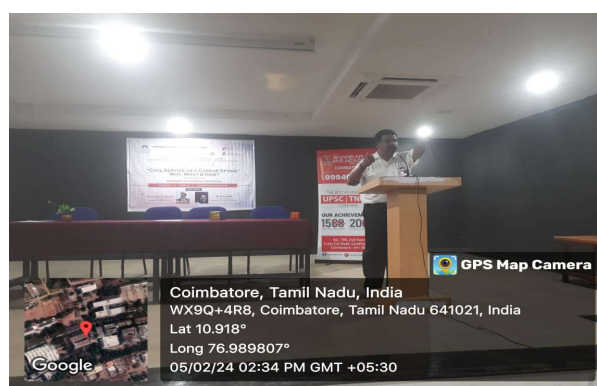

Presidential address did by Dr. S. Ravi, Registrar, Karpagam Academy of Higher Education

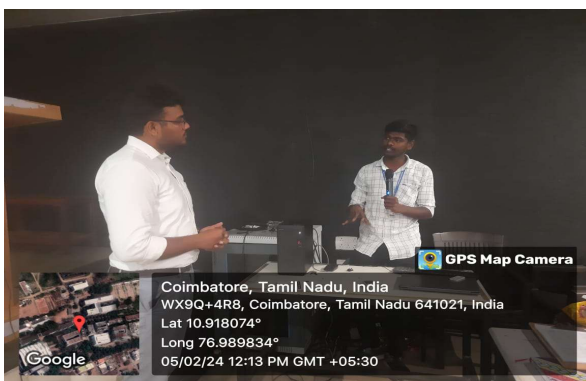

Mr. M. Gangatharan delivered his lecture on Banking

Memento Session

Mr. A. Ramesh Aditaya delivered his lecture on Civil Service

Mr. Kiran Tony delivered his lecture on UPSC

Ms. P. Jayapradha, Assistant professor, Proposed Vote of thanks

Centre for Career Counselling and Competitive Examinations in association with Department of Computer Applications, Department of Computer Science and Shankar IAS Academy, Coimbatore organized a ***One Day Career Counselling Programme for SSC & Banking programme*** on 14th February, 2024. Totally 200 students actively participated in this programme. **Mr. A. Sathish**, Faculty of SSC & Banking, Shankar IAS Academy, Coimbatore was the chief guest of the programme. The Chief Guest, **Mr. M. Gangatharan**, Coordinator – SSC & Banking, Shankar IAS Academy Coimbatore gave orientation about the upcoming opportunities in the Competitive Exam like Bank, SSC TNPSC insurance railways motivate the students. In program, upcoming exams dates, age limits, postings and vacancies are discussed.

**Ms. A. Vinitha, Assistant Professor,
Department of Computer Science, KAHE**

Aspirants keenly listening to the Session on 14.02.2024

**Memento was presented by Head
Department of CS & CA**

**Mr. M. Gangatharan, Coordinator – SSC & Banking,
Shankar IAS Academy Coimbatore**

Centre for Career Counselling and Competitive Examinations and the Department of Computer Science in collaboration with Shankar IAS Academy, Coimbatore conducted a **One Day Orientation programme** on 14th February, 2024. **Mrs. J. Christlavanya** Branch Manager, Veranda RACE Academy, Coimbatore was the chief guest of the programme. The Vice-Chancellor **Dr. B. Venkatachalapathy** delivered the presidential address. The Chief Guest gave orientation about the upcoming opportunities in the Competitive Exam like Bank SSC, TNPSC insurance railways in program, upcoming exams dates, age limits, postings and vacancies are discussed students are very interactive and eager about this ceremony. Totally 200 students actively participated in this programme.

**Dr. S. Ravi, Registrar, Karpagam Academy of Higher Education. Addressed the Chief Guest One Day
Orientation programme on 08.11.2023. Aspirants keenly listening to the Session**

Department of Computer Science and Engineering (Cyber Security) in association with Centre for Career Counselling and Competitive Examinations organized a Seminar on ***Career Opportunities through Gate*** on 13th March, 2024. Totally 60 Students with 3 faculty Members, FoE (Cyber Security) participated in this seminar. The Resource Person of the day was **Dr. A. Saravankumaran**, Founder of Coimbatore Academy, Centre Head-Gate Forum. He provided an efficient detail on steps for registering the GATE exam and he explained briefly about what are the career opportunities available in government sectors. A brief Q and A Session was also conducted successfully.

*Welcome address did by Mrs. K. Sundareswari,
Assistant Professor, CSE (Cyber security)*

*Chief Guest Dr. A. Saravankumaran
Founder of Coimbatore Academy, Centre Head-Gate Forum*

Centre for Career Counselling and Competitive Examinations organized a ***one day Career Counselling Programme on Culture and Welfare of Overseas Tamilians*** for the PG students on 15th March, 2024. Totally 190 students actively participated in this programme. The special guest of the day was **Mr. S. Kumana Rajan**, Founder & Chairman, The Lemuriya Foundation, Mumbai. The Chief Guest discussed about the prevailing culture, the importance of language to be explored in the society. He reiterated that culture has to be given priority among the youth. The session successfully came to an end with National Anthem.

*Welcome address by Dr. P. Thamilarasi
Dean-Student Affairs*

Session started with Tamil Thai Valthu

Presidential address did by Dr.B.Venkatachalapathy

Memento Session

Mr.S.Kumana Rajan delivered his lecture on Culture and Welfare of Overseas Tamilians

Aspirant listening the Session

Centre for Career Counselling and Competitive Examination in collaboration with JV Associates & Academy jointly organized a **Training Classes for Bank Examination** for the willing students of PG and UG students, from 27th March, 2023 to 19th March, 2024. Totally 48 students actively participated in this training programme.

Training classes for Bank Examination

Students placed list

S.No.	Reg.No.	Name of the Student	Company Name
1	21CCU121	R.Dharani	TCS
2	21CCU123	A.Gayathiri	TCS
3	22MBAP019	P.Jayabharathi	KVB
4	22MBAP021	J.Jeneta Jnin	HR Intern

Department of Computer Science and Engineering conducted a Career guidance program on ***Unlocking Career Paths: Gate Program Opportunities*** on 21st March, 2024. Totally 76 Students Participated. **Dr. A. Saravankumaran**, Founder of Coimbatore Academy, Center Head-GATE Forum, Coimbatore was the invited guest of the day. The speaker provided an efficient detail on steps for registering the GATE Exam, the advantages of writing the Exam and the Career Opportunities available in government sector. The Students had an interactive session in this program. The program came to an end with the vote of thanks.

Delivered the session by Dr. A. Saravankumaran

Students interact

Department of Computer Science and Engineering conducted a Seminar on Career Opportunities through ***IELTS & TOFEL*** for the students of the department on 22nd March, 2024. **Dr. Siva**, Dream Overseas Education, Coimbatore was the special guest of the day. The speaker provided an efficient detail on steps for registering the IELTS & TOFEL Exam, the advantages of Writing the Exam and the Career Opportunities available in abroad. The Students had an interactive session in this program. The program came to an end with the vote of thanks.

***Delivered the session by Dr.Siva,
Dream Overseas Education, on 22.03.2024***

Dream Overseas Education, on 22.03.2024***

Research Section

The inaugural and Orientation Programme for Ph.D. Research Scholars was held on 10th February, 2024 for the Research Scholars of January, 2024 batch. **Prof. Dr. S. Kamalraj**, Head of Biomedical Engineering, KAHE delivered the Welcome Address extending a warm welcome to all attendees. **Prof. Dr. B. V. Pradeep**, Director of Research, Karpagam Academy of Higher Education delivered the Presidential Address. His address provided valuable insights and guidance to the aspiring Ph.D. Research Scholars emphasizing the importance of research excellence and scholarly pursuit. The Vice Chancellor of KAHE, **Prof. Dr. B. Venkatachalapathy** delivered an insightful Inaugural Address expressing gratitude for the opportunity to address the budding scholars and igniting a sense of motivation and purpose among all participants. **Prof. Dr. S. Ravi**, Registrar of Karpagam Academy of Higher Education, delivered the Felicitation Address recognizing the exemplary dedication of **Prof. Dr. N. V. Balaji**, Dean of the Faculty of Arts, Science, Commerce, and Management, and other esteemed deans including **Prof. Dr. Amudha**, Faculty of Engineering, **Prof. Dr. Kumudha**, Pharmacy and **Prof. Dr. V. Parthasarathy**, R&D and Industry Relations. Their leadership and contributions were acknowledged with warm felicitations. Prof. Dr. B.V. Pradeep, Director of Research, delivered the Thematic Address enriching the orientation session with his expertise and insights into the realm of research and academia pertinent to Karpagam Academy of Higher Education. Vote of thanks was delivered by **Prof. Dr. P. Senthil Kumar**, Faculty of Pharmacy, Karpagam Academy of Higher Education. He thanked all the guests and participants on the occasion and programme was concluded with the National Anthem.

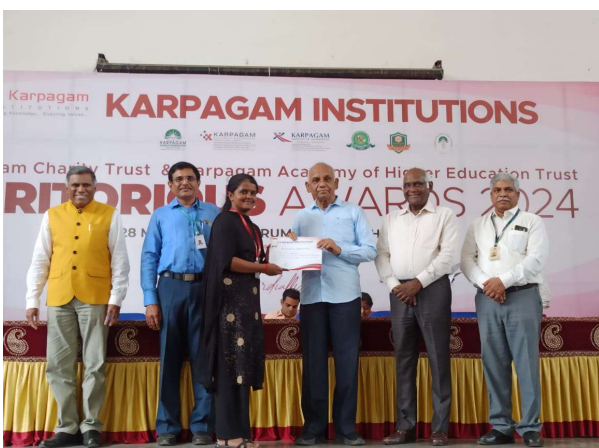

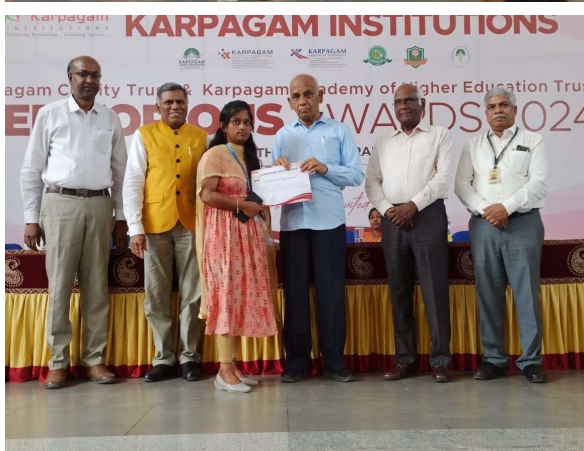

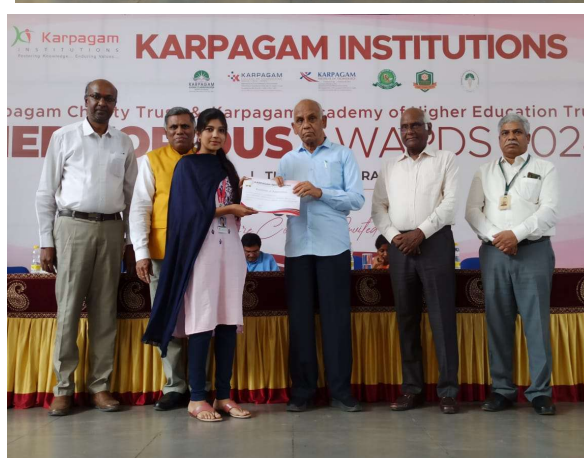

Orientation Programme for Research Scholars of January, 2024 Session

Meritorious Award

Karpagam Academy of Higher Education organised a function to reward the *Meritorious Students* of the Karpagam Institution on 28th March, 2024 at Karpagam Academy of Higher Education campus.

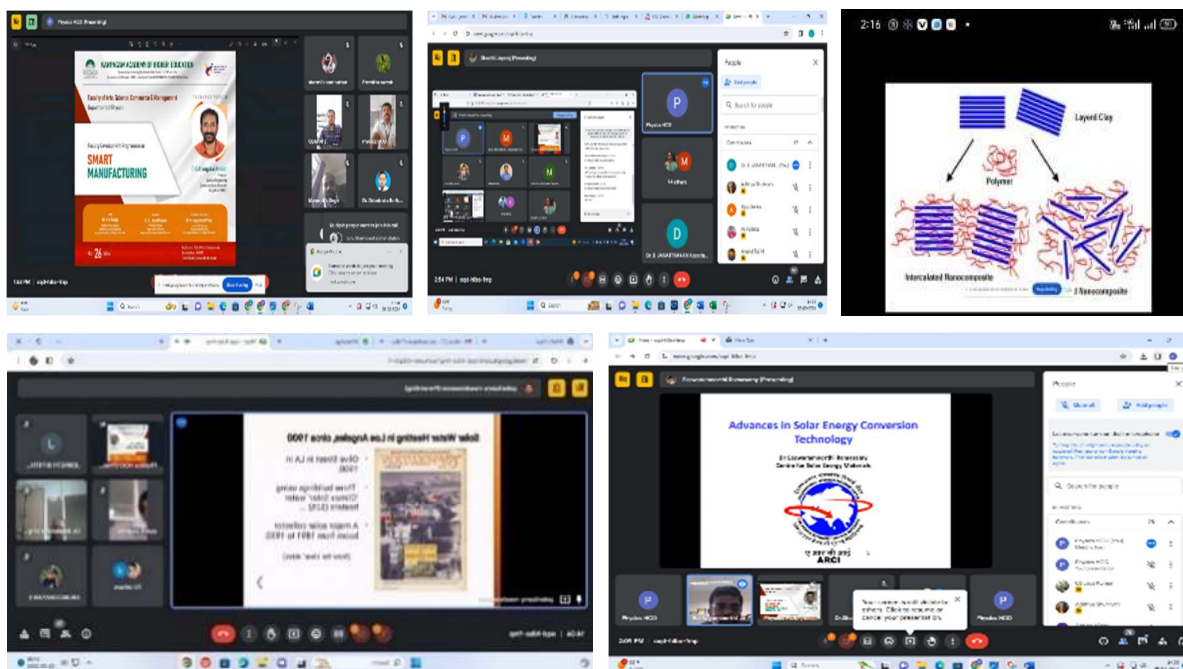

Faculty Development Programme

Department of Physics has organized a Faculty Development Program entitled *Recent Advancement in Sustainable Energy Sources: Research and Development* through online mode during the period from 26th February to 01st March, 2024. **Dr. Arangalai Vendhan, Dr. S. Shanmugan, Dr. J. Shanthi, Dr. R. Easwaramoorthy and Dr. P. Madeswaran** have delivered talks on their expertise and shared knowledge to the participants. Every day, nearly 100 participants have joined the session and gained knowledge from the talk. They covered the topics

of Smart Manufacturing, Advantages of Nanocomposites in Solar Thermal and Photovoltaic Applications, Anti-Reflection Coating Thin Film Coating, Advancement in Solar Energy Conversion Materials and Applications, Solar Cell Materials and Development of New Materials for Solar Energy Applications which are useful for the researches in the sustainable energy sources.

Snapshot of the sessions of the FDP program

Skill Development Programme

Department of Biomedical Engineering and Skill Development Centre jointly organized a two days skill development programme titled **Medical Coding** on 29th and 30th January, 2024. The objective of the programme is to inculcate knowledge about the medical coding in the field of biomedical engineering. **Mr. Vijay Rajendran**, Technical Consultant BioXplora, Coimbatore headed the session. Participants were provided with a hands-on session to generate their report for multiple ailments that are commonly seen in healthcare centers. Totally 77 students participated and benefited from the programme.

Dr. M. Ramesh delivered the welcome address

Dean, FoE felicitated the programme

Department of Electrical and Electronics Engineering, in collaboration with the Skill Development Centre conducted a Skill Development Programme titled ***Solar PV Installation*** on 31st January, 2024. **Mr. M. Muthukumar**, Director and Manager Trustee of HONEY BEES Skill and Social Explore Foundation, Coimbatore, provided guidance to students during the hands-on solar PV installation session in the field.

Students interacted with resource person and clarified their queries concerning Solar PV Installation

Solar Pv Installation Hands On Training For EEE Students At Field

A One-day Skill and Training Programme on ***WordPress Web Development Essentials: A Practical Skill Development Workshop*** was conducted by the Department of Computer Science on 05th February, 2024. **Mr. Vijay Rajendran**, Marketing Manager in Accent Techno Soft, Coimbatore was the Resource person. The main objective of the workshop was to provide participants with a comprehensive understanding of Word Press design principles, tools, and techniques. The workshop aimed to equip participants with the necessary knowledge and skills to create visually appealing and user-friendly webpages without coding. The session was very informative and interactive. The students understood the managerial concepts of Website Development.

Inauguration and Address given by Mr. Vijay Rajendran, Marketing Manager, Accent Techno Soft on 05.02.2024

On 12th February, 2024, the Faculty of Architecture, Design, and Planning and the Skill Development Centre jointly organised a workshop called ***Fashion Styling*** for fashion design students. Twenty-seven participants actively participated in the session.

Skill Development Program was organized on the topic of ***Innovation & Design Strategies in Civil Engineering*** by the Department of Civil Engineering and Skill Development Center, Faculty of Engineering, Karpagam Academy of Higher Education on 13th February, 2024.

The program was inaugurated by Dr. A. Amudha, the Dean of FOE, KAHE. Memento was distributed to Chief Guest Mrs. Meenakshi B.S.AP/Civil, KPR Institute of Engg & Tech, Coimbatore.

Skill Development Program was organized on the topic of ***Guidelines of Vastu Shastra for Building Construction*** by the Department of Civil Engineering and Skill Development Center on 26th February, 2024.

Students are actively engaged in the task and game conducted by resource person

A **Photo Talk** workshop was held for third-year students as part of the Journalism Studio of the Bachelor of Design course by the Faculty of Architecture, Design, and Planning and the Skill Development Centre on 27th February, 2024. **Ar. Santosh Kumar** was the resource person.

Department of Computer Science and Engineering conducted a Skill Development Program on **Software Development Skill and software Testing Skill** on 14th and 15th March, 2024. The invited speaker was **Mr. A. Sharankumar**, Senior test engineer, WIPRO Limited Chennai and **Mr. S. Sanjay Kumar**, Loop reality Pvt. limited Hyderabad. The session aimed to provide a Software development skill involves proficiency in programming languages, frameworks, and methodologies to create functional and efficient software solutions.

***Inauguration of Skill Development Program on
“Software Development Skill and Software Testing Skill”***

Student Association Programme

Department of Biotechnology, FASCM, organized a one-day student association program, **TECHVISTA-24**, on 29th February, 2024. The event started with a prayer song followed by a welcome address given by the Convener, **Dr. A. Sangilimuthu**, Professor & Head, Department of Biotechnology, KAHE. Overall, 45 students (UG/PG) from various colleges participated in the event and benefited from the program. The main theme of the program was to gain insights into the project expo, the importance of Millet-based foods, and video making in the biotechnology sector. At the end of the program, students became familiar with the concepts of Millet-related foods, project expo skills, and video-making capacity in the biotechnology field. Finally, the event concluded with prize distribution.

National Science Day

Department of Biochemistry organized the National Science Day on 28th February, 2024 to mark the discovery of the Raman effect by Indian physicist Sir C. V. Raman. On the occasion of **National Science day** there were Posters, and various competitions were conducted.

Extension Activity

Department of Computer Science and Engineering (Cyber Security) in coordination with Extension Cell has successfully conducted an Extension activity on 29th January, 2024 at Government School, Malumichampatty, Coimbatore, with the theme of *Cyber Safe Girl Awareness Programme*. Awareness was created among girl students about Cyber related crimes.

Group Photo taken after the completion of the extension activity in front of the school premises

Department of Electronics and Communication Engineering organized an Extension Activity on *Electroed: Igniting Minds with Basic Electronic Components* on 31st January, 2024 at Government Higher Secondary School, Malumichampatty. **Dr. S. Ashok Kumar**, Associate Professor, **Mr. Senthil Kumar**, Assistant Professor, Department of ECE, and the students from ECE participated in the extension activity. During this program, the students of ECE educated the participants about the basic electronics and fundamental applications of semiconductor materials.

Extension Activity was conducted by the department of ECE on 31st January, 2024 at Government Higher Secondary School, Malumichampatty

Students of ECE educating the basics and applications of Electronics to the Government school students at Malumichampatty

Department of Mechanical Engineering conducted **Road safety Awareness Programs** on 29th February, 2024. The programme was conducted at L & T Bye Pass Signal, Eachanari.

Dr. S. Marimuthu, HoD/Mech Speech at FoE Block on 29th February, 2024

Department of Computer Science conducted an Extension Activity on **Health and Hygiene** on 04th March, 2024. This activity aims to promote care and well-being in the needy and orphan elder communities. The students prepared the presentation, explained various aspects of “Health and Hygiene,” and communicated the real-time practices based on day-to-day hygienic practices.

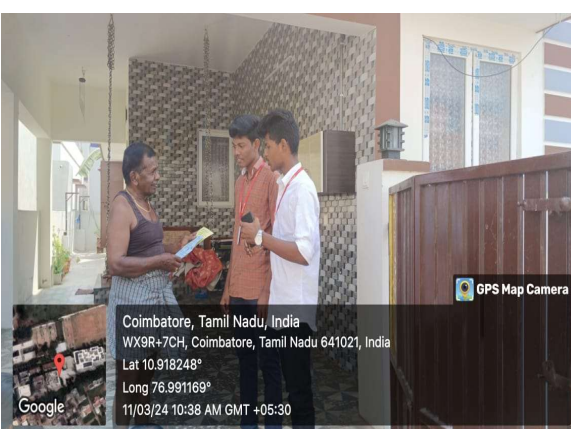

Faculty addresses the elders about the activity on 04-03-2024 Our student sharing her knowledge in the topic “Healthy Food Practice”

Department of Electronics and Communication Engineering in association with Unnat Bharat Abiyan Cell organized an Awareness Programme on ***Health or Mobile Phones*** at Othakkalmandapam on 11th March, 2024. **Dr. S. Ashok Kumar**, Associate Professor and **Mr. Senthil Kumar**, Assistant Professor, Department of ECE and the students from ECE participated in the extension programme. Through this program, the students advised the common public to reduce the usage of mobile phones and also created awareness on the Safe usage of Mobile Phones.

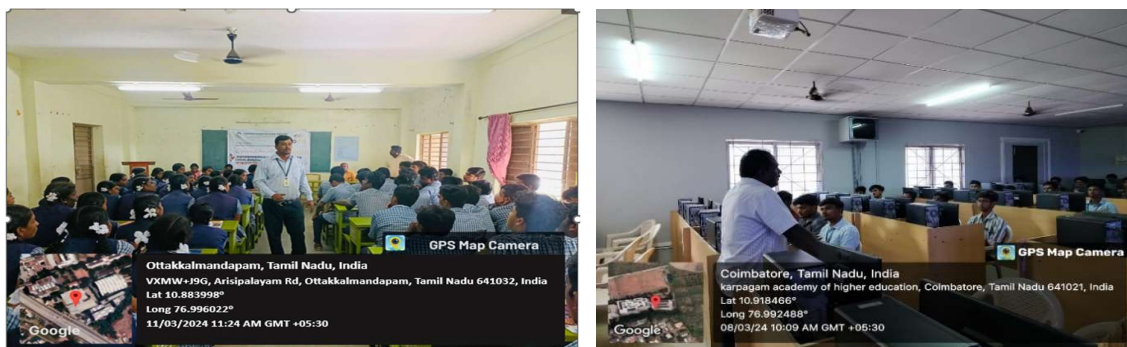

Awareness Programme – Discussion with people about Safe usage of Mobile phones

Street Campaign by the students of ECE

Department of Computer Science and Engineering in coordination with Extension cell has successfully conducted an Extension activity for the school students on 11th March, 2024 at Ottakkalmandapam, Coimbatore, with the theme ***Innovative Realms: Exploring Boundary-Pushing Concepts in 3D Game Development***. Dr. R. Dhanapal, Assistant Professor, Department of Computer Science and Engineering began the session and briefly explained about 3D game development, mastering concepts like collision detection and shader programming is crucial. Collision detection ensures that objects interact realistically within the game environment.

Dr.R.Dhanapal Assistant Professor, Department of CSE delivered the lecture on “Innovative Realms: Exploring Boundary-Pushing Concepts in 3D Game Development”

Department of Electrical and Electronics Engineering organized an Extension activity titled ***Save Energy Thrive Tomorrow Conserve Energy*** on 15th march, 2024. The objective of the programme is to induce awareness about the energy conservation and usage of natural resources.

Department of Science and Humanities organized an Outreach Program on ***Enhancing Communication Skills*** at Government Middle School, Sikkalampalayam, Coimbatore, on 25th March, 2024. Mrs. P. Jeyanthi, Head Mistress of P U M S School, welcomed the staff members and introduced them to the students. Mrs. X. Nirmala, PT Assistant at P U M S School, delivered the vote of thanks.

The Headmistress of Government Middle School, Sikkalampalayam, warmly welcomes our faculty members and introduces them to the school students

Dr. D. Ramsingh Prabhu and Mr. M. Murugan, Assistant Professors in the Department of Science and Humanities, narrated a story to help students develop their listening skills on 25th March, 2024

Hands-on Training

Department of ECE conducted a Training Program to Teaching and Non-Teaching staffs on *Embedded System Design using Zigbee communication protocol* on 13th February, 2024. **Mr. Venkatesh**, an Embedded developer at Scientronics, Coimbatore, was the resource person. He listed out the steps to be followed in the implementation of Zigbee in an Embedded System.

Training Programme on “Embedded System Design using Zigbee communication protocol”

Consultancy Work

Department of Civil Engineering has *undertaken Contour levelling work for water supply projects work* from Nachipalayam Sump to KIT campus on 28th February 2024.

Levelling work for water supply projects work

Department of Civil Engineering has **undertaken Contour levelling work for water supply projects work** from Arisipalayam to KIT campus on 29th February, 2024.

Levelling work for water supply projects work

Department of Civil Engineering has **undertaken Contour levelling work for water supply projects work** from Karpagam Medical College Campus well to Karpagam Pharmacy college Sump on 24th March, 2024.

Levelling work for water supply projects work

University Industry Interaction Centre

Motivational Talk

University Industry Interaction Centre organized a Motivational Talk on ***Evolution in Financial Technology*** on 20th January, 2024. Totally 183 students participated and got benefited out of this Program.

*Dr. R. Vasanthakumar, President
KAHE did Inaugural address*

*Dr. B. Venkatachalapathy, Vice Chancellor
KAHE did presidential address*

Shri. Abhilash Misra, CEO-NSE Academy Limited, Mumbai did Key note address emphasizing the need and value of “Financial Technology”

Mr. S. Ranganathan, AVP, NSE Academy Limited, Chennai emphasizing the Collaborative programmes of NSC to the Commerce students of KAHE

Dignitaries observing the audience feedback

Students and Professors are listening to the Resource person's speech

Training Programs

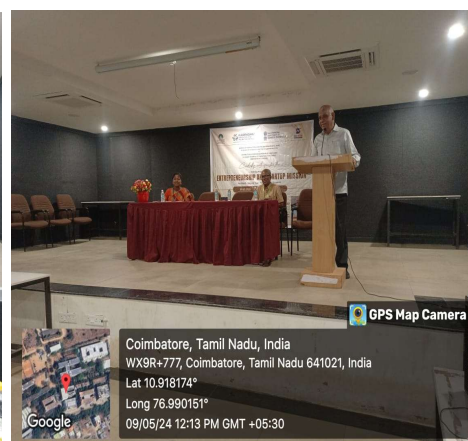

Training Program on ***Entrepreneurship and Startup Mission*** was conducted by the University Industry Interaction Centre from 28th February to 09th May, 2024 to the final and Pre final year students of FASCM, FoE and FoP.

Dr.S.Ravi, Registrar, KAHE did the Presidential address

Dr. D. Kumudha, Dean, FoP, KAHE did the Felicitation address

Resource Person being Dr.R.Vasanthakumar, Managing Partner, Karpagam Pharma LLP, Ottakalmandapam, Coimbatore

*Mr. Gokul M.C, Manager,
Alumni Relations did Vote of Thanks*

Other Events

Department of Computer Applications organized a Project Exhibition on **Science Fair Expo (Tech Fest -2k24)** from 31st January to 02nd February, 2024. About 66 students attended the Project Exhibition. Project Exhibition enhanced the students' knowledge on the recent trends and advances in the Field of Computer Applications and was helpful for doing project work based on latest trends in Computer Applications. Students enhanced their knowledge for carrying out their project further.

Students presenting their Project in Project Exhibition

12th National Level Technical Fest-**EGSOW 2K24** was organized by the Department of Civil Engineering on 6th February 2024. The technical and the non-technical events were conducted. Price winners and the participants were honoured with certificates and cash awards.

*Dr. B. Venkatachalapathy, VC, KAHE,
delivered the Presidential Address of the program*

*External Participants are actively participated in
Technical Event conducted on 06-02-2024*

Department of Computer Science and Engineering (Cyber Security), successfully organized technical fest-Defenzoid, an intra college technical symposium on 07th February, 2024. A total of 89 participants registered under various events like Innoburst (idea submission), Vibecraft (web designing) and Translify (code conversion). The event winners were awarded with cash prizes.

The registered participants actively participating in Inno-burst presenting their ideas based on new technology on 07th February, 2024

The registered students actively participated in Vibecraft in Texas lab

Dr. Roopachandrika Head-CSE (Cyber security) distributing the prizes for the various events

National level Tech Fest- METAVERSE-2K24 was conducted by the Department of Computer Science and Engineering on 7th February, 2024. Around 137 Students from various institutions participated in different events during the Tech Fest. The winner of each event was awarded with cash prize and certificate.

Students Participated in Paper Presentation at “National level Tech Fest- METAVERSE-2K24”

Department of Electrical and Electronics Engineering hosted the National Level Technical Fest **Electtricco 2k24** on 8th February, 2024. **Er. M. Ranjith Kumar**, M.E., (PhD), Training Officer and Superintending Engineer, PSG Institutions, served as the keynote speaker. He delivered a speech on emerging technologies in electrical engineering. Additionally, **Ms. P. Nagaveni** conducted a workshop on Power Quality Measurement in Electrical Systems using Fluke Meter. A total of 127 students from 20 colleges registered for both online and offline participation. Four technical events were coordinated.

Guest Er.M.RanjithKumar addressing the students

Workshop on Power Quality Measurement in Electrical System using Fluke Meter

KAHE-IIC and Department of BME jointly organized the 5th National Level Technical Fest **Medicnik -2024** on 09th February, 2024. The objective of this Technical Fest was to create platform to present their ideas and exhibit their developed projects. This platform helped student to gain technical knowledge, and helped them to develop communication skills. The invited Chief guest was **Mr. Boopathi Sakthivel**, CEO, Prashan Medical Technologies, Coimbatore, Tamilnadu. During the Technical fest the Chief guest discussed about problem solving techniques and opportunities of biomedical engineers in healthcare sector. A total of 204 participants from various engineering colleges participated and exhibited their projects.

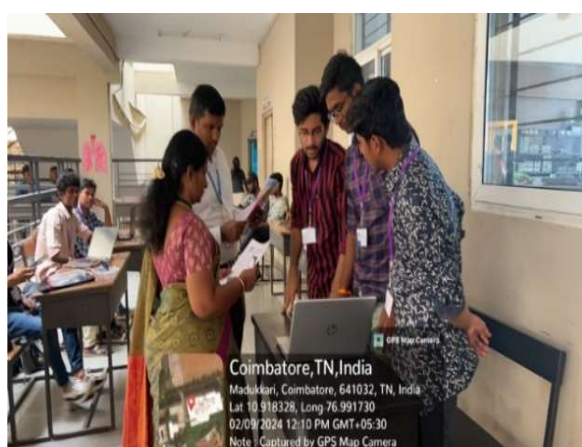

Inaugurated by Dr.A.Amudha, Dean /FOE

Students presented their papers in paper presentation

Students from various colleges participated in Technical Quiz

Projects displayed in project Expo was judged by the panel members

A National Science Expo-2024 was organized on 4th March, 2024 by the Department of Science and Humanities in association with Karpagam Innovation and Incubation Council (KIIC) to celebrate National Science Day-2024. The main theme of the Expo was ***Indigenous Technologies for Viksit Bharat***. **Mr. R. Dhanasekar**, Manager of Karpagam Innovation and Incubation Council (KIIC), oversaw the Expo and congratulated all the participants.

Participants in the National Science Expo-2024

Department of Management organized ***MANALITCS 2024*** on 07th March, 2024. Various events like business quiz, AD zap and Bizz connections were conducted, huge number of students from various department of KAHE participated and made the event grand success.

Department of Microbiology conducted the poster and paper presentation on ***Innovative Fermentation Technology on commemoration of Louis Pasteur Day*** on 08th March 2024. The students prepared posters on new techniques in Fermentation process and presented. Some students gave oral presentation on Fermentation Technology.

Louis Pasteur Day conducted by the Department of Microbiology

Department of Biochemistry organized a technical symposium on ***Bio-Innovation: A Bioquest to Trigger Scientific Thinking Among Youngsters*** on 13th March, 2024. Various Scientific events were conducted to trigger the scientific thinking of the students. Scientific quiz, Noble laureate talk, innovative ideas in developing novel product to bring out the entrepreneur skills in students and pencil sketching competitions were conducted. The competition triggered their creativity, innovative and contemporary skills among students. The winners were awarded with cash prizes.

A National Science Expo-2024 (Extension activity) was organized on 14th March, 2024, by the Department of Science and Humanities in association with the Karpagam Innovation and Incubation Council (KIIC) to celebrate ***National Science Day 2024***. The event was held at Government Middle School, Sikkalampalayam. **Ms. P. Usha**, Assistant Professor in Mathematics, Science & Humanities, participated in the event, showcased creativity and innovations.

A National Science Expo-2024 (Extension activity) organized by the Department of Science and Humanities

Department of Mechanical Engineering conducted a national-level Technical Fest on **MECTROTZ'24**. The special guest of the day was **Mr. P. Vivek**, Head-Supply chain, G&C Valves India Pvt. Ltd, Coimbatore. The total number of 70 participants from various institutions participated in technical events like project presentation, paper presentation, CAD Modeling and Technical quiz. The events were coordinated by the respective faculty coordinators and the student coordinators. The participants were actively involved in all the events conducted in the technical Fest. The winners of the technical events conducted were awarded with certificates and cash prizes.

Students present their project presentation

NCC

Makkaludan Mudhalvar Campaign

NCC cadets volunteered to serve the public in the **Makkaludan Mudhalvar Camp** held at Karpagam Academy of Higher Education on 03rd January, 2024.

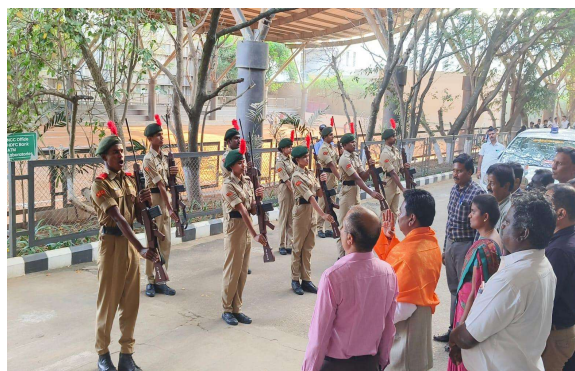

Traffic Awareness Rally

NCC cadets participated in the **Traffic Awareness Rally** organised by Nehru Yuva Kendra in association with Karpagam Academy of Higher Education, in commemoration of road safety week on 11th January, 2024.

Youth Day Celebration

National Cadets Corps of Karpagam Academy of Higher Education jointly organized **Youth Festival** on 11th January, 2024 at MBA Seminar Hall to celebrate the National Youth Day 2024. Around 300 students participated. We have invited **Shri. Bisweshwar Tudu**, the Union Minister of State for Tribal Affairs and Jal Shakti, Government of India, to interact with our student regarding the youth power and the developed India 2047, he motivated the students in a fruitful manner by quoting the power of youth, and also explained various central government schemes.

Honoring Shri. Bisweshwar Tudu, the Union Minister of State for Tribal Affairs and Jal Shakti, Government of India

KAHE Cadet SGT. Sudha received memento from Honorable Union Minister of State for Tribal Affairs and Jal Shakti, Government of India for the best participation in all the social activities.

Viksit Bharat Sankalp Yatra

Our NCC Cadets of Karpagam Academy of Higher Education participated in the *Viksit Bharat Sankalp Yatra* on 11th January, 2024.

Community Awareness Programme

NCC cadets participated in the *National Disaster Response Force Community Awareness Programme* conducted by 04 BN NDRF, Arakkonam, at Karpagam Academy of Higher Education on 19th January, 2024.

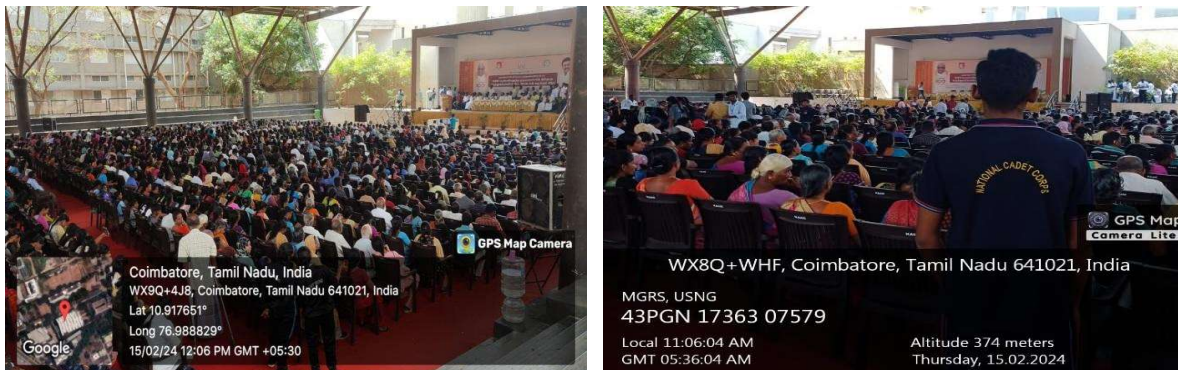

National Voters Day Rally

NCC cadets had participated in the rally to emphasize the *National Voters Day* organized at the Coimbatore Collectorate on 25th January, 2024.

Campaign for Medical Insurance Scheme

NCC cadets performed voluntary service for the *Medical Insurance Scheme Card Issuance Campaign* held at Karpagam Academy of Higher Education on 15th February, 2024.

Firing Practice cum Selection

NCC Cadets SGT Sudha M, CPL Nivetha A, CPL Dhivya M.R and L/CPL Shanmuga Priya C, successfully completed the basic *Firing Practice cum Selection* organized by the NCC Battalion Headquarters at Avinashilingam University for three days, on 15th to 19th February, 2024.

Advance Leadership Camp

Lt. S. Nithya, NCC Officer acted as Camp Adjutant for the Advance Leadership Camp, and our NCC Cadet SGT Sudha M successfully completed *Leadership training in the Advance Leadership Camp* in Pangode Military Station at Trivandrum from 5th to 16th February, 2024.

Morning PT / Yoga

Evening Roll Calls

Deputy Directorate General (DDG) Visit

Group level Firing Selection Camp

The NCC Cadets **CPL Nivetha A** and **CPL Dhivya M.R** attended **Group Level Selection Camp** held at Hindustan Institute of Technology on 21st and 22nd February, 2024.

NCC C Certificate Examination

Successful completion of three years of NCC training on holding B certificate, seven Girl Cadets and Ten Boy Cadets appeared for **C Certificate Practical Examination** at PSG Institutions on 17th February, 2024. **Written Examination** on 3rd March, 2024.

Group Level Shooting Selection Campaign

Ten senior Division NCC cadets attended the **Group Level Shooting Camp Selection** Conducted by 2 TN CTC at Hindustan Institute of Technology on 29th February, 2024.

Blood Donation Camp

Ten NCC Cadets actively performed voluntary service in the **Blood Donation Campaign** conducted in Karpagam Academy of Higher Education at Central Library on 7th March, 2024.

Obstacle Crossing Training (OT)

Eighteen NCC Girl cadets participated in the **Obstacle Training Selection** for the **Thal Sainik Camp (TSC)** conducted by 5 TN Girls Battalion NCC at Kumaraguru Institute of Technology on 16th and 17th March, 2024.

Defense Career Expo

Twenty Cadets attended the **Defence Career Expo** at Kumaraguru College of Technology on 19th and 20th March, 2024.

NCC 'B' Certificate Examination

Successful completion of two years NCC training Twenty Six Cadets from KAHE NCC appeared for the **B Certificate Practical** and **Written Examination** at PSG College of Arts and science and PSGR Krishnammal College on 23rd and 24th March, 2024.

National Service Scheme

National Youth Festival-2024

National Service Scheme deputed 4 NSS volunteers to participate in **National Youth Festival-2024** organized by the Ministry of Youth Affairs and Sports, Government of India at Nashik, Maharashtra from 12th to 16th January, 2024.

January - March 2024

Awareness Programme

National Service Scheme and Youth Red Cross in association with DKMS BMST Foundation India organized an Awareness Programme on **Blood Cancer and Blood Stem Cell Transplantation** on 10th January, 2024. Nearly 400 students participated and got awareness on Blood Cancer and Blood Stem Cell Transplantation. **Ms. Akshita** DKMS delivered a special address on the importance and need of Blood Stem Cell Transplantation among the volunteers. Around 191 students registered as Blood Stem Cell Donors. Students got aware of blood stem cell and bone marrow donation which can save the lives of those suffering from blood cancer and genetic disorders.

Chief Guest delivering special address on 10.01.2024

Road Safety Awareness Week

National Service Scheme in association with Nehru Yuva Kendra, Coimbatore, Ministry of Youth Affairs and Sports, Government of India and Traffic Police Coimbatore conducted **Road Safety Awareness Week Programme and Rally** on 11th January, 2024. In this Road Safety Awareness Rally more than 10 faculty members and 350 NSS volunteers participated and created awareness among the public to follow road rules and to avoid accidents.

Road Safety Awareness Rally on 11.01.2024

Road Safety Awareness Rally on 11.01.2024

Tree Plantation

National Service Scheme in association with OTPw Foundation and Global Shapers Community, Coimbatore organized **Tree Plantation** at Pallapalayam Village on 20th January, 2024. 67 NSS volunteers participated in the tree plantation campaign and planted 150 saplings. **Mr. Mohan**, Founder of OTPw Foundation, **Ms. Abarna**, Founder of Global Shapers Community, and **Dr. A. Dharmaraj**, Director, Extension Programme participated and motivated the volunteers to create awareness among the public, and friends.
