KARPAGAM ACADEMY OF HIGHER EDUCATION

Karpagam Academy of Higher Education was founded with the mission to impart value based and holistic education that enriches the knowledge and skills of the students. The Institution strongly believes in empowering lives by means of education. Our curriculum and teaching-learning methods ensure knowledge transfer transcending all the six levels of modified Bloom's Taxonomy.

FACULTY OF **ARTS, SCIENCE, COMMERCE AND MANAGEMENT**

Faculty of Arts, Science, Commerce and Management becomes an important supporting pillar for Karpagam Academy of Higher Education. It provides Eighteen undergraduate and Eleven post graduate programmes. State of the Art infrastructure and laboratories help the students to have a harmonious environment. All the faculty members are well experienced in academic research and always have the thought of creating a responsible citizen.

COMMERCE @ Karpagam

The department of Commerce focuses on holistic development perspective. The teaching pedagogy focuses to enrich learners to develop competency demanded by the corporates. We help the students to inculcate analytical, complex problem solving, critical thinking, managing people and emotions, skills to face agile environment. We follow activity & research based learning which is fortified by realtime business case analysis and simulation labs.

Industry Based CBCS Curriculum	Dedicated and Intellectual Faculty Team	Facilitating CA, CMA and ACS	Simulation Labs	Collaboration with TCS , NSE & ACCA	NSE Smart Lab

Value Added Courses

Business Process Services in Insurance | Certificate Course on Business Analytics | Licentiate in Insurance | Digital Marketing | Entrepreneurship & Innovation | Foundation for Functional Skills | Business Process Services in Finance and Accounting | Business Process Services in Banking | Campus to Corporate Transition | Digital Banking | Tally | Excel for Business | GST Returns | E-filing of Income Tax Returns | Investment Banking | Capital Market

MANAGEMENT @ Karpagam

Corporate Ready MBA-
A PLACE TO CONNECT LIFE AND LEARNING

- Activity based Learning - Role Play / Case Study / Simulation Games/ Field Projects / Internship
- Elective course selection based on the interest of the students
- Dual specialisation with Semester system offering wide spread of specialisation in the areas of Marketing,Finance, Human Resource Management, Management Information System, Operations Management, Business Analytics, Tourism & Event Management, Entrepreneurship Development and Logistics & Supply Chain Management
- Focus on Skill Development, Communication, Interpersonal and Quantitative Ability, Marketability and Employability
- Support for Start-up ideas
- Highly active Entrepreneurship Development Cell (EDC)
- CEOs as Mentors
- Club activities to foster innovations
- Facilitating the dream job in financial institutions through free coaching in Banking and National Institute of Securities Markets (NISM) Certification exams.

The Department focuses on

- Providing path for students to steadily increase their knowledge in programming skills.
- Equipping students to face the challenges of the global IT industry in the field of Software Development, Networking, Web Development, Business Accounting and Desktop Publishing.
- Strengthening the Inter and Intra personal skills, English communication, creative and technical ability of the students.
- Enriching the knowledge and understanding of computing careers through Field Trips, Mentor Programs and Internships.

Value Added Courses

Artificial Intelligence | Data Analytics | Android Application Development | Database Design and Administration | Multimedia & Gaming - Design & Development | Internet of Things | Node JS | Kotlin | Ethical Hacking | Robotics & Automation | Graph QI | Gen AI & Prompt Engineering | Automated Testing using Selenium.

LIFE SCIENCES

A few reasons why you would prefer

With the advent and proliferation of pharmaceutical innovations, manufacturing and research in India, the Life Sciences stream today offers lucrative career options to the students. The Faculty of Life Sciences is one of the well established and most resourceful departments at Karpagam Academy of Higher Education and offers free coaching for CSIR- NET, SET examinations. All life science department students undergo training at clinical laboratory of Karpagam Hospital.

For a Ph.D. or Higher qualification / experience, Career option include:

- Industrial researcher
- Research Scientist
- College / University Faculty
- BioChemist
- Clinical BioChemist
- Research Chemist Marine Biologist
- Pharmacologist

- Pharmaceutical researcher
- Scientific Writing and Publishing
- Food Chemist / Scientist
- Microbiologist
- Medical Diagonist Coder, Cell Culture Expert
- Food Inspector, Biomanufacturing Specialist,
- Quality Control Analyst, Clinical Research Associate, Biotechnologist, Curator

PROGRAMMES OFFERED

UG B.Sc. Biotechnology

PG M.Sc. Biochemistry
M.Sc. Biotechnology
M.Sc. Microbiology

RESEARCH

Ph.D. in all Life Science disciplines

Ph.D. in Chemistry, Physics, Mathematics, Tamil & English

Contemporary Lab Facility

The departments have meticulously planned and housed most advanced and modern equipments that aid the students to understand theory and experiment practically. Karpagam Academy of Higher Education central Instrumentation Facility (CIF) conducts regular training programmes for in house and other Institute Research Scholars / Students on analytical instruments regularly.

PG Students can utilize the Centre for Cancer Research and Centre for Drug Discovery to carry out their Projects.

Well Equipped Animal Cell Culture and Plant Tissue Culture Laboratories

Moving a step forward Karpagam Academy of Higher Education has a modern Animal Cell Culture and Plant Tissue Culture lab that actively support the study and research endeavors of the students.
Intellectual Capital

An experienced team of faculty members. Most of them being doctorates and a elite set of visiting faculty from premier Institutions.

The University has

- CPCSEA Approved Animal House Facility
- Centre for Cancer Research
- IBSC - Institutional Biosafety

- Centre for Drug Discovery

FACULTY OF
ENGINEERING

BIOMEDICAL ENGINEERING

Biomedical Engineering that combines Biology and Engineering, applying engineering principles and materials to medicine and healthcare. The demand of engineers with the background of biology and medicine is highly increasing.

State-of-Art Labs:
Bio Sensors and Transducers Lab | Bio-Medical Signal Processing Lab | Bio-Medical Instrumentation Lab | Diagnostic and Therapeutic Lab | Image Processing Lab.

Centre of Excellence: Centre for Bio-Photonics & Technology | Centre for Rehabilitation and Health care

Awards: Four faculty members received Best Paper Award from IEEE Conference | 10 Students received Gold and Silver Medal for Projects | International expo award, University of Malaysia Perlis, Malaysia.

MoU: Prashan Technologies | torch-it | Sitra | SK Biomedic | Dhanvantri Biomedical

BIOTECHNOLOGY

Biotechnology explores the key mysteries in life science with the aid of advances in engineering principles for sustainable development. We as a department with highly qualified and experienced faculty contributes to fill the research gaps in environmental Biotechnology, Biofuels and Medicinal Biology.

State-of-Art Labs:

Microbiology Lab | Protein Engineering Lab | Bioprocess Lab | Immunology Lab | Molecular Biology Lab | Biochemistry Lab | Bioinformatics Lab

Awards : Faculty in our department received Awards from Central Government (MSME) and State Government (TNSTC) for funded Projects

MoUs: Biozone Research Technologies Pvt Ltd. | Centre for Stem Cell and Cancer Genomics | AMI Bioscience.

COMPUTER SCIENCE AND ENGINEERING I CYBER SECURITY I ARTIFICIAL INTELLIGENCE AND DATA SCIENCE

Computer Science and Engineering strives to make the students reach the mark of excellence in IT arena. Eminent personalities from the industries are invited to address the students which in turn upgrade the level of confidence among students.

State-of-Art Labs: AI Skill Lab | Big Data Lab | Networks Lab   **Centre for Excellence :** Centre for AI and UAV, Centre for AR and VR

MoUs : Infosys Limited, iDigiSoft Technologies Pvt Ltd, Yardstick Digital Solutions, CADD Technologies School of Design Pvt Ltd, SkillDzire Technologies Private Limited, Dhisigma Systems Pvt. Limited, Kyungpook National University, Scopik Edutech Pvt. Limited, Pantech E- Learning, Karyoun Innovations Pvt Limited, Prompt Info Tech, Wersel Work Desk Pvt Ltd, Gateway Software Solution

CIVIL ENGINEERING

Civil Engineering has well-established laboratory facilities, collaborative projects with academic institutions and industries. We develop professionally competent Civil Engineers through dedicated team effort, academic collaborations and industrial exposure.

State-of-Art Labs:
Environmental Engineering Lab | Structural Engineering Lab | Concrete & Highway Lab | Construction Materials Lab | Soil Engineering Lab | Strength of Materials Lab

Achievements:

For the past five years, department of Civil Engineering has done many successful consultancy works.

Awards :

Faculty of our Department received Young Engineer Award from IEI (Institute of Engineers India, 2023)

ELECTRONICS & COMMUNICATION ENGINEERING

Electronics and Communication Engineering focuses on dynamic and ever-evolving techniques that plays a pivotal role in shaping modern technology. It integrates Electronic Design with Advanced Communication Systems, Embedded System Design and VLSI Design that offers a wide range of exciting career paths for engineers. Various researches are being conducted in the department vibrantly. This is supported by DST-FIST

State-of-Art Labs: Communication System Lab | Digital Electronics Lab | VLSI Research Lab (Cadence tools) | Digital Signal Processing Lab | Microprocessor Lab | Electronics Devices and Circuit Lab | Linear Integrated Circuits Lab | Optical and Microwave Lab

Centre of Excellence: Texas Instruments Lab

MoUs: New Technology Institutions | NoviTech R & D Technologies Pvt. Ltd. | Robomatic | Techvolt Software Pvt. Ltd.

ELECTRICAL & ELECTRONICS ENGINEERING

Electrical and Electronics Engineering has well equipped laboratories and a team of dedicated faculty members who are experienced in Industry as well as Academics.

State-of-Art Labs : Electrical Machines Lab | Control Systems Laboratory | Power Systems Simulation Laboratory | Power and Hybrid Renewable Energy | Power Electronics Laboratory | Measurements and Instrumentation Laboratory | Electronics Lab | BEEE Lab

Consultancy and Research Facility Hardware :
Power Quality Analysers

MoUs : M/s. Triox Technologies | M/s. Vei Technologies | Pumo Techovation | VI Microsystem Pvt. Ltd.

FOOD TECHNOLOGY

Food Technology Department   has a highly intellectual faculty who are well qualified to provide excellent teaching, practical training and to inculcate   a research mindset in the frontier areas of Food Technology.

State-of-Art Labs:
Food Product Development Lab | Food Chemistry Laboratory | Fruits and Vegetables Processing Lab | Food Microbiology | Baking Technology

MoUs:
Benny Foods | Institute of Advanced Materials & IAAM | Xcellogen Biotech India Pvt. Ltd.

MECHANICAL ENGINEERING

Mechanical Engineering Department has grown from strength to strength right from its inception with well equipped Laboratories qualified, experienced and dedicated faculty members. The department has been established with facilities to propagate emerging technologies by Satistics Incorporated Software for cutting-edge-testing.

State-of-Art Labs: Strength of Materials Lab | Thermal Engineering Lab | Fluid Mechanics Lab | Manufacturing Process Lab | Heat and Mass Transfer lab | Dynamic and Kinematics Lab | Machining Research Lab | Material Testing Research Lab | Corrosion Testing Research Lab | Non-Ferrous Research Lab

MoUs: IIT, Palakkad I CSIR-CECRI, Karaikudi I WRI, BHEL, Trichy I CoE in Manufacturing & CECASE, NIT, Trichy I Mech 'N' Tech Engineers I Sun V Technology I High Precision Industry   I   Indoshell Cast Private Limited

INFRASTRUCTURE

Well equipped laboratories for various disciplines like Pharmaceutics, Pharmaceutical Biotechnology, Pharmaceutical Chemistry, Pharmaceutical Analysis, Pharmacology, Pharmacy Practice and Drug Information Center. It is attached with Karpagam Faculty of Medical Sciences & Research (KFMSR) to provide training in the field of Clinical Pharmacy.

The vision of the Faculty of Pharmacy is to provide quality education on par with International standards in the Pharmacy domain. The Faculty is endowed with excellent infrastructure, State-of-the-Art laboratories and a team of dedicated faculty members to train students to meet the growing needs in the field of Pharmacy.

DRUG TESTING LABORATORY

Drug Testing Laboratory is a speciality centre for research which is approved by the Director of Drugs Control, Government of Tamil Nadu. This Centre carries out tests on Drugs and Pharmaceuticals, APIs, Intermediates and Finished products. It is also involved in method development and validation of drugs

INTERNATIONAL RELATIONS

National Pingtung University of Science and Technology

The Office of International Affairs (OIA) serves as a bridge for global engagement, fostering collaborations with international institutions and organizations. KAHE facilitates academic exchanges, internships, and research partnerships, enhancing the institution's global presence and providing valuable opportunities for students and faculty. Additionally, KAHE offers Mandarin and Japanese language courses, equipping students with valuable communication skills and a deeper understanding of global cultures.

INTERNATIONAL OPPORTUNITIES

- Project/ Internship/ Course Abroad from our partner universities
- Twinning Programme / Joint Degree / Dual Degree with Foreign Universities
- Cross-Cultural Exchange Programs
- Credit Transfer Facility

RESEARCH

More than 50% of faculty members with Ph.D. qualifications engaged in research and consultancy assignments.

Centre of excellence established with sophisticated instruments such as NETZSCH Simultaneous thermal analyzer (STA), ultra-HPLC, Differential scanning calorimetry (DSC), Particle and zeta sizer from MALVERN, Raman spectroscopy, Bruker FTIR, and JASCO DRS UV visible spectrophotometer, ALTEM's Handheld CHI66OE, CHI66OF Electrochemical worskstations and FARO focus Long range 3D Scanners.

Research Clusters

Over 30 distinguished faculty members have been meticulously chosen to form research clusters spanning the domains of Physics, Chemistry, Biotechnology, Electrical Engineering and Material Sciences. These clusters serve as dynamic assemblages of faculty members, research scholars and both undergraduate and postgraduate students, all specialized within their respective fields.
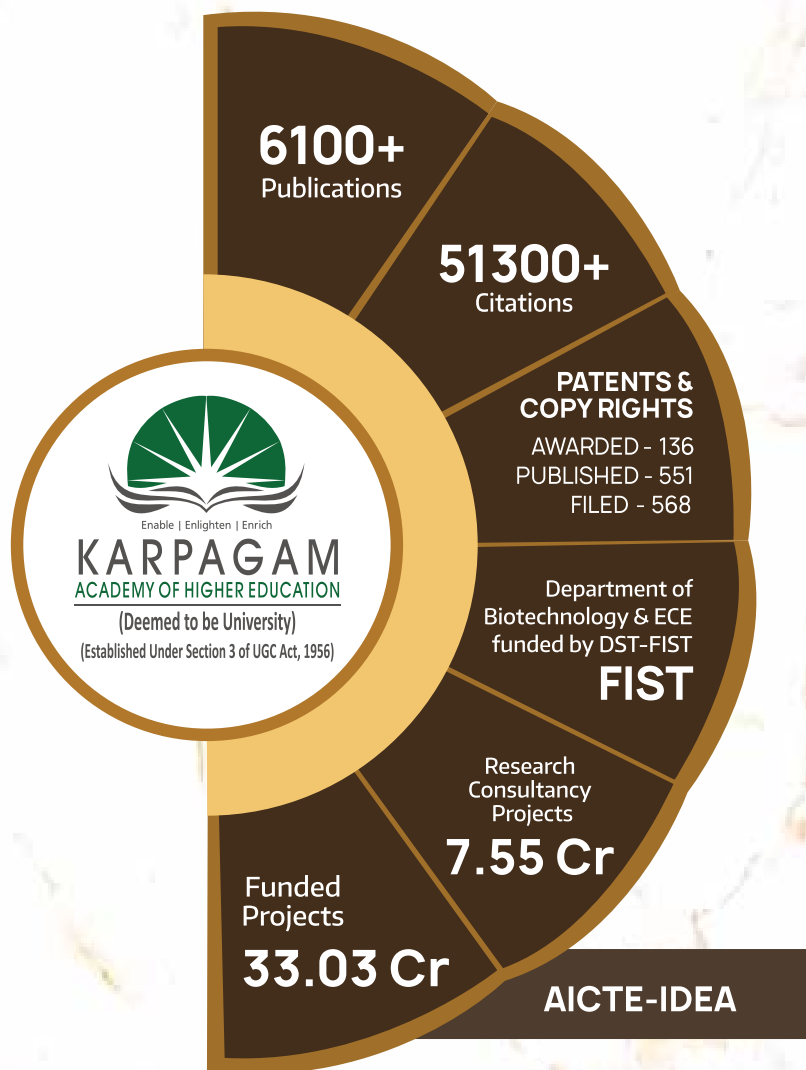

Adjunct Faculty

Renowned professors from global domains such as Biotechnology, Mathematics, Microbiology, Data Science, Biochemistry, Food Technology and Physics have been thoughtfully identified and appointed as adjunct faculty. This strategic step actively engages them in the research pursuits of their respective disciplines, fostering the emergence of innovative outcomes that contribute substantially to the academic and research landscape.

Seed Grant Support

To empower budding research faculty members in their quest for funding, KAHE provides seed grants. These grants catalyze fundamental research and have resulted in an impressive grant of 60 lakhs this year alone, nurturing innovation at its early stages.

Accolades as Publication and Patents

Four faculty members, namely Dr.V.Kavimani / Mechanical, Dr. Debabrata Barik / Mechanical, Dr. R Suresh / Chemistry and Dr. A. Manikandan / Chemistry , have achieved distinguished positions on the esteemed Top 2% Most Influential Scientists list by Stanford University for the year 2024. Their consistent presence on this prestigious list spans three consecutive years.

LIBRARY

A modern state-of-the-art library complex of 70,000 Sq. ft. with 1,23,496 volumes of books under 55,669 titles, 1,17,048 E-journals and the library has 31 International Journals and 155 National Journals.

A host of co-curricular programmes viz - Industrial visits, inplant training and training programmes by professional agencies.

University Industry Interaction Cell (UIIC) collaborates with the Industries and creating mutual benefits, by offering consultancy services, assisting their R&D activities etc., Participation of Industries for internship to enhance the skill development and employability of our students

- An excellent environment and guidance for research with Rs. 9.19 Crore worth Government funded (DBT/DST/ICMR) projects for proven research.
- Faculty of Architecture, Design and Planning has research grants close to Rs. 1.06 Crores funded by ERASMAS an European Union agency.
Bank   **Transport**

OTHER ACTIVITIES

- Karpagam Academy of Higher Education has adopted five villages under Unnat Bharat Abhiyan Scheme under the Ministry of Human Resource Development, Govt. of India to Uplift Rural India.
- NSS volunteers undertake various activities in the villages and slums adopted for community service
- An active boys and girls NCC wing
- A host of extra-curricular activities for students to pursue their passion through various clubs.
- Banking Academy - to train the students aspiring career opportunities in the banking sector

SPORTS ACHIEVEMENTS

KAHE Silambam Men Team Participated in the World Silambam Championship at Jimmy George Indoor Stadium, Thiruvananthapuram, Kerala from 04.09.2024 to 06.09.2024 and secured **8 Gold Medals** and **6 Silver Medals**

Our KAHE Kabaddi player Manikandan of II B.COM selected to participate Pro Kabaddi League Season11 in Haryana Steelers from 18.09.2024 to 09.10.2024 and **Secured Gold Medal**

Our KAHE handball players **S.Manikandan** II B.com(PA) and **A.Raman** II B.Com(PA) participated in the 10th Asian youth handball championship at Amman Jordan .from 3.9.2024 to 14.9.2024

Our KAHE Volleyball player **M.Prathap I M.Com** Participated in the 72nd Senior National Championship organized by Volleyball Federation of India at Jaipur, Rajasthan from 30.12.2024 to 08.01.2025 and he Secured **Bronze Medal**

Our NCC cadet, Sgt. Sanjay received Appreciation Certificate from Commodore Atul Kumar Rastogi, Deputy Director General of the National Cadet Corps (DDGNCC) for being part of the Chief Minister's Rally at Marina RD Parade during MRDC-2023

PLACEMENT 2024-25

A dedicated Training and Placement cell with experienced faculty, affluent in domain expertise strive to instill skills expected by the companies. The Training and Placement Cell makes an imperative move to nurture the students and make them employable. Various training programs are offered which includes English Language Enhancement in collaboration with Cambridge University with a dedicated State-of-the-art language lab, Soft Skills and Technical Skills. The team envisages to develop leadership qualities among students. Eminent personalities from the industry and alumni are invited to interact with the students and share their experience and expertise in a wide spectrum of domains.
