

## Criterion 1.3.2.1 & 1.3.3.1

### Number of value added courses imparting transferable and life skills

#### Additional Information:

The university along with the regular curriculum and activities initiates several programs to train students on other life skills and value addition. The students are trained on life skills such as soft skills, communication, etc. Several value added courses were provided to undergraduate and postgraduate to give value addition to the students. Student's acceptance of the courses is reflected in their admission statistics.

- ✓ Value addition courses gives additional opportunity for students to enhance their knowledge and skills
- ✓ Students can opt for inter disciplinary subjects based on their interest
- ✓ Inter professional education
- ✓ Added certification to enhance job opportunities for students
- ✓ Life skills is essential for survival in this competitive world
