To Whomsoever it may concern

Dear Sir,

This is to inform that **Mr.A.K.K.Sakthi Anand (16RBAR054)** has completed his 7th semester architectural internship in our office, from 03/06/2019 to 19/10/2019. And we found him very sincere, hard working and punctual in his work. He has learned the design process, working drawings, service layouts and 3D modeling using AutoCAD, 3ds max and Photoshop. He worked on various residential, commercial and interior projects during his tenure. We are extremely satisfied with his work and attitude. He is an asset to any organization.

Regards,
