

One Day National Level Workshop on “Software Testing Tool Selenium” on 07.01.2017

Department of Computer Applications

Venue : A2 BLOCK LAB2	12.02.2021, 10.30 am to 11.30 am	Cloud Computing Services in IT Industries
------------------------------	---	--

Department of Computer Applications organized One Day National Level Workshop on “Software Testing Tool Selenium” on **07.01.2017**. The guest speaker was Mr.A.Prakash, Software Tester, Accent Techno Soft, Coimbatore. About **60 students** from department of computer applications attended the work shop. The session started at 10.00 am with a welcome speech by Mr.K.Gowtham, III BCA ‘A’ Student. Mr.A.Prakash delivered inaugural address and stressed the importance of software testing in the development of software. The Resource Person shared his knowledge in software testing field. He gave hands on training on Selenium Software Testing tool to BCA and MCA Students. The workshop was received with admiration by the students. Ms.K.Divaya Sri, II MCA Student delivered vote of thanks.

Inauguration of One Data National Level Workshop on Software Testing Tool Selenium on 07.01.2017.

About the University

Karpagam University was started with a prime ambition of affording opportunities to young men and women for equipping themselves to get employed and contribute to the technological and social development of the nation.

"Our mission as an educational institution is to instill originality in the learning minds and impart strength and efficiency by giving quality value-based education, motivating skills and creativity with innovative selective knowledge, for the purpose of rendering unique products to serve and then lead the society and being perfection in entirety which projects our vision".

The University offers wide range of Undergraduate, Post graduate and Doctoral programs in the field of Arts, Science, Management, Architecture, Pharmacy and Engineering streams.

Department of Computer Applications:

The Department of Computer Applications is one of the vibrant departments of the Karpagam University that offers courses such as BCA and MCA. The department is committed to impart quality education by providing strong fundamental knowledge complemented by extensive practical training. With academic autonomy, the department regularly updates its curriculum and syllabi enabling the students to apply latest techniques, methods and tools to solve problems in all domains.

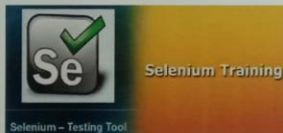

The BCA and MCA programmes not only groom students for a successful career in the IT industry but also encourages participation of students in the co-curricular and extra-curricular activities to bring out the hidden talents in them

Mission

- To provide strong theoretical foundation complemented with extensive practical training
- To groom students as resourceful, industrious professionals proficient enough to apply knowledge
- Enhance research to solve problems in computer science and applications

ABOUT THE PROGRAMME

Software testing are responsible for making sure that everything adheres to the specifications of the software being developed.

TOPICS COVERED:

- Introduction to SELENIUM
- Selenium components
- Downloading selenium IDE from mozilla
- Creating the environment for selenium RC
- Why should we use excel sheets
- Developing the reusable script for any project
- Automation life cycle
- Validations
- Frameworks
- Object repository

ONE DAY NATIONAL LEVEL WORKSHOP ON SOFTWARE TESTING TOOL "SELENIUM"

07.01.2017

Participant

Date:

Place:

Signature of the Head of the
Institution with Seal

ABOUT THE WORKSHOP:

This "Selenium" tool workshop aims at providing a solid foundation to the attendee in understanding automated testing using Selenium.

The course provides a hands-on walkthrough to allow attendees to understand the steps in making Selenium function in the real world. Selenium allows both developers and testers to automate tests against applications and execute them against multiple browsers

OBJECTIVES:

- Strengthening Organization to produce high quality Testers for better employability.
- Focus on the practical steps required to make automation using Selenium work in the real world.

ELIGIBILITY:

Faculty Members, Research scholars and Students from various Institutions can apply.

IMPORTANT DATES:

Last date for receipt of filled application : 31.12.2016

Registration Fees:

Faculty member : Rs.350/-

Research Scholars : Rs.350/-

Students : Rs.300/-

The duly filled application forms along with DD in favour of "KARPAGAM UNIVERSITY" payable at Coimbatore should be sent to:
