04.00 – 04.05	<p>Vote of Thanks by Dr.Debabrata Barik, Associate Professor, Department of Mechanical Engineering, KAHE, Seminar Organizing Secretary</p> 

Department of Mechanical Engineering thanks the 54 participants and management for the excellent support provided for the one day national seminar on “Industrial Refrigeration, Air Conditioning and Ventilation” which is held on 18th September 2019. The success of this event was due, in no small part, to the support provided by Management, Dean /FOE, HOD/Mech and Faculty members.
