

FACULTY OF ENGINEERING

DEPARTMENT OF MECHANICAL ENGINEERING

Report on One Day Skill Development Program on Welding Technology

DATE OF EVENT : 19th August, 2019
VENUE : MBA Seminar Hall
PARTICIPANTS : 60 External & Internal Faculty members and students.

About the Program:

The event of one day skill development program on “Welding Technology” was organized by the Department of Mechanical Engineering, Karpagam Academy of Higher Education, Coimbatore. This skill development programme was handled by Dr. R. Sudhakaran, Prof. and Head, Mechanical Engineering, SNS College of Engineering, Coimbatore. The skill development programme was combination of theoretical studies and hands on training. Dr. R.Sudhakaran explained the concepts of welding, mechanism of welding, common causes of welding failure, prevention techniques, and safety aspects during welding.

The programme was started with prayer song in an inaugural session and inaugurated by Dean, Faculty of Engineering and HOD, Mechanical Engineering of Karpagam Academy of Higher Education. The technical session started on the topic “Introduction to welding”. The hands on training were handled by Dr. R. Sudhakaran and faculties of Mechanical Engineering Department, Karpagam Academy of Higher Education.

At valedictory session, the Head of the Department, Mechanical Engineering, distributed certificates to the participants and gave vote of thanks.
