

**Report on National Conference on Advance techniques in Plant Science and Nano Science
(Plant & Nano-2020)**

Convener

Dr. A. Sangilimuthu

Associate Professor and Head (i/c),

Department of Biotechnology,

Karpagam Academy of Higher Education, Coimbatore, Tamil Nadu.

Organizing Secretaries

Dr. P. Rajiv & Dr. S. Barathkumar,

Assistant Professor,

Department of Biotechnology,

Karpagam Academy of Higher Education, Coimbatore, Tamil Nadu.

Day 1: (13.02.2020)

The Department of Biotechnology, Karpagam Academy of Higher Education organized the “**NATIONAL CONFERENCE ON ADVANCE TECHNIQUES IN PLANT SCIENCE AND NANO SCIENCE (Plant & Nano-2020)**” on 13th & 14th February 2020 at Bharathi Hall at 10 am. The chief guest for the function was Dr. V. Shyam Kumar, Professor Department of Biotechnology & Microbiology, Karnataka University, Dharwad, Karnataka. The chief guest is honored by our honorable **Vice Chancellor, Dr. A. Sudalaimuthu, KAHE** and delivered the presidential address. The function was started with prayer and followed by lighting of the lamp and welcome address by **Dr. A. Sangilimuthu, Convener (Plant & Nano-2020)**. Followed by Chief Guest introduction by **Dr. P. Rajiv, Organizing Secretary. Dr. V. Shyam Kumar**, Professor Department of Biotechnology & Microbiology, Karnataka University, Dharwad, Karnataka delivered the Keynote address. After the tea break a totally 175 participants were registered from all over Tamil Nadu including Dr N. G. P Arts and Science college - Coimbatore, MGR college - Hosur, Annai Fathima College - Chennai, PSG Arts and Science College - Coimbatore, NSS College - Kerala, PSGR Krishnammal College for Women - Coimbatore, Karur Arts College – Karur, Karpagam College of Pharmacy - Coimbatore and

Karpagam College of Engineering - Coimbatore represented their research findings on plant sciences. The session 1 was winded up before lunch and post lunch session 2 was initiated with the Invited Lecture I by **Dr.Muthukumar Muthusamy**, Dean- School of Earth Science Systems, Head- Department of Environmental Science, Central University of Kerala, Kasaragod, Kerala. The lecture ended with a good interaction among the participants. After the tea break the participants from various institutions presented their research findings on nano sciences. The Day was closed with successful interaction between the participants and the scientists who have shared their knowledge among the gathering.

Day 2: (14.02.2020)

Second day was well initiated with an invited talk by Dr. V. Vijaya Padma, Head- Department of Biotechnology, Bharathiar University, Coimbatore about the topic **phytomedicine against lung cancer** which was very useful to the fellow students and research scholars. After the tea break the participants from various institutions presented their research findings on plant and nano sciences in poster format. The session was winded up before lunch and post lunch was prearranged for Valediction, Certificate Distribution and participants' feedback. The participants from various institutions conveyed their comfort and gave positive feedback about NCATPN'2020 and also expressed their interest to continue their higher studies in our institution and also to utilize our laboratory and central instrumentation facility for their research. In the Evening of the second day at the grand valediction of the National conference the prize winners for the oral and poster presentation was awarded with certificates and souvenirs. Last but not the least the vote of thanks was delivered by Followed by **Dr. S. Barathkumar, Organizing Secretary** and the national conference was concluded with National anthem.
