“SEVEN DAYS NATIONAL LEVEL FACULTY DEVELOPMENT PROGRAM

ON

“INNOVATIONS IN BIOTECHNOLOGY AS LIFE SAVING PROSPECTIVES”

Date: 3rd - 9th AUGUST 2020, Time: 10:30am – 11:30am

A total of 100 participants from various institutions registered for the seven days national level faculty development program. The programme was well initiated at 10 am through google meet and welcome speech was delivered by Dr. S. Ravi, Co-Ordinator for Centre for Human Resource and Development (CHRD). Dean of FASH, Dr. N.V. Balaji sir expressed the importance and the real need for such a program. Followed by him Dr. M. Palaniswamy our beloved Registrar of Karpagam Academy of Higher Education delivered the felicitation speech and initiated the program.

The Day one (3rd August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. RAJESH BANU, Associate Professor of Life Sciences, Central University of Tamil Nadu who shared about the Role of Biotechnology in solving environmental problems. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

The Day two (4th August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. RAJAGOPAL SUBRAMANYAM, Professor, School of Life Sciences, University of Hyderabad who shared about the Drug binding studies with plasma proteins: A pharmacokinetics and dynamics study. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

The Day three (5th August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. K. ARUNKUMAR, Professor, School of Life Sciences, Central University of Kerala who shared about the Sensitizing Massive Open Online Courses (MOOCs) in Higher Education. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

The Day four (6th August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. M. RAJKUMAR, Professor, Department of Environmental Sciences, Bharathiar University who shared about the Does Plant – Microbe interaction alleviate environmental stresses in plants. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

The Day five (7th August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. K. ANBARASU, Associate Professor, Dept. of Marine Biotechnology, Bharathidasan University who shared about the Probiotics for Human Health. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

The Day six (8th August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. A. GNANAMANI, Principal Scientist, Biological Material Laboratory, CSIR – Central Leather Research Institute who shared about the Microbial diversity and its application in bioremediation. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

The Day seven (9th August 2020) session was initiated successfully and Dr. A. A. Arunkumar, Organizing Secretary introduced the speaker for the day Dr. M. DWARAKANATH, Former Director, DSTE Cum Member Secretary Puducherry Pollution Control Committee, Puducherry who shared about the R&D SCOPE and FUNDING. The participants well interacted with the resource person. The session for the day was completed with the thanks note to resource person by the organizing secretary for his informative talk.

On completion of each day a feedback form with 10 multiple choice questions were circulated to all the participants to evaluate them for certification. Finally, Dr. A. Sangilimuthu, Head(i/c), Department of Biotechnology (FASH), Karpagam Academy of Higher Education expressed the vote of thanks and ended up the programme.

SEVEN DAYS NATIONAL LEVEL FACULTY DEVELOPMENT
PROGRAM ON
“INNOVATIONS IN BIOTECHNOLOGY AS LIFE SAVING
PROSPECTIVES” – **IBLSP- 2020**

3rd - 9th AUGUST 2020

Time: 10:30 am – 11:30 am.

Chief Patron

Dr. R. Vasanthakumar,
President,
Karpagam Institutions, Coimbatore

Patron

Shri. K. Murugaiah, Chief Executive Officer
Dr. S. Sudalaimuthu, Vice- Chancellor
Dr. M. Palaniswamy, Registrar
Dr. N.V. Balaji, Dean (FASH)

Conveners

Dr. S. Ravi, Co-Ordinator (CHRD),
Dr. A. Sangilimuthu, Head(i/c),
Department of Biotechnology (FASH)
Karpagam Academy of Higher Education.

Organizing Secretary

Dr. A. A. Arunkumar
Assistant Professor
Department of Biotechnology,
Karpagam Academy of Higher Education.

Resource Persons

03.08.2020

Dr. RAJESH BANU
Associate Professor
Department of Life Sciences,
Central University of Tamil Nadu

04.08.2020

Dr. RAJAGOPAL SUBRAMANYAM
Professor
School of Life Sciences,
University of Hyderabad

05.08.2020

Dr. K. ARUNKUMAR
Professor
School of Life Sciences
Central University of Kerala

06.08.2020

Dr. M. RAJKUMAR,
Professor,
Department of Environmental Sciences,
Bharathiar University

07.08.2020

Dr. K. ANBARASU
Associate Professor,
Dept. of Marine Biotechnology,
Bharathidasan University

08.08.2020

Dr. A. GNANAMANI
Principal Scientist,
Biological Material Laboratory,
CSIR – Central Leather Research Institute

09.08.2020

Dr. M. DWARAKANATH
Former Director, DSTE Cum Member
Secretary Puducherry Pollution Control
Committee, Puducherry.

E- Certificate will be provided
for the participants who attend
all the sessions and fill the feed
back forms.

No. of. Participants is limited to 100.
Registration will be provided on first
come first serve basis.
