Date: 25.09.2020 Time: 2.00PM to 3.00PM

Date: 26.09.2020 Time: 10.00AM to 11.00AM

Today's session is about the advantages of studying ACCA qualification. ACCA (Association of Chartered Certified Accountants) is a professional accountancy organization in the UK, and has over 200,000 members and 500,000 students worldwide. Organizations look for accountancy professionals who can understand the financial needs of the organization and who can evaluate and propose business solutions. **300 students participated,**

The ACCA Qualification is designed to equip its members with the necessary knowledge and skills needed for finding and evaluating business solutions. This increases the demand of ACCA members and improves their career prospects.

Advantages of studying ACCA- Become part of a professional accountancy body well-known for its high standards of ethics, integrity, professionalism. It is a commonly agreed norm among employers that a person who wishes to climb the ladder of success in finance and reach the highest ranks requires to have a professional qualification. ACCA gives you that edge and opens up that path for you. Obviously, whether you reach the top or not will depend on your talent and hard work but your qualification will always aid you in the process.

We started welcome note along with prayer song, then, students were welcomed by Dr.S.Venkatachalam and followed by Dr.Padmaavathy.PA., who briefed about the guest profile. Then the speaker enlightened the students about ACCA

Then the programme was concluded by a vote of thanks by Dr.Padmaavathy.PA..
