

**Guest Lecture Title:**

# **An overview of Synthesis and Material Characterization of Nanostructures**

**Guest Lecture**

**Dr. A. Saranya,**

Assistant Professor, Department of Physics,  
Vel Tech Rangarajan Dr. Sagunthala R&D Institute of Science and Technology,  
Chennai-600062

**DEC**

**24**  
**2020**

**Time: 10.30 AM - 11.30 AM**

Convener

**Dr. E. Sivasenthil**

Associate Professor & Head,  
Karpagam Academy of Higher Education

Organizing Secretary,

**Dr. S. Sharmila**

Department of Physics,  
Karpagam Academy of Higher Education

## DEPARTMENT OF PHYSICS

### Report on Guest Lecture

Department of Physics organized **Guest Lecture** on **24<sup>th</sup> December 2020 at 10.30 AM - 11.30 AM** by conducting guest lecture on **“An Overview of Synthesis and Material Characterisation of Nanostructures”**. **Dr.A.Saranya**, Assistant Professor from Department of Physics, Vel Tech Rangarajan Dr.Sagunthala R&D Institute of Science and Technology, Chennai is the Chief Guest of the session. More than **50 students and 10 Faculty members** attend the session through Google meet. **Dr.E.Sivasenthil**, Head of the Department, Department of Physics, KAHE introduce the chief guest and address the gathering. The Chief Guest explained about the importance of synthesis of nanomaterials, nanostructures and nanomaterials used in daily life. Finally, the session came to an end with vote of thanks given by the organizing secretary **Dr. S. Sharmila**.
