

Report on One-day seminar on “Introduction to IPR and IP search” Held on 6th JULY, 2016

Venue: Bharathi Hall, Karpagam Academy of Higher Education

Time: 10:00 am

Total attendees: 80

The workshop on “Role of IPR in Innovation Management and Academia – Industry Collaboration“, is well structured and covers various aspects on Intellectual Property Rights (IPRs) that are concerned with the protection of tangible and intangible property. It provides rewards and recognition to inventor/contributor for their research, designs, discoveries, inventions, etc. IPR protection plays a key role in gaining modest advantage in terms of technological gains for achieving higher economic growth in a market driven economy. The main aim of workshop is to impart greater awareness about the issue of IPRs, which gained a special importance for all the domains of socio-economic development. the briefly explained by Lt .Dr. K.P. Sridhar. The participants of the workshop will be able to understand the procedures to convert the research outcome into patents/technologies to license. There is a need to make researchers understand the Usages of patent information, IP Law, importance of IPR and Protecting technical innovation/ using patents and patent information for R&D.. The workshop will focus to create awareness on different aspects of Patent and Intellectual Property Rights Faculties, Industry personnel, Scientists, Research scholars who are into research and want to know more about IPRs, Patents, Commercialization of technologies, Technology transfer procedures, Start up and Entrepreneurship echo system.
