A brief report on “International water day” conducted on 22-3-2017 in Karpagam Academy of Higher Education.

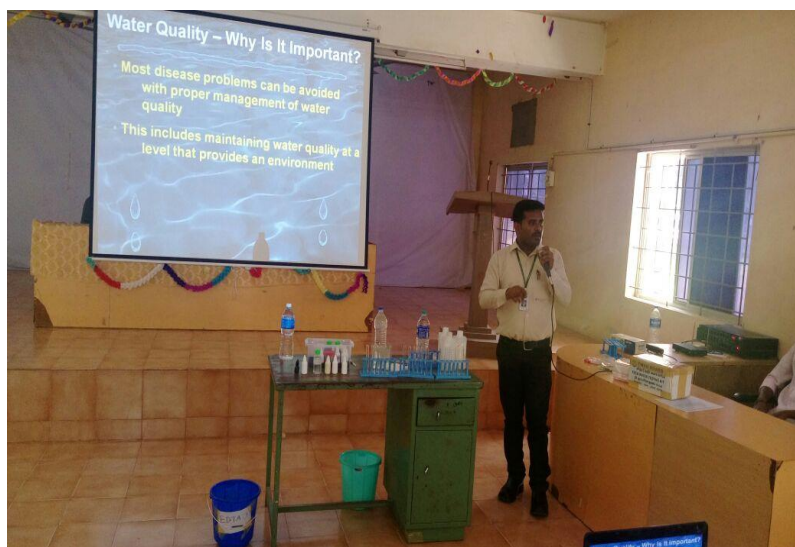

The International water day was celebrated in our University on 22-3-2017. Dr. R. Sundararajan, Registrar (In-charge) presided over the function. Dr. S. Elangovan, former Superintendent Engineer, Water Resources Board, PWD, and Pollachi was the Chief Guest and delivered the inaugural address. In the afternoon a training programme on “How to test drinking water” was conducted for the students in the MBA hall.
