DEPARTMENT OF ELECTRONICS AND COMMUNICATION SYSTEMS

Report on One day Training Programme on Cell Phone Servicing and Maintenance

The Department of Electronics and Communication Systems has conducted One day Training Programme on Cell Phone Servicing and Maintenance on 28th February 2017. Dr.S.Saira Banu, Associate Professor, Department of Electronics and Communication Systems gave the welcome address.

Mr.Krishna Kumar.B, Managing Director, New Technologies, Coimbatore, handled the morning session. Our II and III B.Sc ECS Students attended the training programme. Students are taught to identify the various components, understand how the components interact and the device specifications. He demonstrated the working of various chips on the PCB and explained about the replacing chips and components, charging ports, connectors, switches, etc.

In the Afternoon session the hands on training was given to the students for disassembling and assembling of various handsets, identification and testing of various parts and to trouble shoot faults in a mobile phone. The afternoon session was handled by Mr.Karthick, Service Engineer, New Technologies, Coimbatore. The session was very interactive. Students have actively participated in the training programme.

We thank our Honorable Chancellor, Chief Executive Officer, Vice-Chancellor, Registrar and Dean for accepting our proposal and permitting us to conduct the training programme.

One day Training Programme on "Cell Phone Servicing and Maintenance"
