Sir,

Sub: Seed money request for in vivo experiments (Cancer Research Centre) - reg.

With reference to the above, the following equipments are required for our animal house facility to carryout animal experiments in connection with ongoing cancer research activities. I kindly request you to approve seed money of Rs.10,00,000 for the same.

1. Individually ventilated cage system for mice
2. Accessories for the IVC equipment

Thanking you,

Yours sincerely,
