

Science Academies Lecture Workshop on  
Recent Trends in Microbiology and  
Biotechnology  
On 27<sup>th</sup> & 28<sup>th</sup> June 2018  
at Department of Biotechnology  
KAHE, Coimabto

## Workshop Completion Report

Workshop on “Phyto-Pharmaceuticals – Traditional to Recent Advancements” successfully conducted on 20<sup>th</sup> and 21<sup>st</sup> October 2016 at Department of Biotechnology, Karpagam University, Coimbatore. Nearly 30 participants were attended and benefited the session. The programme started with introductory session by Dr.G.R.Prabu, Head i/c followed theory cum technical session delivered by programme organizer Dr. A. Sangilimuthu, Assistant Professor, Department of Biotechnology, Karpagam University, Coimbatore. In technical session isolation of phytomolecules from medicinal plants (Day 1) and spectral characterization of phytomolecules (Day 2) were demonstrated and explained. Based on the feed back received from the participants the programme was very useful.
