One Day National Seminar on
"How to Write Effective Research Articles
for Sci Journals and Fundamental Steps in Thesis Writing"

30th August 2018

Karpagam Academy of Higher Education

Institutions founded with a noble vision to instill originality in the learning minds and impart strength and efficiency by giving quality value based education, motivating skills and creativity with innovative selective knowledge, for the purpose of rendering unique products to serve and then lead the society and bring perfection in entirety which projects our vision.

Started as Karpagam Arts and Science College in 1995 and promoted by the Karpagam charity trust, incepted by the renowned Karpagam industries. In 2008, the institute was awarded the deemed to be university status in recognition of its academic excellence by the ministry of human resource, Government of India under section 3 of the UGC act 1956.

Our commitment to extend world class education permeates across multi discipline we offer arts, science, commerce, management, humanities and Engineering.

About ECE Department

The Department of Electronics and Communication Engineering established in 2009, has well qualified, dedicated and passionate staff most of who are engaged in path breaking research and development.

The Department has specialized research labs on areas like Embedded systems, signal and image processing, sensor networks, VLSI design and wireless networks. The Department has signed MOU with many industries for research projects and enhancing employability.

One Day National Seminar
"How to Write Effective Research Articles
for Sci Journals and Fundamental Steps in Thesis Writing"

About Seminar

The objective of the seminar is to prepare the scholars to write their research articles and master thesis effectively. The students will learn the logistics of writing effective research articles for Sci journals and the fundamental steps in thesis writing that will include such basic issues as selecting the topic, formulating the hypothesis, reviewing the literature, describing the method, etc.

Topics not limited to

- The nature of research.
- Types of research.
- Script writing for Sci journals.
- Structuring one's research: literature review.
- Structuring one's research: method and its components.
- Compiling and analyzing research data.
- Experimental research and its design.
- Writing Plagiarism free research article.

Respected Sir,

Sub: Report on One day National Seminar titled "How to write effective research article in SCI Journals and Art of Thesis Writing I" on 30.08.2018 by ECE department -Reg.

I would like to thank our management for granting us permission and also sanctioning us an amount of Rs 16,500/- to conduct a one day National Seminar titled "How to effectively write a research paper, thesis and funded research proposal" on 30th August 2018. The National Seminar was conducted for our Research Scholars and Faculty members to make them aware of Thesis writing, Organization of Thesis and Paper writing for SCI Journals and funded research proposal preparation.

20 of PhD Scholars from Karpagam Academy of Higher Education and 17 PhD Scholars of other Universities participated in this Seminar. We have generated an amount of Rs 18,500/- (37*500) from 37 Participants and submitted the same on 30.08.2018 to Accounts section. The glimpses of the National Seminar is attached for your kind perusal and approval

Thanking you

Submitted to V.C for Perusal

Yours Sincerely,
