Aim

Industry – Institutional Collaboration Initiatives will lead to efficient complementation of resources of both the organizations eventually leading to the development of a house of excellence for quality training, research & development which will be of immense mutual benefits and also relevant to societal benefit. Realizing this objective, the Industry and the Institution, named above, have signed this Collaborative Agreement in order to achieve the desired results for the benefit of the students and scientific community.

Objectives of Collaborative Agreement

1. Encouraging and allowing the students of the Institution to interact with working groups of the industry so as to increase their knowledge level.
2. Encouraging involvement of students to take up projects of the industry and build up professional confidence and competence.
3. Offering state-of-the-art guest lectures from one side to other
4. Conducting specific training programs by the Industry
5. Consultation in respect of R & D and Consultancy Projects from one side to the other.
6. Jointly organizing seminars, workshop and other academic and scientific activities.
7. Explore joint R & D programs
8. Concessional services from the industry for the staff and students of the institution.
9. Usage of laboratory facilities available in the institute by the researchers from the industry.

Terms and Conditions of the Collaborative Agreement

- I. This is a non-exclusive Collaborative Agreement and is valid for a period of three years and may be extended further on mutual consent.
- II. The Collaborative Agreement can be terminated with 3 months notice on either side.
- III. This agreement is governed by and construed in accordance with Indian Law.
- IV. Both parties have to appoint a representative to initiate and execute the activities under the Collaborative Agreement.
