J- GATE

The screenshot displays the J-Gate website interface. At the top, there is a navigation bar with the J-Gate logo and the text "Karpagam Academy of Higher Education". Below this, there are links for "My J-Gate", "Logout", and "Help". The main navigation menu includes "Basic Search", "Browse A-Z", "Author Finder", "Advanced Search", "Search History", and "View Marked Results".

On the left side, there is a "Browse Table of Contents" section with a "Latest Year" tab and an "Archive" tab. The "Archive" tab shows a list of years from 2019 down to 2012, with sub-entries for "Vol. 2 No. 5, Sep", "Vol. 2 No. 6", "Vol. 2 No. 4", and "Vol. 2 No. 3".

The main content area displays search results for the "International Journal of Mechanics and Applications". The journal is published by "Scientific & Academic Publishing" and is "Vol. 2 No. 4 2012". A "Peer Reviewed" badge is visible. Below the journal information, there is a search bar with the text "Search Term" and a "Back" button. A list of search results is shown, with the first result selected: "Mathematical Modelling of the Wear Process of the Nanosurface of Sliding Bearings made of Self-Lubricating Materials". The second result is "The Snake Rectilinear Motion Modeling on the Flat Inclined Surface".

Below the search results, there is a section for "Issue Details" for "Vol 2, No 4, 2012". The details include: "Author: Alexander Gmterko; Michal Kelemen; Ivan Virgaia", "Affiliation: Department of applied mechanics and mechatronics, Faculty of mechanical engineering / Technical university of Kosice, Kosice, 04200, Slovakia", "Page No: 39-42", "Keywords: Friction; Locomotion; N-Mass System; Rectilinear; Snake", and "Abstract: The paper deals with N-mass system imitating snake rectilinear motion. At first the snake".

At the bottom right, there is a "Chat Support" button. The bottom of the screenshot shows a Windows taskbar with various icons and a system clock indicating 10:50 on 6/22/2020.
