The committee discussed several points related to the functioning and the usage of the library.

The following proposals were suggested to improve the usage of the Library:

- The committee suggested to have a greater number of latest edition Text books, Reference books, Quantitative Books and General Knowledge books in the library.
- Budget allocated and utilization for the purchase of journals, books, and computers has been discussed with the Library advisory committee members.
- Expenditure for purchase of books and journals for the academic year 2017-2018 was **Rs.65,78,000/-**.
- Budget for the academic year 2018-2019 to buy books, Journals & Magazines, E-Journals, E-Books & Online Databases is planned for **Rs 60,00,000/-**.
- Tables should be provided with power socket to enable students to use laptops.
- Pharmacy related books should be increased in the Library.
- Photocopying machine should be available in the library premises which will be useful to take copies from reference books.
- The whole libraries sphere should have CCTV cameras for better monitoring.

- Circulars and reminders are to be sent at least once in six months to ease the process of returning the library books.
- The committee suggested that all the Departments should provide the list of latest books to be added to the Library every year.
- Reading habit can be cultivated among students by adding a library hour in their regular time table and it is to be made mandatory for the students to attend the library in that hour.
- Prizes and certificates can be awarded for the students who utilized the library in the best manner.
