Policy Document for Award of Scholarships and Free ships

Karpagam Academy of Higher Education is providing the institutional scholarship to the students in two categories, 1. Merit Scholarship 2. Sports Scholarship from its inception. Economically weaker students are unable to accomplish their aspirations to higher studies due to poor economic background. The government and various public organizations, private organizations as well as trusts have come to help these children for achieving their dream of higher education.

Scholarships are provided to the students belonging to rural areas and economically weaker sections of the society. To encourage and empower girls in the field of education and to ensure that no girl drops out of higher education, scholarships for girls are also being offered by the institution.
