- Dr. G. K. D. Prasanna Venkatesan, Dean, FoE, KAHE (Special Invitee)
- All the members of Student Council, KAHE

A brief note is given by the advisor regarding the implementation of the feedbacks and congratulated the students for actively participating in club activities, extension activities and in various activities of the cells and committees.

The agenda of the meeting was briefed by the advisor and the discussions started.

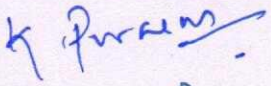

The following points were discussed in the meeting:

- The hostel students thanked for changing the menu of their interest and quick servicing of water and electricity facilities then and there needed.
- The students are also happy of adding more books in the library and flexibility of lending books and thanked the authorities.
- As per the request of students softskill training is also being conducted to first year students and the students chairman thanked for this.
- The students are also happy of implementing visual teaching in most of the classes and they requested for 100%.
- They recorded that the programmes conducted under UIIC was very useful for most of the students and requested for continuing of the same to get more exposure.
- The advisor thanked the students for actively participating in extension activities.

- The student member of Biochemistry represented regarding placement. They requested for core related companies for placement of life science students.
- The students also requested to have soft skill development training classes during the academic session instead of having during summer vacation.
- The students also added their convenience of having core related training classes in their own campus itself. It was discussed in the forum and Dean, FASH explained about the difficulties (limited availability of experts) and he assured to make it convenient in the future.
- Women students requested for ladies washroom in UE block.
- Discussed regarding the curriculum and teaching of B.Sc., CS (Cognitive system) and B.Sc., CS. Students requested for more lab oriented classes for them also as like that of cognitive system students. Dean, FASH explained that the curriculum is fixed according to the needs of TCS and classes also going on as per their instructions.
- The students have a general discomfort regarding college bus facility. All college buses ply based on Karpagam College of Engineering. It is affecting University students during examination (Internal) time. The students requested to consider bus facility during examination; at least limited buses to common destination. The advisor noted and assured of rectifying this inconvenience.
