IQAC Report Summary

In Karpagam Academy of Higher Education (KAHE), the need-based training programmes are organized to enrich the knowledge level of the faculty members. For the new entrants, IQAC organizes Orientation Programme through the Centre for the Human Resource Development (CHRD), KAHE to make them aware of the rules and regulations of the institution, documentation of Academic Activities, UGC, NAAC and other related aspects. IQAC also organizes training programmes on its own or through CHRD and other centres of the Institution. At the department level training is imparted to the faculty members to keep them abreast of the latest trends/development in the respective domain. The CHRD invariably organizes faculty development programmes during the vacation. The institution encourages the faculty members to participate in various training programmes organized by the other institutions. Also faculty members are motivated to participate in the online Faculty Development Programmes offered through SWAYAM and NPTEL.

The various training programmes attended by the faculty members are summarized in the following table.
