About the Institution

Karpagam Academy of Higher Education is located in a sprawling, green, lush campus extending 26 acres. It has emerged from Karpagam Arts & Science College (Autonomous) a unit under the Karpagam Charity Trust established in 1989 founded by the great philanthropist, industrialist and educationist Dr.R.Vasanthakumar with the vision of instilling originality in the learning minds, imparting quality and value-based education and to engage in Research and Development with the noble objective of creating unique men and women to serve and lead the society.

Karpagam Academy of Higher Education was conferred as Deemed to be University by the Ministry of Human Resource Development in August 2008 under section 3 of the UGC Act 1956. It is a recognised Deemed to be University by the UGC. It is a member of the Association of Indian Universities. The Institution has been accredited by the NAAC in 2015.

The Institution has 4 Faculty - Faculty of Arts, Science and Humanities, Faculty of Engineering, Faculty of Architecture and Faculty of Pharmacy. It has 25 Departments offering a wide range of 84 academic programmes from graduation to doctorate level. The Institution has more than 6,000 students on campus, with a strong contingent of more than 350 teaching faculty, well supported by an almost equal number of administrative and supporting staff. Faculty have got good number of research projects with financial support from various funding agencies like DBT / DST / ICMR and have filed more than 60 patents. As many as 2200 Research papers have been published by the faculty in SCOPUS. The Institution has collaborated with Foreign Universities, Industries, and Research Bodies for mutual benefit. The Institution ensures that education epitomizes excellence in every sphere and students are prepared to take on the challenges of the day and become the next generation leaders.

About the IQAC

The IQAC has been established in the year 2016 in the Karpagam Academy of Higher Education (KAHE) in the accordance with directive of NAAC to sustain and enhance the quality of education imparted to the students.

The Vice-Chancellor is the chairperson and the EEE Head, Faculty of Engineering is the Director of IQAC. The representative from Academic and Administrative Areas, Industry, Parents, Alumni and Students are nominated as the members. In addition, one Coordinator has been identified from each department as single point of contact (SPOC) for carrying out the activities effectively and they are coordinated by a common coordinator

About the Programme

- Outcome Based Education(OBE) is a method of curriculum design and teaching that focuses on what students can actually do after they are taught.
- OBE is an education approach that means knowing what students want to achieve (or) outcomes after completing an academic programme and then taking the steps to do so.
- The desired outcomes are determined first and the programme curriculum, teaching and learning methodology and supporting facilities are designed to support the intended
