**Strength:** 60 (Maximum)

**Department:** Commerce - BCom PA (section A and Section B) - Second year students

They will come in our University bus and will report to the **"MSK Engineering Works"** Industry at 13.45 Hrs and meet Shri.S.Kailasam - Proprietor OR your nominated executive. As advised by your goodselves, they can be split into 3 equal groups and make the Industrial visit more effective.

We are pleased to send our students to your highly engineered **"MSK Engineering Works"** Industry to learn more about the cost elements incurred in your Job shop activities like pre machining, finish machining and inspection etc. They will also understand as to how an engineering industry environment will persist. Also, this industrial visit will definitely be supportive in understanding and appreciating their classroom learning and may lead to identifying their academic projects when they do their final year programme.

We once again thanking you Sir and your officials for collaborating and handholding in such technical oriented initiatives to the growth of Commerce students community.

Looking forward to have long term University - Industry relationship with you Sir,

Respected Sir,

Sub: Report on Industrial visit programme executed on 16.12.2019 afternoon – reg..

We organized the Industrial visit to “**MSK Engineering Works – LIC Colony**” for our **KAHE** II year **BCom PA** Students between 2.00 pm to 4.00 pm on 16.12.2019. Totally **63** students visited this workshop. Copy of the attendance document along with few photos taken during the visit is enclosed herewith for your kind perusal.

This visit programme was very useful to them in understanding the cost elements involved in various manufacturing processes. Also it can explore the possibility of identifying projects for their academic requirement.

We thank the Management for the approval given to us to execute the same programme.

This is for your kind information and perusal.

Thanking you Sir,

Yours faithfully,

Respected Sir,

Sub: Report on Industrial visit programme executed on 13.12.2019 forenoon - reg..

We organized the Industrial visit to **South India Textile Research Association - SITRA, Coimbatore** for our **KAHE II year BSc - Chemistry** Students between **11.00 am to 1.00 pm**. Totally **47** students visited this research facility. Copy of the attendance document along with few photos taken during the visit is enclosed herewith for your kind perusal.

This visit programme was very useful to them in understanding the chemical testing that are being done in Textile industries, Analytical facilities like Spectroscopy inspection for identifying elements present in any sample, procedure of Alkalinity and Acidity finding using Ph Meter and Atomic absorption Spectrum for metal detection etc. Also this visit was useful in exploring the possibility of identifying projects for their academic requirement.

We thank the Management for the approval given to us to execute the same programme.

This is for your kind information and perusal.

Thanking you Sir,  
Yours faithfully,

Respected Sir,

Sub: Report on Industrial visit programme executed on 20.11.2019 – reg..

We organized the Industrial visit to **Best Heat Treatment Services**, SIDCO for our **KAHE** Second year BCom CA (section A) students between 10.00 am to 12.30 pm. Totally 40 students visited this workshop. Copy of the attendance document along with few photos taken during the visit are enclosed herewith for your kind perusal.

This visit programme was very useful to them in understanding the cost elements involved in various heat treatment processes. Also it can explore the possibility of identifying projects for their academic requirement.

We thank the Management for the approval given to us to execute the same programme.

This is for your kind information and perusal.

Thanking you Sir,

Yours faithfully,

  
[S.Prabakaran] – UIIC Convenor.
