REGISTRATION FORM

10th National Workshop On
“INTERPRETATION OF SPECTRAL DATA AND IDENTIFICATION OF PHYTOCONSTITUENTS”
11th & 12th OCTOBER 2019

Name : 
Designation : 
Institutional Address : 
Residential Address : (Mobile and E-mail)
Registration fee enclosed: Yes / No
DD No. and Date : 
Amount : Rs.
Name of the Bank : 
Accommodation Required : Yes / No
Date :
Place:

(Photostat copies of the Registration form are also accepted)

Signature

10th National Workshop On
“INTERPRETATION OF SPECTRAL DATA AND IDENTIFICATION OF PHYTOCONSTITUENTS”
11th & 12th OCTOBER 2019

Organized by
DEPARTMENT OF CHEMISTRY

KARPAGAM ACADEMY OF HIGHER EDUCATION
(Deemed to be University)
(Established Under Section 3 of UGC Act, 1956)
Pollachi Main Road, Eachanari Post,
Coimbatore – 641 021, Tamil Nadu, India

Phone : +91-422-2980011-14
Fax : +91-422-2980022, 2980023
Email: info@karpagam.com Web: http://kahedu.edu.in
About Karpagam Academy of Higher Education

The Karpagam Academy of Higher Education is located in a sprawling, green, lush campus extending 26 acres. It has emerged from Karpagam Arts & Science College (Autonomous) a unit under the Karpagam Charity Trust established in 1989 founded by the great philanthropist, industrialist and educationist Dr. R. Vasanthakumar with the vision of instilling originality in the learning minds, impart quality and value-based education and engage in Research and Development with the noble objective of creating unique men and women to serve and lead the society.

Karpagam Academy of Higher Education was conferred Deemed to be University status by the Ministry of Human Resource Development in August 2008 under section 3 of the UGC Act 1956. It is a recognised Deemed University by the UGC. It is a member of the Association of Indian Universities. The University has been accredited by the NAAC in 2015.

The University has 4 Faculty - Faculty of Arts, Science and Humanities, Faculty of Engineering, Faculty of Architecture and Faculty of Pharmacy. It has 25 Departments offering a wide range of 78 academic programmes from graduation to doctorate levels. The University has more than 5,000 students on campus, with a strong contingent of more than 350 teaching faculty, well supported by an almost equal number of administrative and support staff. Faculty have got good number of research projects with financial support from various funding agencies like DBT / DST / ICMR and have filed more than 65 patents. As many as 2002 Research papers have been published by our faculty in SCOPUS and Peer Reviewed Journals. The University has entered collaboration with foreign Universities, Industries, and Research bodies for mutual benefit. The Institute ensures that education epitomizes excellence in every sphere and students are prepared to take on the challenges of the day and become the next generation leaders.

DEPARTMENT OF CHEMISTRY

The Department is running Undergraduate (UG), Postgraduate (PG), M.Phil. and Ph.D. programmes. The Department is equipped with sophisticated instruments like UV-Visible spectrometer, IR Spectrometer, Gas Chromatographic analyzer, Microwave oven, etc.

The main objective of the department is to impart knowledge among the students in basic areas of Chemistry. Apart from the core papers knowledge about the latest trends in Chemistry including Green Chemistry, Medicinal Chemistry, Nano Chemistry are also included in the regular curriculum. Further the Department provides training to the students in the sophisticated instruments like UV-Visible, IR Spectrometer, Gas Chromatography, Microwave synthesizer, etc. to the Undergraduate and Postgraduate students to fit them to Industries and to research organizations like CSIR, DAE, etc.

About the Workshop

The Department of Chemistry at KAHE invites students and Faculty members in Coimbatore and surrounding regions to join this workshop Programme. Also this workshop will focus on the emerging trends on the interpretation of spectral data and identification of phytoconstituents.

Some of the emerging analytical techniques being used in the pharmaceutical and chemical industries are IR, 2D NMR and Mass spectral techniques. In order to fully prepare students for future Employment, it is important to train the students on IR, 2D NMR and Mass spectral techniques.

This workshop will provide the students/researchers with a systematic guidance to find the structural information from the IR/NMR/MS spectra of unknown compounds.

Proceding of the workshop

A brief introduction will be given on the basic and elementary instrumental techniques of IR/NMR/MS. This is followed by instructional strategy and tactical advice on this workshop will be translation of spectra into meaningful structural information. Also it will provide the student with several spectra of complexity. These are designed to challenge the student's problem-solving abilities by the introduction of new concepts with each group of problems, followed by possible solutions and full explanations.

Thrust areas of the Workshop

1. FT-IR Spectral data
2. ¹H-NMR and ¹³C-NMR spectral data (1D and 2D data)
3. DEPT, SEFT and INEPT Techniques
4. HSQC/HMQC data
5. HOMO COSY and HETERO COSY data
6. NOESY and HMBC data
7. Mass Spectral data
   a. EIMS, FAB, MALDI techniques
   b. ESI-MS/APCI-MS

Participation

UG/PG students, Research Scholars, Faculty Members, Industrial Persons and Scientists.

The workshop will be held at KAHE, Pollachi Main Road, Eachanari Post, Coimbatore-641 021, which is about 10 km from Coimbatore on Coimbatore – Pollachi Main Road.

Registration fee

For all delegates: Rs. 300/-

The registration form, along with a crossed DD towards registration fee, drawn in favour of “Karpagam Academy of Higher Education”, payable at Coimbatore, may be sent to:
